Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of health'

What the charity does: The Royal College of Physicians of Edinburgh's mission is to promote and improve the science and practice of medicine. Through its current cohort of over 14,500 Fellows and Members worldwide, it meets this purpose by maintaining standards of training, assessment and professional development and helping physicians and other medical practitioners pursue and enrich their careers by influencing health policy and through its world-renowned education and training programme.

Beneficiaries: 'People with disabilities or health problems', 'No specific group, or for the benefit of the community'

Objectives: The Mission Statement of the College is: 'Promoting the highest standards of Internal Medicine around the world' This is achieved through the development of training and education, and professional standard setting. Towards these purposes, the College possesses a number of endowments and unendowed trust funds held for specific purposes in connection with the work of the College.
