GREYFRIARS FREE CHURCH

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2025

The trustees present their annual report and financial statements for the year ended 31 December 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

Greyfriars/Stratherrick Free Church of Scotland is a congregation of the Free Church of Scotland working towards the common aims set out below. It is a Presbyterian church adhering in its worship and doctrine to the position of the Church of Scotland at the Reformation. The Free Church of Scotland has an explanatory document which explains the origins of the Church and which gives the historical background to the Church coming into being in 1843 and lists documents in which is embodied the constitution of the Church. The document is available on request from the Free Church of Scotland, 15 North Bank St., The Mound, Edinburgh, EH1 2LS.

The Free Church of Scotland currently has over 100 congregations in Scotland, as well as one in London and four in North America, and sister Churches founded by mission work in India, Peru and South Africa. The Church also has a seminary in Edinburgh for the training of ministers and other Christian workers and sustains an extensive missionary programme relative to the size of the church. The principal activity of the Church is the conduct of public worship and associated matters in the context of local congregations.

Dating from 1843 but with its roots in the Reformation, the Free Church of Scotland owes its distinctive title to its historical struggle to remain 'free' from state interference in its internal affairs. It has close and active relations with many other Reformed churches of Jesus Christ throughout the world and stands firmly in the tradition which accepts the Bible in its entirety as the Word of God and, therefore, derives its forms of teaching, worship, ministry and government from it. The main emphasis of our worship is the preaching of the gospel - the good news of a free and sovereign salvation through Jesus Christ alone.

The congregation is authorised by the Church to have a minister paid from central funds of the Church.

The church building is the property of the congregation and is held under the Church's model trust deed.

The government of the Free Church of Scotland is Presbyterian and the congregation is within the Presbytery of Inverness.

Achievements and performance

Charitable activities

During 2025, the church met regularly for worship and carried out various activities in pursuit of the above stated aims.

Significant highlights, events and developments of note in the year, in relation to congregational activities included the following:

During the morning service, there is a Sunday School for primary school children. This is taught at three different levels (each class with their own room and teacher), Infant 1 (3-5 years), Infant 2 (primary 2-4), and Junior (primary 5-7). The children learn Bible stories through a variety of ways, they do worksheets, crafts, and learn memory verses from the Bible.

Creche meets in the dedicated creche room for children up to 3 years old every Sunday.

Congregational Fellowship meets 5 times a year in the church after the Sunday evening service from 19.30 to 20.45. After sharing supper together, we have a brief time of singing, and then listen to an invited speaker.

Every Sunday night from 19.30 to 21.00, the young people meet in an informal setting within the church, share in fellowship and food, followed by a short time of teaching, testimony or discussion.

Regular weekly meetings of Kidz & Co, a Mother and Toddler group.

Mission in Need, a Women's Mission Support group, meet each month in the church or on Zoom.

Kidzone for primary school children meet weekly from October to April.

A monthly breakfast is held to provide a social gathering for members of the congregation.

We have an annual summer congregational outing to the beach, and a party for the children at Christmas.

Grace and the Gap Fund was set up to aid people in the local community who are in need. Through working with local services, gaps in service provision have been identified, which the fund aims to fill. Some examples are emergency supply of baby toiletries, or electricity credit. The fund is accessed by referral from a service that can verify the situation. Each individual/family can access the fund four times per year. The priority areas are our immediate communities of Hilton, Castle Heather, and East Ness areas.

Financial review

Results for the year

The Statement of Financial Activities reflects net outgoing resources of £15,766 (2024 - incoming resources £48,011).

Reserves policy

It is the policy of the church to maintain unrestricted funds, i.e. funds not committed or invested in fixed assets, at a level which equates to approximately three months unrestricted expenditure. This allows sufficient funds to enable the ongoing work of the church to be maintained. The General Fund at 31 December 2025 amounted to £513,158 (2024 - £503,532), of this £370,000 (2024 - £370,000) relates to investment property and £66,895 (2024 - £64,554) to fixed asset investments, leaving free reserves of £76,263 (2024 - £68,978). Three months actual expenditure on the General Fund totalled £40,969. It is expected that the generous offerings of the congregation will see the level of reserves increase in future.

Total reserves, including the net book value of fixed assets, designated church worker fund and balances on restricted funds amounted to £1,365,852 (2024 - £1,381,618).

Donation making policy

The church makes donations from its tithed gift income to individuals and organisations that are generally known to the trustees and the church. The beneficiaries are involved in activities or ministries compatible with the church's objectives.

Principal funding sources

The church receives its funding from church members by way of weekly offerings and Gift Aid donations.

Risk management

The trustees assess risks to which Greyfriars Free Church is exposed on an ongoing basis and take appropriate steps to minimise such risks. These risks are shared regularly with the Church's Deacons' Court.

Structure, governance and management

Greyfriars/Stratherrick Free Church of Scotland is established by constitution and is a Scottish Charity (No. SC013359).

The trustees who served during the year and up to the date of signature of the financial statements were:

Rev Iain MacRitchie

Mr G MacAskill - Session Clerk

FOR THE YEAR ENDED 31 DECEMBER 2025

Appointment of trustees

The Kirk Session exercises its discretion in determining the most appropriate method of electing new trustees (Elders and Deacons). Any election process will also involve the communicant membership of the congregation. There is no fixed term for trusteeship. Prior to their appointment, new trustees would have served the church for some time in various roles and would be familiar with the church's values, its aims and objectives as well as its day-to-day operations. As part of their induction programme, new trustees are required to understand their statutory responsibilities as well as their responsibility as elder or deacon.

Property Trustees

The nominated property trustees as approved by the Courts and by election of the Members of the charity are Mr A MacDonald, Mr D MacQueen, Mr L Dunn and Mr A MacRaid Jnr.

The church is Presbyterian in government and its day to day running is undertaken by the Elders (the Kirk Session) and the Deacons (the Deacons' Court). The Deacons' Court's specific function relates to the material and financial business of the congregation, whereas Elders are charged with the general and spiritual oversight of the congregations. Under charity law the Deacons' Court are deemed to be the Trustees of the Congregation. (This is distinct from the role of congregational trustees responsible only for holding property in trust).

Congregational trustees - for holding property

All office bearers.

The trustees' report was approved by the Board of Trustees.

GREYFRIARS FREE CHURCH

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF GREYFRIARS FREE CHURCH

I report on the financial statements of the charity for the year ended 31 December 2025, which are set out on pages 6 to 19.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1)(a)-(c) of the Charities Accounts (Scotland) Regulations 2006 does not apply.

It is my responsibility to examine the financial statements as required under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1)(a) of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 4 of the Charities Accounts (Scotland) Regulations 2006, and
 - to prepare financial statements which accord with the accounting records and comply with Regulation 8 of the Charities Accounts (Scotland) Regulations 2006have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

GREYFRIARS FREE CHURCH

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2025

1 Accounting policies

Charity information

Greyfriars Free Church is a unincorporated charity registered at the Office of the Scottish Charity Regulator.

1.1 Basis of preparation

The financial statements have been prepared in accordance with the charity's constitution, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid is recognised when receivable.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

GREYFRIARS FREE CHURCH

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2025

1 Accounting policies (Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Freehold land and buildings	2% on cost
Fixtures and equipment	20% on cost

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Investment property

Investment property, which is property held to earn rentals and/or for capital appreciation, is initially recognised at cost, which includes the purchase cost and any directly attributable expenditure. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in profit or loss.

1.8 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.9 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.10 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

GREYFRIARS FREE CHURCH

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2025

1 Accounting policies (Continued)

1.11 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.12 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.
