Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended'

What the charity does: We are a baby and toddler group catering for pre-school children. We provide a variety of toys, craft and messy play activities to aid the learning and development of the toddlers. We supply valuable friendship and support for the parents, grandparents and carers that bring children to the group.

Beneficiaries: 'Children or young people'

Objectives: Objects 2. The aim of the group is to advance the education and social development of pre-school children with the emphasis on the play experience, so that they take a constructive place in the community and also to provide support to the carers of such children. In furtherance of the above aims the group shall seek: (a) to provide safe and satisfying group play where the carers can participate in order to improve the physical and intellectual development of the children and strengthen the relationship between carer and child. (b) to encourage other charitable activities through which the parents may support the development of children.
