What the charity does: Dundee and Angus WRASAC are a specialist agency providing free and confidential support services to survivors who have been raped, sexually abused, or sexually exploited at any time in their life. Over the last 40 years we have grown our service from a small team, working voluntarily in Dundee to a locally and nationally funded service. We work with women and children across Dundee and Angus offering a variety of services including 1:1 therapeutic support, group work, support to engage with and move through the criminal justice process, support for women who are at risk of or involved in commercial sexual exploitation. We run community engagement events, education and awareness-raising sessions for partners and other agencies, and deliver prevention work in local schools and colleges. We also are the lead partner for Dundee Women's Hub a multi-agency support hub for women who are experiencing or have experienced multiple disadvantage.
