Objectives

Newcastleton Playgroup and Toddlers was set up around 20 years ago to improve the prospects of babies and young children in our small rural community. We were keen to counter some of the negatives of our location, such as isolation and reduced opportunities, and ensure we capitalised on the positives, such as the rich outdoor environment around us and the very strong community cohesion within our village.

The work centres around one main activity and some occasional activities.

Main Activity

A weekly parent/carer and toddler group.

Occasional Activities

Organised trips out with our village to places of interest

Events aimed at improving the quality of life for our young children in the village, e.g., parties, special classes.

Events to fundraise and keep our profile in the local community.

Structure, Governance, and Management

Our governing document is our constitution.

Achievements and Performance

We have organised seasonal events for children and parents within the local community. We have continued to run weekly sessions.
