Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of religion'

What the charity does: Fully explained within the Report section of the attached document but in brief, we are a Christian church and our activities are centered around the worship of God on Sundays and with small groups during the week. We also work within the local community to support those in need with warm spaces during the winter months and with all the uniformed youth organisations who meet regularly within our hall. We also provide facilities for Kumon to hire our hall to offer additional learning, out of school hours, for primary school children. Our Friendship group and Guild meet regularly to provide social activities and a chance to meet with a meal and/or light refreshments and while most of these groups are church members, the sessions are open to all.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The advancement of religion.
