Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of health', 'the advancement of citizenship or community development', 'the advancement of human rights, conflict resolution or reconciliation', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: We aim to be the leading source of information on short breaks in Scotland. In Scotland it is estimated there are between 700,000 and 800,000 people of all ages who provide unpaid care for a family member, partner, friend, or neighbour who needs assistance due to a physical or mental illness, disability, age or addiction-related health problems. Access to breaks from caring provides a much-needed release from the physical and emotional demands of the caring situation and can help carers achieve better balance in their lives by looking after their own health and wellbeing.

Beneficiaries: 'People with disabilities or health problems', 'People with a particular ethnic or racial origin'

Objectives: The objects of the Company shall be the advancement of health and to provide relief to those in need by reason of age, ill-health, disability, or other disadvantage, and the carers who support them, by promoting improvements in the quality, choice and availability of short breaks (respite care) throughout Scotland.
