The Church of Scotland

St George's Church, Dumfries

Trustees' Annual Report

Year ended 31 December 2024

The Trustees present their annual report and financial statements of the charity for the year ended 31 December 2024. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the General Assembly Regulations for Congregational Finance, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

Objectives and Activities

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

Achievements and Performance

I am pleased to report that the past twelve months have been very positive in all sorts of ways. Over one hundred and twenty people worship regularly on a Sunday morning which has been a marked increase primarily due to welcoming members from St Mary's-Greyfriars congregation. In addition, numbers viewing the live streaming facility continue to increase with an average of over one - hundred each week.

The various organisations continue to play a vital part in the work of St George's. One notable feature has been the introduction of a singing group who lead the congregation learning new praise items. The planning group, comprising of representatives from the organisations, continues to operate a programme of church events.

Thank you to everyone who has given up their time in so many ways to allow worship to continue.

Our church hall has seen an increase in outside lets but continues to be available for Blood Transfusion Services monthly. The hall is also the weekly venue for our meals project. We continue to offer support to the many Ukrainian families who attend English classes every Friday.

Our congregation has once again risen to the challenge of helping families caught up in the cost-of-living crisis. We have established a connection with the Apex charity which runs a Dumfriesshire food bank, based in Dumfries. Every Sunday morning non-perishable food and other household necessities are donated and forwarded to the food bank.

Our annual fundraising events such as Coffee morning and Christmas Fayre were held and continued to be very popular.

Session:

The Kirk Session together with the Safeguarding Co-coordinator continues to work towards complying with all requirements of Safeguarding regulations.

Communication:

The communication team continues to be proactive. The St George's website together with the Facebook page have been a very popular method in providing Church updates.

Membership:

On the 31st December 2024, there were 414 members on the roll.

Services:

- Normal Sunday service at 11am
- Live streaming services every Sunday reaching on average 70 views
- Christmas Day family service
- Christmas Eve service by candlelight
- Full Communion was celebrated on two occasions, in April and November in church and online.
Noon Communions continue on an ad-hoc basis.

Charitable Donations:

The congregation remains committed to supporting two charities. There were donations of £874 made during 2024 split between Tear Fund and CRY.

- **CRY** – Cardiac Risk in the Young - supports young people diagnosed with potentially life-threatening cardiac conditions and offers bereavement support to families affected by YSCD.

CRY promotes and develops heart screening programmes and funds medical research. CRY publishes and distributes medical information written by leading cardiologists for the general public.

Cardiac screening in Dumfries and Galloway has been funded by The David Hill Memorial Fund.

- **Tearfund** is an international Christian relief and development agency based in the UK. It currently works in around fifty countries, with a primary focus on supporting those in poverty and providing disaster relief for disadvantaged communities.

The Mission of Tearfund is "*to follow Jesus where the need is greatest, responding to crises and partnering with local churches and organisations to help people lift themselves out of poverty.*"

Financial Review 2024

2024 has seen a much higher income than last year due to the Legacies of £460,000 received.

Offerings from the weekly freewill offering envelopes, open plate and standing orders were up on last year.

We have over 100 members giving by Standing Order and the great majority are gift aided along with many of our freewill offering contributors. Despite the cost-of-living crisis it was good to see a continued increase from the previous year.

Monies raised from the use of premises has also increased significantly, albeit utility bills have increased due to more activities. The main source of income is received from the Blood Transfusion Service. The flat adjacent to the church continues to be let and continues to be a good source of income.

Fundraising income has also increased mainly from the Coffee Morning in April and the Christmas Fayre in November.

We continue to keep tight control over general expenditure, the outlays have been kept to an absolute minimum. Although utility bills have increased this has been counteracted by an increase in hall lets. The general fabric of our premises remains in excellent condition, which has seen a reduction in fabric costs from last year.

Thank you to everyone for their continued financial support.

Reserves Policy

The charity Trustees have considered the reserves required and have taken into account their current and future liabilities. I am pleased to say that we continue to hold reserves of approximately four months' expenditure including designated funds.

Structure Governance and Management

Governing Document

The Church is administered in accordance with the terms of the Deed of Constitution.

Recruitment and Appointment of Trustees

Members of the Kirk Session and Deacons' Court are the charity trustees. The Kirk Session members are the elders of the church and are chosen from those members of the church who are considered to have the appropriate gifts and skills. The minister, who is a member of the Kirk Session, is elected by the congregation and inducted by the Presbytery. The Deacons' Court is appointed from within the congregation and members of the congregation are invited to nominate individuals who are believed to have the skills and commitment to contribute to the management affairs of the church to become members of the Court. Court members are then appointed at the Stated Annual Meeting and serve for a period of three years after which they must seek re-election at the next Stated Annual Meeting.

Organisational Structure

The Deacons' Court is chaired by the minister and routinely meets four times in a year. Certain responsibilities are delegated to the Finance Committee and the Property Committee as appropriate. The Kirk Session, which normally meets six times a year, is responsible for spiritual affairs within the church. Extra meetings of either the Deacons' Court or Kirk Session can be called if necessary.

Trustees Responsibilities in Relation to the Financial Statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires charity trustees to prepare financial statements for each financial year which show a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently
- observe the method and principles in the applicable Charities SORP
- make judgments and estimates that are reasonable and prudent
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements
- prepare financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enabling them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information on the congregation's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the Trustees and signed on their behalf.

Session Clerk

Date: 24/03/2025

St George's Church, Dumfries

Independent auditor's report to the trustees of St George's Church, Dumfries

Opinion

We have audited the financial statements of St George's Church ('the charity') for the year ended 31st December 2024 which comprise the statement of financial activities, the balance sheet and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31st December 2024 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (applicable to smaller entities); and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, including the trustees' report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material

misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities Accounts (Scotland) Regulations 2006 require us to report to you if, in our opinion:

- the information given in the trustees' report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement [set out on page 6], the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44 (1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Review of the financial statements disclosures and testing to supporting documentation to assess compliance with provision of relevant laws and regulations described as having a direct effect on the financial statements.

- Enquiring of management concerning actual and potential litigation and claims.
- Performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud.
- Detailed and re-performance testing of specific controls and calculations.
- Reading minutes of meetings of those charged with governance.
- In addressing the risk of management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgments made in making accounting estimates are indicative of a potential bias.
- The audit team remained alert to any indication of fraud or non-compliance with laws and regulations throughout the audit.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities.

This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Accounting Policies

The principal accounting policies, which have been applied consistently in the current and preceding year in dealing with items which are considered material to the accounts, are set out below.

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 and the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS102) the Charities and Trustee Investment (Scotland) Act 2005 and the Charities accounts (Scotland) Regulations 2006(as amended).

Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

Incoming resources

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met it is probable that the income will be received and the amount can be measured reliably.

Donated services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102) the general volunteer time of congregation members is not recognised. On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised as expenditure in the period of receipt

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank

Tangible fixed assets

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the Church, halls and manse, vested in the Congregation of St Georges Church Dumfries. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the statement of financial activities in the period in which the liability arises. As it is difficult to put a realistic value on both the church and hall these buildings are excluded from the tangible fixed assets

All tangible fixed assets costing in excess of £1,000 having a value to the charity greater than one year, other than those acquired for specific purposes, are capitalised. Depreciation is provided on a straight-line basis to write off the cost or initial value, less residual value, of tangible fixed assets over their estimated useful lives:

Fixtures, fittings and office equipment	5 years
Buildings	50 years
Improvements to Hall	25 years

Investments

Fixed asset investments are stated at market value at the balance sheet date. Unrealised gains and losses represent the difference between the market value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and market value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the market value at the start of the year or cost if purchased in the year.

Taxation

St Georges Church Dumfries is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. The charity is not registered for VAT and resources expended therefore include irrecoverable input VAT.

Support cost have not been separately identified as the trustees consider there is only one charitable activity. Therefore support cost relate wholly to that activity and have not been separately identified.

St George's Church, Dumfries Church of Scotland
Notes forming part of the financial statements
for the year ended 31 December 2024

	2024	2023
6 Staff costs and numbers		
Salaries and wages costs	15,784	13,395
Social security costs & Pension Contributions		
Total	<u>15,784</u>	<u>13,395</u>

The average number of employees during the year, calculated on the basis of a head count, was as follows:

Music staff	1	1
Premises maintenance	2	2
	<u>3</u>	<u>3</u>

No employee had employee benefits in excess of £60,000. (2023 nil.)

All Church of Scotland congregations contribute to the National Stipend Fund which bears the costs of all ministers' stipends and employer's contributions for national insurance, pension and housing and loan fund. Ministers' stipends are paid in accordance with the national stipend scale, which is related to years of service. For the year under review the minimum stipend was £31642, and the maximum stipend (in the fifth and subsequent years) £38884

7 Trustee Remuneration and Related Party Transactions

During the year nine (9) trustees received reimbursement of expenses incurred totalling £1603

No trustee or a person related to a trustee had any personal interest in any contract or transaction entered into by the charity during the year.

During the year a total of £33000 was donated to the congregation by the trustees.

13 Volunteers

In common with all congregations of the Church of Scotland the congregation benefits from the contribution made by volunteers who give their time and talents willingly for the benefit of the Church. The areas of congregational life which rely on the contribution of volunteers are many and varied and much of the activity would be unable to continue were it not for the commitment shown
