Activities

Activities: 'It carries out activities or services itself'

Purposes: 'any other purpose that may reasonably be regarded as analogous to any of the preceding purposes'

What the charity does: We run weekly morning sessions to promote the well being of both children and parents/carers through providing a variety of activities in a safe and welcoming environment. Children are encouraged to play independently or with friends, try new things and enjoy the freedom to explore our resources. Parents and carers must stay, however there is tea and coffee provided along with sweet treats. Children are encouraged to enjoy snack time together and socialise, whilst tasting healthy and nutritious food. We want to build a supportive community and to provide a place where parents and carers can form relationships with others and chat about their children in a gentle and secure place.

Beneficiaries: 'Children or young people'

Objectives: The aim of the Playgroup is to promote the aim of the Scottish Pre-School Playgroups Association, which is to advance the education of pre-school children, so that they may take a constructive place in the community, and also the education of their parents.
