Future Developments

The Club will continue to organise activities, which meet the objectives of the Club. We will continue to promote the Young Farmers Association in the local community through charity work and volunteering. We hope to improve upon our range of activities to encourage members from non – farming backgrounds to take part. We will try and avoid our meetings clashing with other events throughout the Young Farmers diary and finally the committee will work to encourage members, young and old, to attend meetings and take part in a range of competitions.

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

I report on the accounts of Crossroads Young Farmers Clubs for the year end 28th February 2025 as detailed above.

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

The charity's trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply.

It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 and included a review of the accounting records kept by the charity and a comparison of the accounts presented with these records. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

In the course of my examination, no matter has come to my attention which gives me reasonable cause to believe that, in any material respect, the trustees have not met the requirements to ensure that proper accounting records are kept, and accounts are prepared which agree to those records, and comply with the accounting requirements of the Regulations.

Signed:
