CADDER PARISH CHURCH OF SCOTLAND

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2024

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and for the advancement of Christ's Kingdom throughout the world. As a National Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish in Scotland through a territorial ministry. It co-operates with other churches in various ecumenical bodies in Scotland and beyond.

2024 saw us introducing new screens in our sanctuary to help develop our worship. These were greatly appreciated. Services are recorded and available on the church website, youtube and facebook on Sunday afternoons. We have about 100 regular people viewing the services online.

Plans are afoot for the introduction of internet and live screening of the services.

We celebrate Communion four times a year and also afternoon Communion Services in the South Halls for those who are unable to come on a Sunday morning. Sunday School ('Cadder Kids') are healthy in numbers and it's good to say a healthy number attend church. This is a growing group in the Church. They meet on a Sunday morning, they gather in the church and leave after 15 minutes to walk to the north hall for their activities. There are over 20 members in the Cadder Kids and they are led well and encouraged in their faith.

Boys' and Girls' Brigades provide activities for children and young people from 5 - 18 on week nights. Their captain is [REDACTED] and the Girls Brigade captain is [REDACTED]. Our minister, [REDACTED] continues to be active in building links between the Brigades and the Church. There are 50 boys and 40 girls in the companies. The Boys Brigade have been active with holding a quiz night, plant sale and also had their annual camps for the boys. The Girls Brigade have had annual camps and many exciting activities throughout the year. Additionally, our minister is involved in weekly attendance at Meadowburn Primary School and monthly at Bishopbriggs Academy.

Our communication team have developed further our Cadder Gazette which is a quality magazine produced quarterly, and they are working on developing the website along with [REDACTED]. This should be introduced early in 2025.

There is a Men's Club which provide meetings for educational and recreational purposes and changed their timing to meet during the day - they meet for lunch in the coffee shop and then have their meeting in the chapel. Our Guild provides a great opportunity for adults to gather together throughout the winter months and listen to speakers and enjoy fellowship. It is very well run and they raise a considerable amount of money for Guild projects.

There is also a Badminton Club which meets in our South Hall on a Sunday afternoon.

The choir leads our music on a Sunday morning and they meet before the service to prepare music for Sunday worship which is led by [REDACTED] (MMUS). The Cadder Singers meet weekly at certain times of the year under the guidance of [REDACTED] and enjoyed 2 excellent concerts.

The Coffee Shop and Fair-Trade Shop are open five days a week and serve the community well. This is a great outreach for the church and it is run by a paid manager and a large group of volunteers.

The Jack and Jill mothers and toddler's group are in the north hall one morning a week. Messy Play meets on a Tuesday and Thursday morning run by the leader of the nurture team, [REDACTED], which is a great success, reaching out to young families. We also have a monthly chat and play attracting families from the church and from the community which often has over 50 children and mums and dads also attend - often over 100 young people in our south hall.

Alcoholics Anonymous, AI-Anon use our halls on a weekly basis. We are delighted that our halls are busy again, after covid, and there are a number of dance, drama and fitness classes. We also have regular Children's parties in our north hall.

First Monday is a monthly social gathering on a Monday afternoon in our North Hall with a different activity available each month. They have around 20-30 members. This group continues to thrive and be appreciated.

Bishopbriggs Churches Together haven't met back formally after Covid but the ministers meet regularly to organise events and also for fellowship and to discuss the rota of Holy Week Services. The Church is also part of a Parish Grouping with Springfield Cambridge and Kenmure Church. Discussion and planning have been happening around the new Presbytery Mission Plan and the formation of the three local Church of Scotlands forming a cluster group, the outcome of this, is that eventually Bishopbriggs will have two ministers to serve three churches.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The Care and Fellowship team is active and were delighted to hold several film nights which are normally attended by members and non-members.

Our Caring for Creation team have been very active throughout the year, and young and old have enjoyed the different events that were carried out. They held an earth day service which was well attended. There have been regular services on a Sunday morning connected to caring for creation and they have encouraged the congregation to think carefully about recycling.

The General, Fabric, Legacy and Organ Funds of the Church were the only Funds holding investments during 2024. During the year the gain on revaluation of investments amounted to £7,836. The market value of the investments at 31 December 2024 was £90,903. It is the policy to restrict investments to the Church of Scotland Investors Trust Growth Fund.

The Church in common with many others is dependent on the committed giving of its members recognising that expenditure continues to increase and relies on the acknowledgement of this fact by its members.

Ministry Personnel: [REDACTED] has been our minister since February 2017. He has also been the Convenor of the Presbytery World Mission Committee and part of the Presbytery complaints team

[REDACTED], one of our elders, and a reader in the Church of Scotland is a locum in Cumbernauld.

We currently don't have a presbytery elder, the minister was our link between presbytery and the session. Irene Walker is an additional elder.

During the year the minister conducted

1 wedding

30 funerals

4 baptisms - infant

The Church also continues to make its premises available at reasonable rental costs to a range of community groups.

The Coffee Shop is an important meeting place for the community. [REDACTED] is our manager and has continued to ensure that high standards of food hygiene are achieved. The Coffee Shop is an important part of Cadder Church. The Fairtrade Shop promotes the use of fairly-traded goods and also offers items from a variety of charities for sale.

Support for other charities: As part of its witness and service, the Church supports a number of other kinds of charitable work.

The Guild meets fortnightly from August - March and a highlight being again a picnic in a local park on a summer's day. They had some really interesting speakers - especially their project speakers.

The Guild continues to be an important group within the life of the church.

The Harvest Appeal - Members were encouraged to support the Lodging House Mission with monetary donations.

At Christmas, East Dunbartonshire Women's Refuge invited us to donate pyjamas for the children of families in their refuge centres. This excellent work began with Christian Action on Housing in 2013 to provide starter packs for women leaving the refuge for their own accommodation with many women and children being protected from abuse. The congregation gave very generously and donations of money gift cards were also donated. We were delighted to also support Daisy Chain in Govanhill, a Crossreach project supporting children with learning disabilities.

The Church again supported the work of Samaritan's Purse and was delighted with the large donation of shoe boxes filled with generous gifts for the children in need. Our Outreach team have worked hard in these different outreach ventures.

Members donate weekly to the local Foodbank by bringing their donations to the Church.

CADDER PARISH CHURCH OF SCOTLAND

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2024

We supported Christian Aid Week by holding our annual quiz with the other two Church of Scotlands, led by [REDACTED], one of our elders.

We had a series of Bible studies in Lent and Advent led by our minister in which around 20 people participated.

The prayer table in the South Hall Chapel remains popular and continues to be used by visitors to the hall. Early morning fellowship with prayer and bible readings takes place on a Tuesday and Thursday morning at 9.30 am through ZOOM and there have been a regular 10-15 people use this opportunity for fellowship. Members are also invited to meet at inperson gatherings on a Thursday morning.

Cadder Church has an ongoing presence on social media through its website (managed and updated regularly by [REDACTED]) and its Facebook page which is maintained and updated by [REDACTED] and the minister. The minister has his own YouTube channel - [REDACTED]. He puts the weekly service onto Facebook and YouTube and [REDACTED] puts it on the church website.

We have a team of visitors who support the ministry team through pastoral care by making regular calls on the housebound and elderly. Flowers are an important ministry in the Church and are distributed after church on Sundays and at Harvest, when around 70 baskets of flowers are gifted to elderly or unwell members.

Cadder shared in the celebration the World Day of Prayer and Holy Week with our partner churches in Bishopbriggs Churches Together.

Open Doors was a great success again and over 50 visitors came to our Church. The Church continues its links with the friends of [REDACTED].

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

New Elders are appointed at the invitation of the Kirk Session following a period of training in the duties and responsibilities that they will undertake as Elders and as Trustees. This process normally involves three sessions of about 90 minutes. Members of the congregation are given the right to object to the appointment of anyone nominated for the Eldership.

Members of the Kirk Session are the Charity Trustees. The Kirk Session members are the Elders of the Church and are chosen from those members of the Church who are considered to have appropriate gifts and skills. Ongoing training in the role and responsibilities of Elders is undertaken from time to time at Kirk Session meetings and regular invitations are issued to Elder-training events organised at Presbytery and national level. The Minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery.

Organisational structure

The Kirk Session meets as required during the year and is responsible for both spiritual and temporal matters. It is chaired by the Minister. It has oversight over the following teams:

Worship and Spiritual leadership
Nurture
Communication
Care and Fellowship
Community and World Outreach
Coffee and Retail Shop
Caring for Creation
Stewardship and Finance
Risk
Property Maintenance and Development
Hall Management and Marketing

The Cadder Growth Committee is made up of convenors who meet one week before the Session meetings to discuss issues arising from the teams and to plan ahead for the Session meeting. The convenors are the link between the teams and the Session. The Session Clerk, depute Session clerk are also members of the Convenor's team, and the Session clerk chairs the meetings.

Risk management

The Kirk Session has reviewed and considered major risks to which the Church is exposed covering personnel, the infrastructure, child abuse and financial aspects and is satisfied that such risks are manageable having considered the systems and processes in place. [REDACTED] is our Food Hygiene Co-ordinator. [REDACTED] advises on Risk Assessment along with [REDACTED]. [REDACTED] works with [REDACTED] on Data Protection issues. [REDACTED] is our Safeguarding Co-ordinator.

Our teams are all working well in maintenance and mission, both supporting each other. Cadder Churches mission is designed and focussed around the five marks of mission which the Church of Scotland has adopted. The Kirk Session approved the Cadder Growth Plan which was successful in its second year. Our Resource teams are faithful and diligent in their work, looking after finance, property, risk and hall marketing. We are very fortunate to have some extremely talented people in our teams who care for the ongoing work of the church.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
CADDER PARISH CHURCH OF SCOTLAND**

I report on the accounts for the year ended 31 December 2024 set out on pages nine to twenty two.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention :

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

1. STATEMENT OF COMPLIANCE

General information

The Charity is a public benefit entity and a registered charity in Scotland and is unincorporated. The address of the principal office is 95 Brackenbrac Avenue, Bishopbriggs, Glasgow, G64 2DU.

Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities and Trustee Investment (Scotland) Act 2005 and the Charity Accounts (Scotland) Regulations 2006 (as amended).

2. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Income

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

Legacy income is recognised when receipt is probable and entitlement is established.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

i) expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.

ii) expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

iii) other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

CADDER PARISH CHURCH OF SCOTLAND

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 DECEMBER 2024

2. ACCOUNTING POLICIES - continued

Tangible fixed assets

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the church and manse, vested in the Church of Scotland General Trustees. No consideration is payable for the use of these assets. The South Halls, Kirkintilloch Road, Bishopbriggs, were gifted to the Kirk Session on behalf of Cadder Parish Church in 1896. This property has not been depreciated as its current value is considered to be significantly more than the value as at the date of the gift. The North Hall was purchased in November 2007. There are no current valuations available for the South Halls and the North Hall. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the Statement of Financial Activities in the period in which the liability arises.

All tangible fixed assets having a value to the charity greater than one year, other than those acquired for specific purposes, are capitalised. With the exception of the South Halls, depreciation is provided on a straight-line basis to write off the cost or initial value, less residual value, of tangible fixed assets over their estimated useful lives.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Land and Buildings	- 50 years
Equipment	- 5 years

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided.

Donated goods

Donated professional services and facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the user by the charity of the item is probable and the economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the general volunteer time of congregation members is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised as expenditure in the period of receipt.

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.
