Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of health'

What the charity does: To improve Scotland's approach to drug-related issues. We influence this through our work by striving for compassionate, inclusive, evidence-informed policy and practice

Beneficiaries: 'People with disabilities or health problems','Other defined groups','No specific group, or for the benefit of the community'

Objectives: The objects for which the Company is established are:- the advancement of the education of persons working in the field of drug use and the public generally in difficulties arising from drug use and related or linked problems and issues. the support of all organisations offering a service aimed at the preservation and safeguarding of the health and well being of people who use drugs and related or linked problems and issues. the eliciting and representation of the opinions and experiences of members, services, people who use services and people who have experienced drug harms more widely. and the improvement of communication and understanding across the drugs field in Scotland and communication with colleagues internationally with the aim of improving Scotland's response to drug use and related harms.

Geography

- **Main operating location:** Glasgow City
