ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

TRUSTEES REPORT

FOR THE YEAR ENDED 10 NOVEMBER 2025

The Trustees present their annual report and financial statements for the year ended 10 November 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the the trust's governing document, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".

Objectives and activities

The trust was established by trust deed in 1861.

The principal objects of the trust are to relieve poverty in the Kilmarnock area through the distribution of funds by the parish ministers.

There has been no change to the principal objectives during the year.

The trust is recognised by H M Revenue and Customs and OSCR as a charity under Scottish Charity Number SC 003989.

The charity plans to continue the activities outlined above in the forthcoming years.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the the trust should undertake.

Employee Policy

The the trust's policy is to consult and discuss with employees, through unions, staff councils and at meetings, matters likely to affect employees' interests.

Information of matters of concern to employees is given through information bulletins and reports which seek to achieve a common awareness on the part of all employees of the financial and economic factors affecting the trusts performance.

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment within the the trust continues and that the appropriate training is arranged. It is the policy of the the trust that the training, career development and promotion of disabled persons should, as far as possible, be identical to that of other employees.

ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 10 NOVEMBER 2025

Achievements and performance

The trustees have examined the charity's requirements for reserves in light of the main risks to the organisation.

The trustees are aware any drop in investment income, would be off set with a reduction in funds distributed.

Therefore the level of unrestricted reserves of £10,877 is adequate for the short and long term funding

The trustees also anticipate that investment income could be volatile in the next financial year and have noted the effects of the global factors and the uncertainty it brings to investment income.

The restricted endowment fund represents capital originally granted by the benefactors and growth in the funds from investments made and realised over the years since the bequest was founded.

In terms of the original trust deed trustees are entitled only to distribute income arising from investments and the unrestricted fund represents surplus undistributed income.

Financial review

The income received by the charity has increased from £44,115 to £45,669.

The costs incurred by the charity have increased from £42,363 to £45,756.

The charity agreed to distribute £29,100 (2024: £26,100) from income and reserves for the year to 10th November 2025.

Reserves Policy

It is the policy of the the trust that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the the trust's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trust unrestricted fund increased slightly this year and are positive reserves and the trustees were happy that this allowed the trust to continue its good work in helping poverty in the Kilmarnock area through the parish ministers.

Investment Policy

The investments are held in accordance with the trustees' powers.

The investment policy which is reviewed by the trustees from time to time is aimed at maintaining the real value of the funds over a period of years and thereby providing a reasonable level of income.

The policy of the trustees has been to apply the net available income from investments in making funds available to distribute to local ministers for charitable purposes.

The Trustees have assessed the major risks to which the the trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The the trust is an organisation governed by its trust document.

ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 10 NOVEMBER 2025

The Trustees who served during the year and up to the date of signature of the financial statements were:

Cllr C Maitland

Cllr D Reid

Cllr L Jones

(Resigned 14 December 2023)

Rev D Cameron

Rev J McNaughtan

(Resigned 31 January 2025)

Rev F Maxwell

Cllr J Todd

Cllr J Adams

Cllr D Richardson

Cllr P Mabon

Cllr B Douglas

(Appointed 14 December 2023)

The organisational structure of the trust is that a board of ministers and elected officials are tasked with making the decisions of the trust and then assist in the day to day running of the trust along with the support network of paid consultants, accountants or lawyers when professional work is required.

Trustees are recruited from elected officials and Board Ministers who act for the churches of the Kilmarnock Area.

ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

I report on the financial statements of the the trust for the year ended 10 November 2025, which are set out on pages 5 to 15.

Respective responsibilities of Trustees and examiner

The the trust's Trustees are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The the trust Trustees consider that the audit requirement of Regulation 10(1)(a)-(c) of the Charities Accounts (Scotland) Regulations 2006 does not apply.

It is my responsibility to examine the financial statements as required under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1)(a) of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 4 of the Charities Accounts (Scotland) Regulations 2006, and
 - to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the Charities Accounts (Scotland) Regulations 2006

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 10 NOVEMBER 2025

1 Accounting policies

Charity information

Royal Incorporation of the Buchanan Bequest is a trust with a trust deed outlining the purposes of the trust.

1.1 Accounting convention

The financial statements have been prepared in accordance with the the trust's governing document, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The the trust is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the the trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the the trust has adequate resources to continue in operational existence for the foreseeable future and no material uncertainties exist regrading this. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the the trust.

1.4 Income

Income is recognised when the trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the the trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the trust has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 10 NOVEMBER 2025

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Investment property

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss.

Property rented to a group entity is accounted for as tangible fixed assets.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/ (expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The trust has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the trust's balance sheet when the trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 10 NOVEMBER 2025

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the trust's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the trust is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the trust's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

TRUSTEES REPORT

FOR THE YEAR ENDED 10 NOVEMBER 2024

The Trustees present their annual report and financial statements for the year ended 10 November 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the the trust's governing document, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".

Objectives and activities

The trust was established by trust deed in 1861.

The principal objects of the trust are to relieve poverty in the Kilmarnock area through the distribution of funds by the parish ministers.

There has been no change to the principal objectives during the year.

The trust is recognised by H M Revenue and Customs and OSCR as a charity under Scottish Charity Number SC 003989.

The charity plans to continue the activities outlined above in the forthcoming years.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the the trust should undertake.

Employee Policy

The the trust's policy is to consult and discuss with employees, through unions, staff councils and at meetings, matters likely to affect employees' interests.

Information of matters of concern to employees is given through information bulletins and reports which seek to achieve a common awareness on the part of all employees of the financial and economic factors affecting the trusts performance.

Applications for employment by disabled persons are always fully considered, bearing in mind the aptitudes of the applicant concerned. In the event of members of staff becoming disabled, every effort is made to ensure that their employment within the the trust continues and that the appropriate training is arranged. It is the policy of the the trust that the training, career development and promotion of disabled persons should, as far as possible, be identical to that of other employees.

ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 10 NOVEMBER 2024

Achievements and performance

The trustees have examined the charity's requirements for reserves in light of the main risks to the organisation.

The trustees are aware any drop in investment income, would be off set with a reduction in funds distributed.

Therefore the level of unrestricted reserves of £10,934 is adequate for the short and long term funding

The trustees also anticipate that investment income could be volatile in the next financial year and have noted the effects of the global factors and the uncertainty it brings to investment income.

The restricted endowment fund represents capital originally granted by the benefactors and growth in the funds from investments made and realised over the years since the bequest was founded.

In terms of the original trust deed trustees are entitled only to distribute income arising from investments and the unrestricted fund represents surplus undistributed income.

Financial review

The income received by the charity has increased from £40,626 to £44,115.

The costs incurred by the charity have decreased from £42,494 to £42,363.

The charity agreed to distribute £26,100 (2023: £29,250) from income and reserves for the year to 10th November 2024.

Reserves Policy

It is the policy of the the trust that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the the trust's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trust unrestricted fund increased slightly this year and are positive reserves and the trustees were happy that this allowed the trust to continue its good work in helping poverty in the Kilmarnock area through the parish ministers.

Investment Policy

The investments are held in accordance with the trustees' powers.

The investment policy which is reviewed by the trustees from time to time is aimed at maintaining the real value of the funds over a period of years and thereby providing a reasonable level of income.

The policy of the trustees has been to apply the net available income from investments in making funds available to distribute to local ministers for charitable purposes.

The Trustees have assessed the major risks to which the the trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The the trust is an organisation governed by its trust document.

ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

TRUSTEES REPORT (CONTINUED)

FOR THE YEAR ENDED 10 NOVEMBER 2024

The Trustees who served during the year and up to the date of signature of the financial statements were:

The organisational structure of the trust is that a board of ministers and elected officials are tasked with making the decisions of the trust and then assist in the day to day running of the trust along with the support network of paid consultants, accountants or lawyers when professional work is required.

Trustees are recruited from elected officials and Board Ministers who act for the churches of the Kilmarnock Area.

ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

I report on the financial statements of the the trust for the year ended 10 November 2024, which are set out on pages 5 to 15.

Respective responsibilities of Trustees and examiner

The the trust's Trustees are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The the trust Trustees consider that the audit requirement of Regulation 10(1)(a)-(c) of the Charities Accounts (Scotland) Regulations 2006 does not apply.

It is my responsibility to examine the financial statements as required under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with Section 44(1)(a) of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 4 of the Charities Accounts (Scotland) Regulations 2006, and
- to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the Charities Accounts (Scotland) Regulations 2006

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 10 NOVEMBER 2024

1 Accounting policies

Charity information

Royal Incorporation of the Buchanan Bequest is a trust with a trust deed outlining the purposes of the trust.

1.1 Accounting convention

The financial statements have been prepared in accordance with the the trust's governing document, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)". The the trust is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the the trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the the trust has adequate resources to continue in operational existence for the foreseeable future and no material uncertainties exist regrading this. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the the trust.

1.4 Income

Income is recognised when the the trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the the trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the the trust has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 10 NOVEMBER 2024

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Investment property

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss.

Property rented to a group entity is accounted for as tangible fixed assets.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The trust has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the trust's balance sheet when the trust becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

ROYAL INCORPORATION OF THE BUCHANAN BEQUEST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 10 NOVEMBER 2024

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the the trust's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the the trust is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the the trust's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
