FINANCIAL REVIEW

Reserves policy

The Trust has considered the reserves required and has taken into account current and future liabilities. The Trustees aim to maintain reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The Trustees consider that this level will provide sufficient funds to respond to applications for grants and ensure that costs of raising funds, support and governance costs are met.

The Trust's total reserves as at 31 March 2025 are £1,213,179 (2024 - £1,352,497). £1,097,354 (2024 - £1,190,248) of the total reserves are invested in the stock market, with £1,088,577 being classed as listed investments and £8,777 of this being cash and cash equivalents. The Trust has net current liabilities of £34,175 as at 31 March 2025 (2024 - net current assets of £12,249).

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the trustees to prepare financial statements for each financial year. Under that law, the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Under charity law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and The Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 11 December 2025 and signed on its behalf by:

Independent Examiner's Report to the Trustees of
The Whitehill School Sports Trust

I report on the accounts for the year ended 31 March 2025 set out on pages five to fourteen.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention :

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities and Trustee Investment (Scotland) Act 2005. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Going concern

The Trust has cash resources and has no requirement for external funding. The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. The charity has a strong balance sheet with significant bank balances to meet its liabilities as and when they fall due. The Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future and believe that the going concern basis of accountancy is appropriate in preparing the annual financial statements.

Presentation currency

The financial statements are presented in pound sterling (£), which is the functional currency of the Trust.

Critical accounting judgements and key sources of estimation uncertainty

The Trustees have made judgements, estimates and assumptions that affect the amounts reported within the financial statements during the year. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. The Trustees estimates, assumptions and judgements that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the financial statements are addressed and detail is provided in the associated notes.

Income

All income is recognised when the Trust is entitled to the income, it is probable that the income will be received and the amount can be measured reliably.

Investment income is included when receipt is probable and the amount can be measured reliably.

Expenditure

Expenditure has been classified under the headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of the resources.

Expenditure is recognised on an accrual basis when a legal liability is incurred, payment of the liability is probable and the amount can be measured reliably. The amount includes any VAT which cannot be fully recovered. VAT is reported as part of the expenditure to which it relates.

Raising funds includes all expenditure incurred by the Trust to raise funds for its charitable purposes and includes costs of all fundraising activities, events and non-charitable trading.

Charitable activities comprise all resources expended undertaking work to meet the Trust's charitable objectives. Such costs include the direct costs of charitable activities approved by the Trust and all support costs relating to these activities. Governance costs include direct resources expended in the general running of the Trust and are primarily associated with constitutional and statutory requirements. These costs are allocated entirely to charitable activities.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

The Whitehill School Sports Trust

Notes to the Financial Statements - continued
for the Year Ended 31 March 2025

1. ACCOUNTING POLICIES - continued

Allocation and apportionment of costs

Support costs are allocated wholly to charitable activities. Whilst the Trustees recognise that a small part of some items of expenditure included in support costs do relate to indirect governance costs, they are of the opinion that the time and costs involved in performing such an analysis outweigh the potential benefits arising from any such work.

Volunteers

In accordance with FRS 102 and the Charities SORP (FRS 102), the economic contribution of general volunteers is not recognised in the financial statements due to inaccurate measurement bases.

Investment property

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in the Statement of Financial Activities.

Taxation

The charity has charitable status and is exempt from tax on its charitable activities.

Fund accounting

Funds are classified as unrestricted funds, defined as follows:

Unrestricted funds are expendable at the discretion of the Trustees in furtherance of the objects of the Trust. If parts of the unrestricted funds are earmarked at the discretion of the Trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the Trustees discretion to apply the funds.

Financial instruments

The Trust has no complex financial instruments but does hold basic financial instruments of: cash at bank, debtors, creditors and non-puttable ordinary shares.

Cash and cash equivalents comprise cash at bank and on hand, foreign currency on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. A bank overdraft would be shown within current liabilities.

Debtors are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less losses for bad debts except where the effect of discounting would be immaterial. In such cases, trade and other debtors are stated at cost less losses for bad debts.

Creditors are initially recognised at fair value and subsequently measured at amortised cost using the effective interest rate unless the effect of discounting would be immaterial. In such cases, trade and other creditors are stated at cost.

Provision for liabilities

A provision is initially recognised when there is an obligation at the balance sheet date as the result of a past event, it is probable that there will be the transfer of funds in settlement and the amount of the obligation can be estimated reliably. The provision is subsequently measured by placing a charge against the provision only for expenditure for which the provision was originally recognised.
