Structure. Governance and Management

Governing Document

The Church is administered in accordance with the terms of the Unitary model of Constitution of the Church of Scotland.

Recruitment and Appointment of Trustees

The members of the Kirk Session are the charity trustees. The Kirk Session members are the elders of the Church and are chosen from those members of the Church who are considered to have the appropriate gifts and skills.

The minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery.

The Kirk Session may delegate any aspect of its work to committees except those which it is recommended be reserved for the Kirk Session alone. Committees may be appointed from members of the Kirk Session, and others, either from the congregation or outwith it as provided for in the Deed of Constitution. This gives an opportunity to involve people with special skills but also to spread involvement in the process of Church Governance.

Any committees appointed may be given decision making powers as described in the Deed of Constitution-The Act anent Care of Ecclesiastical Properties (Act IX 1979, as amended) requires that a Fabric Committee be appointed, but otherwise the number and composition of such committees is for the Kirk Session itself to determine. Committees might include "welcome, evangelism, outreach, community, education, communication, development, nurture, youth, membership, eldership, fellowship, hospitality, social, world, and fundraising" (Assembly Council report 2003). Pastoral and Finance Committees might also be considered.

Financial Security Document

The Kirk Session endorsed and adopted a Financial Security Document which set the instructions of the Kirk Session concerning the Prevention of Fraud. This Policy Document is dated 4th March 2023 and is reviewed annually or whenever circumstance demand it

Organisational Structure

The Unitary Board is chaired by the minister and meets 4 times a year additional meetings held when necessary. Certain responsibilities are delegated to Finance Committee and Property Committee as appropriated. The Kirk Session is responsible for spiritual affairs within the church. The sacrament of Communion is celebrated three times a year. normally on the second Sunday in March and June. and the third Sunday in November.

Objectives and Activities

The Church of Scotland is Trinitarian in doctrine. Reformed in tradition and Presbyterian in polity- It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world- As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

An extra event attracted 48 people to a Strawberry tea in July.

Other Activities

The YCSW organised a Village Pumpkin Trail which was enjoyed by families from the Community. Grants: We have been fortunate to have received grants from Penh & Kinross to run the following sessions 2 x Cooking Skill Courses for children and teenagers during the school holidays. Only one session was run due to lack of interest from older children.

TN\$tees' Annual Repon Year endec 31 December 2024 Financial Review

The Church General Fund, which records unrestricted income and expenditure, ended the year with a balance of Z 16,825 a decrease of (256). In 2024 we contributed 27,564 to Giving to Grow. (in 2023 we made no contributions to Vacancy Allowance). Members Offerings which are the comerstone of congregational income was down only by (242). This was encouraging after a decrease in recent years. Fundraising events Book Stall, Anagrams, Charity Shop & St. Andrews Night raised E2665 an increase of E330 from 2023.

In addition to the General Fund (which, in the terminology of charity accounting, is an unrestricted fund), the Church has three designated funds and two restricted funds

The Reserve Fund is a designated fund and is available to meet any type of congregational expenditure. At 31 December 2024 the balance of the Reserve Fund was 240,858.

The Had/ Fund is a further designated fund. This fund is for renovations, additions or replacement of Congregational Halls. At 31 December 2024 the balance of this fund was E1 , 762.

The final designated fund is the Guild Fund, which has a balance of 2912 at 31 December 2024.

The Nancy Robertson Fabric Fund is a restricted fund and may only be used for fabric purposes. No funds were drawn in 2024. At 31 December 2024 the balance of this Fund was E 16,696.

The second Restricted Fund is the Grant Account mainly used for successful grant applications and match funding for Youth & Community Support Workers Salary. (Cafe funds are also held in this account. We have a Shepherds Hut, income from this is also placed in Grant account).

It was proposed initially in 2023 a further account be opened for those Cafe & Hut Designated Funds, this didn't happen in 2024 dueto uncertainty of our Church, however, it is the intention of the Kirk Session for those funds to be held in the Church General Account this to happen in 2025.

At 31 December 2024 the balance in the Grant account was E 18,418. The HUT holds a float of 240.00

In addition to funds held locally by our Treasurer, the Church of Scotland General Trustees in Edinburgh hold two funds on behalf of our congregation. These funds, which are detailed on page 11, were established from the assets of the former Cargill Church.

The first fund is a Consolidated Fabric Fund. The Consolidated Fabric Fund Capital increased from 239,232.73 to 2373,010.49 due to the sale of the Manse (833,777.76 after expenses).

Its accumulated Revenue balance at 31 December 2024 was 218,489. No funds from Revenue were transferred in 2024 to General Fund to meet Fabric Costs. This fund has increased from 24,339 due to sale of our manse generating higher receipts of Dividend & Interest.

The second fund held by the General Trustees is the Wolfhill Endowment Fund, the Trustees in Edinburgh have made a change to this account the Capital and Revenue are now held together.

At 31 December 2024 the balance was E 12,509. The Kirk Session agreed units be sold from the Capital to raise 23000.00 match funding for YCSW salary this was carried out in March 2024 for the salary year of 2023/2024.

The independently examined Accounts for 2024 are found on pages 7 to 11 of this Report

Reserves Policy

The Church has only one Reserve Fund. It is the policy of the Trustees to hold nine months' expenditure in reserve.

Statement of Trustees' Responsibilities

The members of the Kirk Session must prepare financial statements which give sufficient detail to enable an appreciation of the transactions of the Church during the financial year. The members of the Kirk Session are responsible for keeping proper accounting records which must reflect the financial position of the Church at that time. This must be done to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 and the Regulations Anent Congregational Finance approved by the General Assembly of the Church of Scotland in 2007. They are also responsible for safeguarding the assets of the Church and must take reasonable steps for the prevention and/or detection of fraud and other irregularities.

Approved by the Trustees and signed on their behalf,
