Activities

Activities: 'It makes grants, donations, loans, gifts or pensions to individuals', 'It makes grants, donations or gifts to organisations', 'It carries out activities or services itself'

Purposes: 'the advancement of religion'

What the charity does: Our prime object is to meet together every week for the Breaking of Bread. Our second object is to hold meetings for the proclamation of the gospel, to study the Bible, the instruction of youth and any other purpose appropriate to a Christadelphian ecclesia. In order to achieve this, we hold regular meetings in our hall and online (which anyone can attend) as well as maintaining a blog and using our hall window for preaching purposes. Our financial collections support the maintenance of these facilities as well as providing contributions to a variety of Christadelphian charities. We also support the local community via CPR training and food banks.

Beneficiaries: 'Other defined groups'

Objectives: Our prime object is to meet together every week for the Breaking of Bread. Our second object is to hold meetings for the proclamation of the gospel, to study the Bible, the instruction of youth and any other purpose appropriate to a Christadelphian ecclesia. Our other objects are to engage in any other activities intended to further the spreading of the true gospel, or assist those who believe it, or to extend Christian love to anyone: to this end we may (for example) build our own property, collect, hold and disburse both money and goods, publish literature and provide some support for the local community.
