Report of the Trustees

5th April 2025

The trustees present their report and financial statements for the year ended 5 April 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's constitution, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and the Republic of Ireland" ("FRS 102") and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".

Objectives

The trustees are empowered, at their uncontrollable discretion, to apply the income or capital of the Trust for charitable purposes or charitable institutions etc., paying special consideration and regard to:

- (A) the furtherance of and advancement of religion, education, training, instruction and culture;
- (B) the promotion of the spiritual, moral, intellectual, social and physical well-being, and;
- (C) the relief or prevention of poverty, misery, neglect, suffering, disease, sickness, infirmity, age, distress, physical and mental handicap and/or need, all of and among any objects of the Trust, all whether in the United Kingdom of Great Britain and Northern Ireland or elsewhere, but with a special emphasis on British endeavour, enterprise and recreational activities.

The trustees, however, shall not accumulate the free income of the trust estate from 11 July 1996.

Please note that the summary set out above is intended merely as an aide memoire. For matters requiring detailed consideration, reference should be made to the relevant deeds and statutes.

Investment Powers

The powers of trustees, including their investment powers, are governed by the Trusts (Scotland) Act 1921 and the Charities and Trustee Investment (Scotland) Act 2005.

Achievements and Performance

Funds continue to be distributed by the trustees in accordance with the original trust deed and we believe we have met our objectives during the year to April 2025.

Risk Management

Regular reports continue to be made that examine the major strategic, business and operational risks and ensure that they are lessened.

Reserve Policy

The unrestricted fund represents funds arising from past events that may be expended on any of the charity's objectives. The trustees' policy has been to maintain sufficient unrestricted funds to enable the charity to fund its expenditure.

Total funds at the year-end amount to £894,747 (2024: £908,528 as restated) and these are all considered to be unrestricted. Regular income is derived from a Hillhouse Estates Limited loan note, the future of which has been assured by the board. The board of Hillhouse Estates Limited can approve for additional payments to be made to the charity which will allow the trustees to make additional distributions in accordance with the original deed.

Report of the Trustees (Continued)

5th April

2025

Future Plans

It is the intention of the trustees to continue to support charities in the South West of England and Scotland.

Structure, Governance and Management

The trustees during the year were as listed on page 1. The trustees were appointed by Major M S B Vernon prior to his death.

Donations

Applications for donations are sent down to Bowldown Farm, Tetbury and Scottish appeals are sent to Hillhouse Estates, Troon. The trustees consider and approve the donations at regular meetings or over the telephone.

Financial reviews

Income for the period was £58,320 comprising fully of income from investments (2024 - £58,320 comprising £58,320 income from investments) and expenditure was £72,101 (2024 - £90,552) resulting in a net deficit of £13,781 (2024 - net deficit of £32,232).

Date 05/08/25

Independent Examiner's report

5th April 2025

I report on the accounts of M. V. Hillhouse Trust for the year ended 5 April 2025 which are set out on pages five to thirteen.

Respective responsibilities of trustees and independent examiner

The Charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10 (1) (a) to (c) of the 2006 Accounts Regulation does not apply.

It is my responsibility to examine the accounts as required under section 44 (1) (c) of the act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

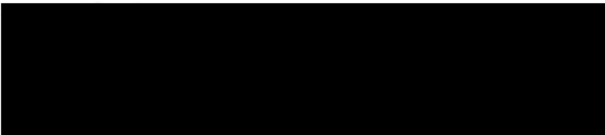

Independent examiner's Statement

In the course of my examination, no matter has come to my attention which:

1. gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 44 (1) (a) of the 2005 Act and regulation 4 of the 2006 Accounts Regulations, and;
 - to prepare the accounts which accord with the accounting records and comply with regulation 8 of the 2006 Accounts Regulation have not been met, or;
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Use of our report

This report is made to the charity's board of trustees, as a body, in accordance with the terms of the engagement. My work has been undertaken to enable me to undertake an independent examination of the charity's financial statements on behalf of the charity's board of trustees and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's board of trustees as a body, for my work or for this report.

Notes to the Financial Statements

5th April 2025

1) Accounting policies

Charity information

M.V.Hillhouse Trust is an unincorporated Scottish charity (Charity number SC012904) with its principal address at Bowldown Farm, Tetbury, Gloucestershire, GL8 8UD.

Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), "Accounting and Reporting by Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)", the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared on the historical cost convention. The principal accounting policies adopted are set out below.

Going concern

At the time of approving the financial statements, the trustees have not identified any material uncertainties in respect to the going concern of the charity and therefore have a reasonable expectation that the charity has adequate resources to continue in operational existence for a period of at least twelve months from the date on which these financial statements have been approved. This is based on an assessment of the level of actual reserves held against those required by the charity, as set out in more detail in the Financial review section of the Trustees' Report. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the charity's objectives unless the funds have been designated for other purposes.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Income

Income is recognised when the charity is entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity is entitled to the income unless there are conditions attaching.

Notes to the Financial Statements

5th April 2025

1) Accounting policies (continued)

Income (continued)

Investment income is recognised on a cash basis; there is no material difference between the basis and the accruals method. Bank interest is included gross of income and tax. Dividend income does not include tax credits.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Support costs are incurred by those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include finance, personnel, payroll and governance costs which support the charity's charitable objectives. These costs have been directly allocated to expenditure on charitable activities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs.

Impairment of financial assets

Financial assets are assessed for indicators of impairment at each reporting end date. Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the charity transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Basic financial liabilities

Basic financial liabilities, including creditors, are recognised at transaction price.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

The trustees do not consider there to be any critical estimates or judgements.

Notes to the Financial Statements

5th April 2025

1) Accounting policies (continued)

Fixed asset investments

Fixed asset investments are initially measured at cost and subsequently measured at cost less accumulated impairment losses.

Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include deposits held at call with banks.

Comparatives

The comparatives have been restated to align the investment income accounting treatment with the accounting policy.
