Activities

Activities: 'It does none of these'

Purposes: 'the advancement of public participation in sport'

What the charity does: Whitehills Playing Field Association is set up to provide and maintain a safe, welcoming outdoor space and community hub for local residents, families and groups. We do this by managing and maintaining the playing fields, play park and community pavilion so they remain accessible and in good condition for everyone to enjoy. The pavilion is made available to the public and community organisations on a donation basis, encouraging inclusive use and supporting local activities and events. Funds raised are reinvested into the upkeep and improvement of the facilities, as well as essential grounds maintenance carried out by volunteers, ensuring the space continues to benefit the community now and in the future.

Beneficiaries: 'Children or young people', 'No specific group, or for the benefit of the community'

Objectives: 2 (a) The object of the Association shall be to provide playing field facilities for the inhabitants of Whitehills and District, whether they be resident permanently or in a temporary fashion. (b) To hold fund raising activities of a proper and lawful nature, the proceeds of such activities to be used solely for the purpose related to in 2 (a). (c) To be wholly charitable and non-profit making.
