Trustees' Annual Report year ending 31 December 2024

Structure, Governance and Management.

Governance Document

The church is administered in accordance with the terms of the Deed of Constitution (Unitary Form)

Recruitment and Appointment of Trustees

- Members of the Kirk Session are the charity trustees.
- The Kirk Session are the elders of the church chosen from the members of the church.
- The minister is a member of the Kirk Session and is selected by the congregation and inducted by Presbytery.

Organisational Structure

The Kirk Session usually meets 6 times a year and is responsible for the spiritual affairs within the church. The Finance Committee and Property Committee are sub groups delegated with certain responsibilities from the Kirk Session and report back at session meetings.

The role of the Church

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It cooperates with other churches in various ecumenical bodies in Scotland and beyond.

Auchtergaven and Moneydie Parish Church is linked with our neighbouring Parish of Redgorton and Stanley with whom we share our Minister.

The Church building is the Bankfoot Church Centre and in normal circumstance is used 7 days a week by people of all ages in our community from children enjoying the soft play area to people making use of the cosy corner and the café. Adults and children participate in various clubs and societies.

We provide facilities open for everyone in our community:

- A place to worship
- A focus for village life
- A place where badged organisations and village clubs and societies can utilise.
- A meeting place and a place where people will reach across generations to help. Support and encourage one another.
- A café where people can meet each other.
- The Scottish Blood Transfusion Service have started using the Church Centre for local blood donations.
- A safe place for children to be.

Our regular Sunday worship service is at 11.15 am and incorporates festivals and special occasions within the Christian Calendar and also includes our uniformed organisations with Thinking Day for Guides, Brownies and Rainbows. The services are recorded on DVDs and distributed to local care homes and to those unable to make it to the service.

We normally hold 4 Communion services during the year including a joint one with the congregation of Redgorton and Stanley Parish. When we have Baptisms they are part of our regular Sunday worship service. Weddings and Funerals also take place within the Church Centre.

Presbytery Plan

Many discussions and deliberations continued throughout the year concerning the proposed Presbytery Plan and its sweeping repercussions. We are in a network with North Church, Letham St Marks, Riverside, Bertha Park and Auchtergaven and Moneydie. From 15th April 2024 the [REDACTED], our Interim Moderator was also appointed our Locum Minister. The Presbytery Plan offers us 0.25 FTE Locum Minister to serve us and our linked charge of Auchtergaven and Moneydie and a covenant agreement with Perth North Network.

Implementing the Five Marks of Mission.

Following on from The General assembly's endorsement in October 2020 of the Five Marks of Mission the congregation has been striving towards their implementation.

To proclaim the Good News of the Kingdom.

The interim moderator was able to take a good proportion of the services and was successful in arranging pulpit supply to cover every other Sunday. Following her retirement from full-time work for Church of Scotland in April 2024 our Interim Moderator also performs the role of locum. She leads worship each Sunday and we use pulpit supply when available. Attendances remain consistent around the 35 – 40 level, although showing a slight decrease compared to previous years. A newsletter has been distributed locally twice this year and put on the church's website.

Closer links have been engendered with our linked partners at Redgorton and Stanley. These have resulted in an increasing number of joint services which are seeing healthy attendance from both parishes. A joint Bible Study group has been created which meets on a fortnightly basis. The group studied the book of Ruth and completed Pete Greig's Prayer course.

Links have been made with the St. Columba's Church community in Stanley. And throughout the year under the heading "Celtic worship" have taken place monthly, this alternates between Luncarty Church Centre; Bankfoot Church Centre and St. Columba's Church in Stanley. Around 20 people attend this when able to.

To teach, baptise and nurture new believers.

No baptisms were conducted last year. Children were encouraged to attend services and appropriate addresses given by ministers. Good use of our audio-visual facilities was made of by visiting preachers. Our interim moderator is particularly adept at exploiting the technology to enhance her presentations. No new members were welcomed.

[REDACTED] offers daily thoughts on a weekly basis (usually going deeper into the themes explored during the Sunday worship); printed worship for anyone unable to attend church; and children's puzzle sheet. These are available on Fridays via email.

A prayer sheet is distributed monthly, encouraging daily prayer.

To respond to human need by loving service.

The 'cosy corner' created within our hall in 2023 to reach out to our local community and respond to the cost of living crisis was open to all to use on selected weekday mornings and has been increasingly well patronised, particularly in winter months. It provides a warm area where people can meet, socialise and get a hot drink. This has proved popular and is attended regularly by a cohort of local residents who do not normally attend formal church. In addition, support continues an external food pantry which is constantly available for the use of anyone who feels that they are in need. Visits are not monitored, but from the turnover of stock it is evident that it is meeting a local need.

In response to requests from parents/grandparents from within the community and in an endeavour to have closer ties with the local school a group of retired teachers and volunteers have established a safe place for children to be during in-service days. During our pilot programme in the second half of 2024 and 2025 academic year we have established contact with 6 families living within Bankfoot, Luncarty and Stanley areas and we have welcomed the children into the church building where they have enjoyed a day of sporting activities; art; games and play. A good time has been had, and the feedback has been positive.

Continuing our efforts to encourage greater participation from the younger members of the community, fruitful discussions have been had with Perth YMCA about supporting a youth initiative in the church centre. This is likely to involve a YMCA staff member being engaged in youth activities **after-school** for several afternoons a week. We are hopeful that such engagement will engender greater involvement on a longer-term basis.

A "Band Night" has been started. It meets monthly to bring together those musicians who can form the core of a Praise Band. This has had a promising start.

To seek to transform unjust structures of society, to challenge violence of every kind and pursue peace and reconciliation

The church took retiral collections on a regular basis to send donations to Christian Aid and Disaster Appeal to address international crises.

To strive to safeguard the integrity of creation and sustain and renew the life of the earth

Our building was built some 17 years ago to the highest environmental standards pertaining at that time. We are conscious, however, of increasing maintenance needs. Where possible these will be met by using the most environmentally-friendly solutions.

Achievements and Performance

Closer links have been made with Redgorton and Stanley Parish Church and in the last year there have been 4 joint services of worship in 2024. World day of prayer service in February (in Stanley); Service followed by BBQ in May 2024 (in Bankfoot), a joint communion service at the end of September (Luncarty) and joint Christmas Eve service in Bankfoot.

- The Guild meeting throughout the year
- The Badminton Club for young people and adults which is very popular
- Badged organisations including Rainbows, Brownies and Guides.
- A baby and toddler group using the Auchtergaven room on a bi-weekly basis.

Baptism, Weddings and Funerals.

12 funerals have been conducted.

The Church roll is 387 a reduction of 12 since last year.

Website

The website is a key communication tool mainly used by people who do not attend Sunday morning services but instead connect to the church in other ways, and as such is an important part of our ministry. We are aware, however, that we do not have the resources to maximise its use and exploit its potential.

Church Magazine

Our magazine 'Community Connect' is delivered to all residents in Bankfoot area and publication post-pandemic resumed this year. Our Interim Moderators used it as a means of keeping residents up to date with developments.

Café and Catering.

Our café re-opened following the pandemic closures, although we have only been able to resource it opening two days a week. Efforts have been made to extend opening, but these have yet to reach fruition. The café relies heavily on volunteers, and we would like to thank them for their continued support.

Property Group

The Church Centre building is maintained in a good state of repair and in addition seasonal work such as grass cutting, weeding and other maintenance continues. We remain in debt to [REDACTED] and his volunteers who help with these tasks.

Church Office

The office is open most days during the morning and from there hall lets and other bookings are managed. We are in debt to [REDACTED] for looking after the office and keeping our systems afloat throughout the year.

Finance

Our finance statement is appended to the rest of this report. We would like to thank [REDACTED] and her team for their diligence and skills in keeping our finances in order.

Financial Review

The congregation's principal source of income (around 36% in the current year) is through the giving of its members. Some of our income is given through Gift Aid (0.04% has been claimed but we have still to receive tax back on the rest of 2024's gift aid offerings).

Fund raising events generated the sum of £19,162 compared to £10,775 in 2023 (an increase from 2023).

Income from hall rental was £21,302 compared to £20057 in 2023 thus amounting to 26% of our income.

The income from our café amounted to 3% of our income, legacies 5% and investments and interest 3%.

We had Locum costs amounting to £5503 (£1716 was shared with Redgorton and Stanley to whom we refunded £858). We also had Pulpit costs totalling £2413,

(shared with Redgorton and Stanley who we refunded £1206 to).

Fabric and maintenance costs amounted to £983 (a decrease of 8% from 2023). Our

Electricity costs amounted to £23039 (a small decrease from 2023).

Reserves Policy

In 2025 we are reviewing all our accounts and our running costs. Currently, our reserves amount to 4/12 of our annual running costs.

Volunteers

The Church and Church Centre is only able to function with the support and commitment of volunteers and we would like to thank all those who helped during this year. We hope to appoint a centre manager in 2025 to create more links with the community and to have an oversight of all that happens within the church centre.

Statement of Trustees' Responsibilities

The members of the Kirk Session must prepare financial statements which give sufficient detail to enable an appreciation of the transactions of the Church during the financial year. The members of the Kirk Session are responsible for keeping proper accounting records which, on request, must reflect the financial position of the Church at that time. This must be done to ensure that the

financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 and the Regulations Anent Congregational Finance approved by the General Assembly of the Church of Scotland in 2007. They are also responsible for safeguarding the assets of the Church and must take reasonable steps for the prevention and/or detection of fraud and other irregularities.

Approved by the Trustees and signed on their behalf,

Session Clerk 24/8/2025.

Independent Examiner's Report to the Accounts For the Year Ended 31st Dec 2024

I report on the accounts of the above charity for the year ended 31st December 2024.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustees (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006(as amended). The charity trustees consider that the audit requirement of Regulation 10 (1)(d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act to state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:

to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and

to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
