TROON OLD PARISH CHURCH

Structure Government and Management - Governing Document

The Church and Parish Quoad Sacra of Troon Old was administered in accordance with the Deed of Constitution dated 20 September 1933 until 6 September 2010.

As of the 6 September 2010 the Church and Parish Quoad Omnia of Troon Old was administered in accordance with the Deed of Constitution as agreed by the General Assembly of the Church of Scotland. This being a unitary constitution.

Recruitment and Appointment of Trustees

Members of the Kirk Session are the charity trustees. The Kirk Session members are elders of the church and are chosen from those members of the church who are considered to have the appropriate gifts and skills. The minister, who is a member of the Kirk Session is elected by the congregation and inducted by Presbytery of Ayr.

Organisational Structure

The Kirk Session is chaired by the Minister and meets four times in the year. Certain responsibilities were delegated to the Finance committee and the Fabric committee as appropriate. The Kirk Session which meets four times a year is now responsible for spiritual affairs within the church as well as those previously captured by the Congregational board.

Objectives and Activities

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

Activities include Sunday Service of Worship, community worship services, Sunday School including creche, mother & toddler group and local school ministry. Communion services are held four times per year plus a family communion.

Achievements and Performance

This year has been an extremely difficult and challenging year with Troon Old going into vacancy followed very quickly by the news that Troon Old sanctuary is to close and be disposed of by September 25. We have met and are still meeting the fallout from these two major events in a positive manner but it would be foolish not to recognise the impact.

Church life has returned to a stable level of normality with our joining with our sister congregation of Troon Portland as one family for worship. This has been a very positive experience and is setting the way forward for being one united church in our community of Troon.

Normality of church life has meant that Sunday Schools, fund raising such as Saturday Cafe, dance schools, youth groups, Foodbank and third sector groups can now use our facilities without any restrictions. In particular our outreach through the provision of our facilities for all age groups has grown above that which was in place pre COVID. With the provision of our facilities, we are touching lives on a daily basis where real support is required dealing with poverty, alcohol and substance abuse.

A number of key activities regarding the fabric of the buildings have taken place such as replacement of the hall boiler and the persistent issue of water ingress. There has also been the need to address stonework issues with the James Wood memorial window being addressed to ensure we meet our Health & Safety obligations.

This has been a challenging year but we continue to meet the needs of our community, building back up our congregational support against a level of uncertainty.

Financial Review

There has been a decrease in income from £172,281 in 2021 to £118,869 in 2022. 2022 saw a decrease of £9,198 in offerings. Hall rental income has increased again this year from £6,815 to £10,920. We received a £9k refund on our Ministry & Mission contributions. Expenditure for 2022 is down from £170,402 in 2021 to £154,436. Significant expenditure was incurred by boiler repairs and replacement. Other major expenditure incurred in 2022 included AV equipment. The 2022 Budget predicted a £32k deficit. During the course of the year, the unrestricted General Fund showed an operational deficit of £36k. As of 31st December 2022 total funds were £362,878 compared to £399,898.

TROON OLD PARISH CHURCH

Risk Management

Given the age of the buildings, the maintenance of these requires careful and constant attention. The current focus is the Church Steeple, main Sanctuary and meeting statutory regulations such as Health and Safety. A Fabric Convenor and team has been appointed who has the professional qualifications and experience to ensure Troon Old meets its obligations.

Additional sources of funding have been identified to maintain the fabric of Troon Old and the congregation continues to raise funds towards this and in particular the Church Steeple.

Reserves Policy

The trustees policy is to work towards a position where the costs of fabric expenditure can be provided for through giving to restricted funds set up for the purpose to relieve the mainstream giving of the need to provide for this item. The Trustees are of the belief that the church does not have a finite life and will go on from generation to generation.

Consequently the reserves policy is to create a large reserve from any surplus on General Account or if any windfall receipts are received then these or part of these can be used to augment the last reserve. The trustees consider it prudent to hold reserves (including designated funds) to cover the normal expenditure for approximately three months.

Statement of Trustees Responsibilities

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

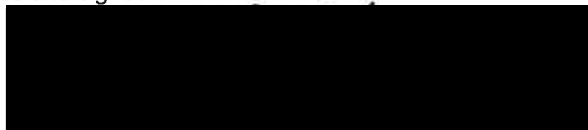

The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustees Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended), and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

TROON OLD PARISH CHURCH

Independent Examiner's Report to the Trustees of Troon Old Parish Church for the year ended 31 December 2022

I report on the financial statements of the charity for the year ended 31 December 2022 which are set out on pages 6 to 15.

Respective Responsibilities of the Trustees and Independent Examiner

The Trustees are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of the Independent Examiner's Statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the financial statements.

Independent Examiner's Statement

In the course of my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended), and
 - to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations (as amended) have not been met, or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

Accounting Policies

The principal accounting policies, which have been applied consistently in the current and preceding year in dealing with items which are considered material to the accounts, are set out below.

Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts.

Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows:

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income therefore is used for the purpose defined in accordance with the objects of the charity.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

Income

All donations and gifts are included within incoming resources under either unrestricted or restricted funds according to the terms under which the donation is made and when the amount can be quantified with reasonable certainty. Donations and gifts in kind are brought into the accounts at their market value to the charity.

Expenditure

Expenditure is recognised on an accruals basis as the liability is incurred.

Accounting Policies (cont)

Tangible fixed assets

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the Church, and halls and manse, vested in the Church of Scotland General Trustees. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the statement of financial activities in the period in which the liability arises.

All tangible fixed assets costing £2,000 or more and having a value to the charity greater than one year, other than those acquired for specific purposes, are capitalised. Depreciation is provided on a reducing balance basis to write off the cost or initial value, less residual value, of tangible fixed assets over their estimated useful lives:

| | |
|---|---------|
| Fixtures, fittings and office equipment | 5 years |
|---|---------|

Investments

Fixed assets investments are stated at market value at the balance sheet date. Unrealised gains and losses represent the difference between the market value at the beginning and end of the financial year or, if purchased in the year the difference between the cost and the market value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the market value at the start of the year or cost if purchased in the year.

Taxation

Troon Old Parish Church is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. The charity is not registered for VAT and resources expended therefore include irrecoverable input VAT.

13 Volunteers

In common with all congregations of the Church of Scotland the congregation benefits from the contribution made by volunteers who give their time and talents willingly for the benefit of the Church. The areas of congregational life which rely on the contribution of volunteers are many and varied and much of the activity would be unable to continue were it not for the commitment shown.
