## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of education'

**What the charity does:** The principle activity of the charitable company is to provide a quality training service to meet the needs of the engineering and allied industries in our area through East Scot Training Services Limited, its subsidiary, regarding the upskilling and/ or training of their employees. It is also central to Angus Training Group to continue to attract new member companies and to do all that we can do to encourage this. Our objectives include increasing the number and range of courses offered and therefore our ability to provide the training and upskilling needed to the engineering industry in our area. encouraging our staff by creating a positive culture towards continuous professional development. and increasing our public and business facing profiles to promote continuous education within the Engineering sector through training at Angus Training Group.

**Beneficiaries:** 'No specific group, or for the benefit of the community'

**Objectives:** To promote and advance adequate training of persons employed or intending to be employed in industry and commerce. Subject to the foregoing object, to extend such training to members of the public generally.

## Geography

---

- **Main operating location:** Angus
- **Geographical spread:** More than one local authority area in Scotland
