The trustees present their report with the financial statements of the charity for the year ended 30 April 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Our purpose is as recorded in our Constitution - to promote the aims of Early Years Scotland:

- Helping families to engage with learning;
- Assisting families in creating a supportive home environment;
- Support effective parenting approaches where required;

And, that children are loved, nurtured and ambitious, are given a fair start to their education and helping them grow to realise their potential and ambitions.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Our 2024 to 2025 school year was one of shared learning, enjoying fun and working together to provide our children with the best possible level of care and early education. In the main, our preschool sessions were at capacity and our Two's Group thriving at capacity with a waiting list for the year ahead.

The continued popularity of our Preschool and Two's Group, and our sustained success, is evidently down to the solid commitment and hard work of our amazing team of staff. They create an encouraging and safe environment for our children to learn in, ensuring that their individual needs are met daily while giving the opportunity to investigate their surroundings not only in the preschool but also in the local environment, with trips to local coffee shops and to the park for example which allows the children to develop themselves independently while also working with their peers.

The staff team continue to make use of EvidenceMe to update parents and carers on each individual child's learning and achievements - this gives a clear picture of the strengths of the child and provides examples and ideas on how to progress and focus on particular areas of development at home. EvidenceMe also gives parents the opportunity to comment on activities their child has been engaged in, and also allows parents to upload pictures or information from activities their child enjoys out of preschool. This gives a great opportunity for directed conversation between the staff and the child and also a safe place for discussion between parents and staff. Use of our Facebook page also allows the staff to give a weekly roundup of what the children have been involved in in the setting over the course of the week.

The committee ensures the financial viability of the preschool, which in turn maintains the excellent service the staff provide. Our 2024 to 2025 session saw us fall short of our annual fundraising target, however have still raised a good amount - £1,500 - through events such as Cauliflower Cards, Paperdoll Photography Sessions, our extremely popular Christmas Fayre and Raffle and Christmas Hamper. Unfortunately, plans for a Boogie Bingo night were not supported by parents or the local community and as such the event has been postponed. It is important for our parents and carers to understand the need for fundraising over the course of the year to ensure that we can continue to provide essential learning resources for the children.

The committee will continue to brainstorm new fundraising ideas, and we are welcome to any new ideas from our parent body which we haven't previously explored. Our fundraising calendar for the 2025/26 year will be established at our AGM - this allows us to keep families informed with plenty of notice which in turn enables them to continue to support us and get involved.

We are looking forward to our Sports Day and also Graduation for our children who are heading to school after the summer, and we are also looking forward to our end of year trip to Wynford Farm.

All in all we have had another successful year, our thanks go to those who support the committee by attending meetings and to all who support our fundraising events. Of course, our setting would not run the way it does without the commitment of our staff team who we are thankful for every day.
