Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the saving of lives'

What the charity does: The saving of lives for the public benefit - predominantly within Glenelg, Arnisdale, and Glenshiel but also in areas beyond there, in order to provide support on request, by: • Providing a 'free to use' Search and Mountain Rescue Service. • Aiming to provide on call services 24 hours a day, 365 days a year. • Locating and evacuating injured and / or lost persons in upland environments and to provide appropriate casualty care.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: (a) to create and maintain a team of trained personnel to give voluntary aid to anyone suffering accident or missing in the area, providing that the call is received from the proper authorities. (b) to give assistance in other accident or search operations where the abilities of the team can assist, providing that the call is received from the proper authorities. (c) to acquire and maintain stocks of suitable equipment.

Geography

- **Main operating location:** Highland
- **Geographical spread:** A specific local point, community or neighbourhood

Contact Address

Piper's Knoll, Corran, Arnisdale, Kyle, IV40 8JH

Current Trustees

Jacob Butcher – Team Leader
Cameron McMurdoch – Deputy Team Leader
Ronnie MacDonald – Team Member
Johanne Crawford – Secretary
Anna MacKenzie – Treasurer

Recruitment and Appointment of Trustees

Trusteeship is attached to the only Office Bearers named in the Constitution, namely the Team Leader, Deputy Team Leader, Equipments Officer, Secretary and Treasurer. All are appointed or re-appointed by the Team members at the AGM.

Governing Document

The Association is a charitable unincorporated association whose purposes and administration arrangements are set out in our Constitution.

Charitable Purposes

The saving of lives for the public benefit – predominantly within Glenelg, Arnisdale, and Glenshiel but also in areas beyond there in order to provide support on request, by:

- Providing a 'free to use' Search and Mountain Rescue Service;
- Aiming to provide on call services 24 hours a day, 365 days a year;
- Locating and evacuating injured and / or lost persons in upland; environments and to provide appropriate casualty care.

In addition to this the Team may:

- Provide missing person searches in urban, suburban and lowland areas;
- Support NHS Ambulance Services with difficult casualty evacuations;
- Support government agencies / emergency services in severe weather;
- Support government agencies / emergency services where the Team's skills and equipment may be appropriate;
- Support government agencies / emergency services at major incidents;
- Provide swift water rescue;
- Provide animal rescue.

Activities and Achievements

The team has attended several callouts and has also been placed on standby for a further number of incidents.

The team will once again provide first aid cover for the Dirty Thirty Challenge, an annual event in which walkers and runners undertake a demanding 30-mile circuit around the local coastline and mountains.

Monthly training sessions continue, with new members attending to develop and learn the basic skills required for operational duties. We have also increased the number of qualified Remote Rescue Medical Technicians within the team to five. New members are not deployed to callouts until they have completed six months with the team, undertaken the required safety training, and been assessed as competent.

There have been changes to office bearer roles within the team. Uisdean Hawthorn has taken over the role of Equipment Officer from Ronnie MacDonald, while Lewis Warburton has assumed the role of Communications Officer from Barney MacAskill.

Additional training continues to be undertaken jointly with our neighbouring team, Kintail. Sharing knowledge and experience in this way is proving highly beneficial in informing operational responses and enhancing skills across both teams.

A formal offer of £40,000 has been submitted to the Free Church of Glenelg and Inverinate for the purchase of the former church building and land at the Ferry Road junction. A Planning in Principle application will be submitted to Highland Council, and a number of funding applications have also been lodged to help secure the necessary funding for the project. In the meantime, a modular office building has been purchased to serve as a temporary base.

Although progress has taken some time, there is now increasing optimism that the team is a significant step closer to securing a permanent base.

Training requirements and equipment needs continue to be kept under regular review by the relevant office bearers.

INDEPENDENT EXAMINERS REPORT

For the Year Ended 31st March 2026

Independent Examiners Report to the Trustees of the Glenelg Mountain Rescue Association (SCOTTISH CHARITY No SC007565)

I report to the financial statements of the charity for the year ended 31st March 2026 which are set out on pages 5 to 7

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 ("the 2005 Act") and the Charities Accounts (Scotland) Regulations 2006 (as amended ("the 2006 Regulations")). The charity's trustees consider that the audit requirement of Regulation 10(1)(d) of the 2006 Regulations does not apply. It is my responsibility to examine the accounts as required under section (44)(1)(c) of the 2005 Act and state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination is carried out in accordance with Regulation 11 of the 2006 Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:-

1. which gives me reasonable cause to believe that, in any material respect, the requirements:-
 - a. to keep accounting records in accordance with section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Regulations, and
 - b. to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Regulations have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Accounts

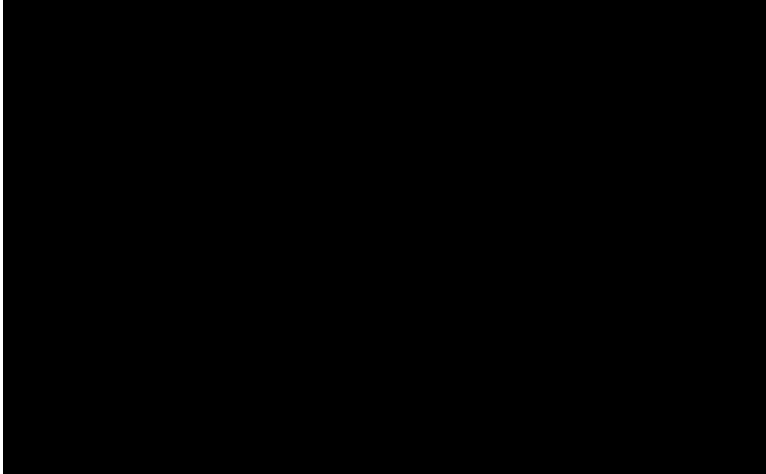

Glenelg Mountain Rescue

Scottish Charity Number: SCO07565

Established 19 July 1973

Trustees Annual Report and Accounts

for year ended 31 March 2025

Recruitment and Appointment of Trustees

Trusteeship is attached to the only Office Bearers named in the Constitution, namely the Team Leader, Deputy Team Leader, Equipments Officer, Secretary and Treasurer. All are appointed or re-appointed by the Team members at the AGM.

Governing Document

The Association is a charitable unincorporated association whose purposes and administration arrangements are set out in our Constitution.

Charitable Purposes

The saving of lives for the public benefit – predominantly within Glenelg, Arnisdale, Knoydart, Barisdale and Glenshiel but also in areas beyond there in order to provide support on request, by:

- Providing a ‘free to use’ Search and Mountain Rescue Service;
- Aiming to provide on call services 24 hours a day, 365 days a year;
- Locating and evacuating injured and / or lost persons in upland environments and to provide appropriate casualty care.

In addition to this the Team may:

- Provide missing person searches in urban, suburban and lowland areas;
- Support NHS Ambulance Services with difficult casualty evacuations;
- Support government agencies / emergency services in severe weather;
- Support government agencies / emergency services where the Team’s skills and equipment may be appropriate;
- Support government agencies / emergency services at major incidents;
- Provide swift water rescue;
- Provide animal rescue.

Activities and Achievements

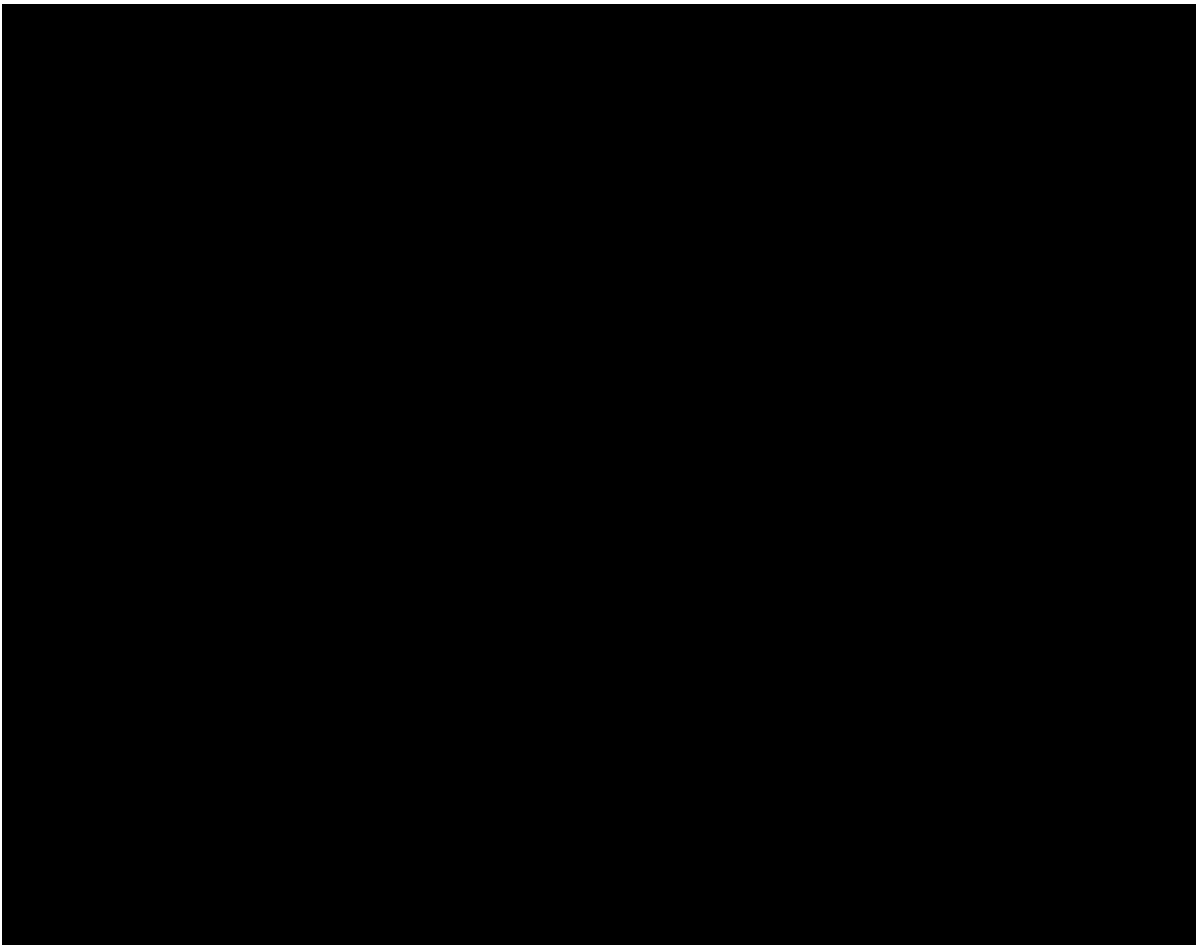

The team have attended several call-outs and have been on stand-by for another couple. The team has also provided first aid cover for the Dirty Thirty Challenge – an annual event that challenges walkers and runners to complete a 30 mile circuit around coast and mountains.

Monthly training continues with new members being able to attend and learn the basics. New members are not included in call outs until they have been on the team for six months and undergone safety aspects of training and are deemed competent. Additional training is undertaken in conjunction with neighbouring team, Kintail – sharing knowledge and experience is helping to inform responses and upskilling.

The ongoing search for a suitable piece of land to build a base on, is in the early stages of negotiations with a plot owned by a local man. A planning application will be submitted to Highland Council in May with construction hoped to be complete before the end of the year. Although this has taken some time to move forward, there is now more positivity that we are a step closer to obtaining a permanent base.

A constant review of training needs and equipment purchases are undertaken by the relevant office bearers.
