Report of the Trustees
For the year ended 31 December 2023

The trustees present their report with the financial statements of the charity for the year ended 31 December 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities, preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to Glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

Springburn Parish Church provide Services of Worship, supervised youth activities including groups attached to the Boys' Brigade and Guide Movements, Ichthus and the Rainbows. The community-led and managed after-school group – the Let's Go Club – continued from its inception mid-2019, remain a popular club for local primary school children and families

Adult activities include regular meetings of the Guild, the Trefoil Guild and the Choir. A tea room, popular with many of the congregation continues on a Sunday after the morning service after COVID restrictions were eased.

We are further involved in the community with a shared chaplaincy to a large care home, and by presence and teaching in the local Primary School and High School, Elmvale Primary and Springburn Academy, and by hosting the Primary School for main holiday services and events. The Minister is a member of the Parent Teacher Council of Elmvale Primary School.

The church also supports Springburn Community Council and provides meeting room space for their monthly committee meetings. Two members of the congregation are community councillors and often work in partnership on community projects such as Christmas and Halloween events, markets and other fun activities in the local community. Accommodation is also provided for Alcoholics Anonymous and Al-Anon.

Public benefit

The charity meets the definition of a public benefit entity under FRS 102.

ACHIEVEMENT AND PERFORMANCE

Fundraising activities

We are a charity registered with 'easyfundraising.org.uk' and, on an ongoing basis, encourage our members to use their website when purchasing online. In doing so, when a transaction has been processed, the retailer makes a donation to the church.

ACHIEVEMENT AND PERFORMANCE

Annual Review of Activities

Springburn Parish Church (SPC) continues to have a mission to the community in which it serves. We are constantly reviewing the needs of those within our parish and working closely with partner organisations and community groups to ensure that we, each unique in our own way, work together to encourage community involvement in the development and decision-making processes that affect their community, and to ensure that our parish remains one that is both inclusive and resilient.

As the Church looked to recover from the impact of the Pandemic opportunities which had been identified (SPARC recovery café, Slimming Clubs led by local residents for example.) Armchair Yoga have been further developed strengthening the link with the community

In addition, the church continued to support such groups as the Monday afternoon Musical Memories (Singing for the Brain) group where volunteers from the church take part in playing musical instruments, singing and encouraging members, many from various local care homes and suffering with dementia, Alzheimer's or other illnesses that affect the memory, to sing and take part in activities reminiscent of their youth and other memorable times. An extremely popular and well-loved group, Musical Memories are highly acclaimed and recognised for their valuable work.

Would also highlight Tuesday SPARC Café, run by well-trained volunteers, many with lived-experience, and supported by Glasgow North East Recovery Services, offer clients in recovery (and their families) access to many supportive activities to aid them in their recovery journey. This is supported by of professional therapists and counselling in a warm and encouraging atmosphere with no judgement given, Known as a safe space, the café attracts many people in various stages of recovery and offers.

We continue to be an available venue for school assemblies for Elmvale Primary School, for youth groups such as the Brownies, Guides and The Boys Brigade which has run continuously which has run for approximately 40 years. We hold an open-door policy for our local schools and utilise any opportunity we can to build new, supportive relationships with the children and families in our community.

Finally, the church continues to support the mini Artists classes which is very popular with members regularly attending.

In summary

Springburn Parish Church will continue to work closely with our colleagues during these challenging times and while the groups both community and church based have continued to return it is apparent that there will be a time lapse before full activities are resumed.

Work will continue within the church to welcome back and support our congregation through a time of difficulty and loss. We have new plans such as messy church, a parent/toddler group, ESOL classes. Work has already started on family support activities. Much is planned for 2023.

FINANCIAL REVIEW

Reserves policy

It is the policy of the Charity to maintain sufficient funds to support the charity's current activities. Total charity funds of £45154 as at 31 December 2022 (£73820 – 2021) represents accumulated funds arising from past operating results and the Trustees are satisfied that the level held is sufficient to meet all anticipated liabilities. The substantial reduction during the year results from sale of Investor trust units to clear external debt

The financial statements show the overall position of the Church as at 31 December 2021 and its income and expenditure for the year ended that date.

The church saw total income of £91,472 which was in line £91008) in 2021. Total expenditure increased to £108519 from £106333 in 2021. However, unlike the previous 2 years this was attributable solely to everyday items with the impact of foodbank being minimal

Following a sale of investor units to reduce outstanding obligations to the denomination the impact of market condition resulted in an investment deficit of £11621 compared to a profit of £3487 was in the previous year

Accordingly, the increase in the ordinary deficit for 2022 was restricted to £11259 (accumulated £14846 2021) which continues to be in the right direction

This improvement combined with a sale of Investors trust units resulted in the creditors position (£56k) being eradicated While the illiquid position remains a concern, the removal of external debt is progress

INVESTMENTS

Investments have been placed with the three funds of the Church of Scotland Investors Trust. The performance of the funds during 2021 against the benchmarks agreed with the fund managers was:

- **Deposit Fund** (a cash fund for short-term investment) - the average interest paid on deposits was 0.54% compared with average UK Base Rate of 0.23%.
- **Income Fund** (a predominantly fixed interest-based fund) – the total return was 6.9% against a benchmark of 7.20%.
- **Growth Fund** (a predominantly equity-based fund) – the total return was -0.61% against a benchmark of 3.06%

Risk management

The Trustees have examined the major risks which the church faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks. During 2020 the difficulty in calling meetings meant that the trustees were unable to address fully the risks which emerged during Covid-19 or to receive regular reports.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Church was administered in accordance with the terms of the Model Constitution of the Church of Scotland until it changed to the unitary constitution during the year

Recruitment and appointment of new trustees.

Members of the Kirk Session are the charity trustees. The Kirk Session members are the elders of the church and are chosen from those members who are considered to have the appropriate gifts and skills. The Minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery.

Organisational structure

The Kirk Session is chaired by the Minister and meets ten times per year. Certain responsibilities are delegated to the Finance Committee and the Property Committee as appropriate. The Kirk Session, , is responsible for spiritual and temporal affairs within the Church.

Key management remuneration

The trustees consider all members of the Kirk Session as comprising the key management personnel in charge of directing and controlling the charity on a day-to-day basis. Some trustees give their time freely while others are remunerated. Details of trustee remuneration and expenses are as disclosed within the notes to the financial statements.

Accounting Policies

The principal accounting policies, which have been applied consistently in the current and preceding year in dealing with items which are considered material to the accounts, are set out below.

Basis of preparation

The accounts have been prepared under the historical cost convention, modified to reflect the inclusion of investments and the manse at market value, and in accordance with applicable accounting standards, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The Charity meets the definition of a public benefit entity under FRS 102.

Fund accounting

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income there from is used for the purpose defined in accordance with the objects of the charity.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the charity's objects. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. The designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

Income recognition

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally on notification of interest paid or payable by the bank. Dividends on investments are recognised once the dividend has been declared and notification has been received of the dividend due.

On receipt, donated professional services and donated facilities are recognised as income on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised as expenditure in the period of receipt.

In accordance with the Charities SORP (FRS102) the general volunteer time of congregation members is not recognised.

Springburn Church of Scotland

Year ended 31 December 2023

Accounting Policies

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

The Charity is not registered for VAT and expenditure therefore includes irrecoverable input VAT.

Fixed Assets

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the Church and halls, vested in the Church of Scotland General Trustees. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the Statement of Financial Activities in the period in which the liability arises.

The manse which is vested in Local Trustees is included at market value as estimated by the Trustees.

All other fixed assets costing in excess of £500 having a value to the charity greater than one year, other than those acquired for specific purposes, are capitalised.

Depreciation is provided on a straight-line basis to write off the cost or initial value, less residual value, of tangible fixed assets over their estimated useful lives.

Plant and Machinery - 25% on cost and 10% on cost

Investments

Fixed asset investments are stated at market value at the balance sheet date. Unrealised gains and losses represent the difference between the market value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and market value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the market value at the start of the year or cost if purchased in the year.

Taxation

Springburn Parish Church is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities.

All Church of Scotland congregations contribute to the National Stipend Fund which bears the costs of all ministers' stipends and employer's contributions for national insurance, pension and housing and loan fund. Stipends are paid in accordance with the national stipend scale, which is related to years of service. For the year under review, the minimum stipend was £28,700 and the maximum stipend (in the fifth and subsequent years) was £35,269.

8 Trustee Remuneration and Related Party Transactions

During the year one trustee (the minister) received reimbursement of expenses incurred in respect of Council Tax and travel and other expenses totalling £5243 (2020 £6084)

No trustee or person related to a trustee had any personal interest in any contract or transaction entered into by the charity during the year.

During the year a total of £6050 was donated to the congregation by trustees.

9 Volunteers

In common with all congregations of the Church of Scotland the congregation benefits from the contribution made by volunteers who give their time and talents willingly for the benefit of the Church. The areas of congregational life which rely on the contribution of volunteers are many and varied and much of the activity would be unable to continue were it not for the commitment shown.

Independent Examiner's Report to the Trustees of Springburn Parish Church

I report on the accounts of the charity for the year ended 31 December 2023, which are set out on pages 6 to 17.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with these records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention (other than disclosed below)

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended); and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations (as amended) have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
