Activities

Activities: 'It makes grants, donations or gifts to organisations', 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of the arts, heritage, culture or science', 'the advancement of environmental protection or improvement', 'the advancement of animal welfare'

What the charity does: We are set up to enable anyone of any age or ability to learn , and regularly play a brass instrument. Playing an instrument is beneficial for mental wellbeing. We also meet weekly to practise and this brings social benefits to all members. As a band we provide music to charities, events and the elderly free of charge. We see the benefits our playing has to patients with dementia, and the elderly in our local care home.

Beneficiaries: 'Children or young people', 'No specific group, or for the benefit of the community', 'Other charities or voluntary bodies'

Objectives: The objects of the band are the teaching of music, the training of musicians, the promotion of an interest in music generally and brass band music in particular.
