APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

It was another great show this year, although the footfall was lower than the previous year, mainly due to the weather at the start of the day, so in turn as resulted in less income than 2023.

As it was last year, our expenses have been up again. The entertainment licence has changed which in turn caused a big increase in cost compared to previous years. Other expenses we have incurred this year, not all due to the running of the show, but are in fact due to the initial start of building another shed for the show.

Financial review

Brief statement of the charity's policy on reserves

As the previous year, we have made a loss again, but due to our reserves we have managed to maintain from the previous years as well as fundraising it has helped to keep our fund bouyent.

Details of any deficit

The main reason for a deficit this year, as stated above, was due to less footfall on the show day as well as the initial costs in applying to build a new shed for the Show.

Respective responsibilities of trustees and examiner	The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006 (as amended). The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.
