

SAGT Trustee report 2025 (for accounts 2024/2025)

why the charity was set up

From the constitution:

"The aims of the Association will be:

1. To promote the value and benefits of Geography in schools, education and the wider world
2. To provide networking opportunities and support for geographical and environmental educators and learners
3. To take a leading role in consultative processes relating to Geography and its place in the curriculum of Scottish schools"

- who does the charity help

The actions of the charity aim to help those who teach Geography and associated subjects, primarily in Scottish schools. This, in turn, helps pupils across Scotland access higher quality learning and teaching.

- What was done? (outputs)
