**Report of the Vestry
Year Ended 31 August 2025**

The members of the vestry present their annual report together with the financial statements for the year ended 31 August 2025.

The Life of Christ Church

Christ Church, Dalbeattie is a member of the Scottish Episcopal Church, and its Vestry members are Trustees of it, under charity law. The governance of the charge is set out in its Constitution.

The principal activities of the Church are the communication of the Gospel of Christ to its membership and the wider community where appropriate, as well as retaining a wider international perspective.

The Vestry depends on contributions from its members, both human and material. Such activities support worship and maintenance, along with pastoral and social activities of the Church.

The Reverend Christopher Ketley retired as our Rector in October 2025. The Church is currently in the process of searching to appoint a new Rector.

The Vestry and congregation look forward to strengthening and developing ecumenical relationships with other churches in the area, while continuing to strengthen and develop the spiritual life of the congregation and its involvement in worship and outreach.

Statement of Risk

The Vestry keeps under review the major risks to which the Church is exposed and has established procedures to mitigate any risks identified.

Volunteers

The Vestry is grateful for the time freely given by a large number of volunteers, without whom many of the activities would be unable to operate. No amounts have been included within these accounts for volunteers time.

Appointment of Vestry Members

Vestry members are elected or appointed by Annual General Meeting established by constitution and under Canon Law of the Scottish Episcopal Church. There is no formal induction programme but ongoing guidance is given to ensure that Vestry members are familiar with the Church's values, aims and responsibilities as the designated trustees of a charity

Financial Review

A surplus of expenditure over income of £4,333 has been made during this financial year, compared to a deficit of £2,298 last year. Investments in the Scottish Episcopal Church's Unit Trust Pool valued at £10,000 were sold in the year in order to pay £10,000 as a retirement settlement agreement to the retiring Rector. After taking account of this sale, the value of the Church's investments decreased during the year by £(383) (2024: value increased by £8,833), giving an overall increase in the Church's available funds to a total of £116,327 (2024: £112,377).

During the year substantial repairs have been made to the floor of the Church Hall. In total the amount paid for repairs to the Church Hall during the year totalled £5,444 (2024: £6,730).

The Rectory has continued to be let to the same tenant throughout the year. During the year repairs have been made to the roof and dormer window of the Rectory. In total an amount of £5,825 (2024: £1,209) has been paid towards repairs and maintenance of the Rectory.

The cost of utilities (gas and electricity) in the year was £1,470 (2024: £5,187). This reflects the reduction in tariff following the entering into of a new utilities contract during the year to 31 August 2024.

Reserves

The Vestry has adopted a policy of trying to maintain a level of unrestricted reserves such that, in the event of a significant drop in income, the Church would be able to maintain its current level of activities for a reasonable period until replacement funding is obtained.

Statement of the Vestry Member's Responsibilities

The members of the Vestry must prepare financial statements which give sufficient detail to enable an appreciation of the transactions of the Church during the financial year. The members of the Vestry are responsible for keeping proper accounting records which, on request, must reflect the current financial position of the Church at that time. This must be done to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the Church and must take reasonable steps for the prevention and/or detection of fraud and other irregularities.

Independent Examiner's Report**To The Trustees of Christ Church Episcopal Church
For The Year Ended 31 August 2025**

I report on the financial statements of the charity for the year ended 31 August 2025 which are set out on pages 5 to 10.

Respective responsibilities of Trustees and Examiner

The Church's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended) ("the 2006 Regulations"). The Church's Trustees consider that the audit requirement of Regulation 10(1)(d) of the 2006 Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the 2005 Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Regulations.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:-

1. which gives me reasonable cause to believe that, in any material respect, the requirement
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulation have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Accounts for the Year Ended 31 August 2025**1 Accounting Policies****Basis of Preparation**

The accounts have been prepared on a receipts and payments basis. They consist of a summary of monies received and paid via the bank and in cash by the church during the financial year, along with a statement of balances. No adjustments have been made for any income due but not received, nor for any expenses incurred but not yet paid at the year end. Except for investments, fixed assets are not capitalised.

Funds

The unrestricted general fund is to support the work of the church. At present there are no restricted funds. Income from the endowment fund can only be spent on the Rector's stipend.

Church Buildings

The church, hall and rectory are not shown in the statement of balances. The Vestry believes that it is not possible to place a market value on them. The valuation of the buildings for insurance purposes is £1.9m.

Special Collections

During the year, the church made a special collection for a local charity. These funds were banked and the total collected paid over to the respective charity. Because the church was simply collecting the money on behalf of individual donors and forwarding it to the nominated charity, the income and expenditure is not included in these accounts as part of the income and expenditure of the church. Further details are given in note 9.
