**CANONGATE KIRK,  
CANONGATE PARISH CHURCH  
(CHURCH OF SCOTLAND)  
REPORT OF THE TRUSTEES AND FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024**

The trustees present their annual report and financial statements of the charity for the year ended 31 December 2024. The financial statements have been prepared in accordance with the accounting policies set out on page 8 and comply with the General Assembly Regulations for Congregational Finance, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

**Objectives and Activities**

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

Canongate Kirk is located in a Parish that was once an independent ecclesiastical burgh attached to Holyrood Abbey. Its boundaries are relatively unchanged but by long-standing tradition, Edinburgh Castle and its military garrison also form part of the modern parish. The present Kirk owes its origins to James VII and II who converted the remaining worship space in the (now) Palace of Holyroodhouse to a private chapel. In 1688 on his instructions a parish Kirk was then created.

The Kirk Session met formally six times during 2024. Four Elders relinquished their membership of the Session during the course of the year, which has brought current membership to 19 Elders, one Minister, and with one Deacon invited to attend meetings.

The Kirk's activities continue at a steady and consistent pace. Throughout 2024 regular donations of food and other items were made to the Trussell Trust, with offerings of food, toiletries and money at Harvest Thanksgiving being donated to the North East Edinburgh Foodbank network. The Kirk's Christmas Appeal supported the Moderator of the General Assembly of the Church of Scotland's Challenge 'Let Your Little Light Shine', which seeks to support the work of the Church of Central Africa in providing lights to school children and students to enable their studies. The Kirk also supported the homeless community in Edinburgh by providing washbags to Crisis in time for distribution to their clients at Christmas. In addition, the Kirk's craft club continued their work of producing baby blankets for the Simpson Neonatal Unit but this effort has gradually reduced, with increased efforts going to producing clothing for Edinburgh Direct Aid, a charity that seeks to support those in need as a result of conflict, famine or other causes.

The welcoming of visitors being a major aspect of the Kirk's mission, a student intern was again hired from within the congregation to open the Kirk to visiting members of the public during July, August and the early weeks of September, supported by a number of volunteers. This proved highly successful, and it is the Kirk's intention to repeat this in 2025. Social activities were also held in the Kirk's Harry Younger Hall to enable members of the congregation to gather informally outwith periods of worship.

The Kirk Session is giving consideration to future planning, with particular attention being given to our linkage with St Giles' Cathedral, as well as our own 900<sup>th</sup> Anniversary in 2028. Monthly joint Evening Services continue to be held and both congregations are considering ways in which we can collaborate further. Special meetings of the Kirk Sessions and congregations of both Canongate and St Giles were held for the purpose of approving Bases of Reviewable Charge and Parish Grouping. The effect of the former is to synchronise the commencement of the five-year reviewable charges of each congregation with the calling of a new Minister of St Giles, which is due to take place early in 2025. The Parish Grouping took effect following approval by the Presbytery of Edinburgh and West Lothian in June.

As of 31 December 2024, the Minister has conducted 18 weddings, 23 funerals and 15 baptisms. The congregational roll stands at 311, with an average of between 70 and 80 congregants attending Morning Services. Worship is also offered online through the livestreaming of Services, which are viewed by an average of 50 worshippers per week.

The Kirk Session is encouraged by the level of attendance, the high number of bookings of the Kirk's premises and the generosity of the congregation in terms of financial giving. As the Kirk continues to increase its activities, there has been a desire to include more members of the congregation in the life and work of the church. As in 2023, members were again canvassed during a Season of Reflection and Renewal held during the autumn between Harvest Thanksgiving and Remembrance Sunday. The Kirk Session is also considering an increase in its number through the ordination and admission of new Elders.

#### **Financial Review**

The Finance Committee, on behalf of the Kirk Session, would like to thank the congregation for their continued generosity towards the Canongate Kirk. The world remains very uncertain with continued troubles in the Middle East and Ukraine. We continue to be blessed by our members who support our congregation in so many ways. We could not have achieved such a positive year without them. We continue to look at new ways of encouraging members and visitors to donate. We maintain a strict control on our costs and outgoings. This has allowed us to be good stewards of the Kirk, its buildings and its people. 2025 will no doubt bring challenges, but we are confident in our future.

#### **Investment Performance**

Investments are held in the Church of Scotland Investors Trust and in War Bonds and Stock. The Growth Fund is largely equity-based and is intended for long term investment. The fund aims to provide capital growth. The Income Fund is intended for medium term investment and aims to provide immediate high income with funds invested predominantly in fixed interest securities.

#### **Risk Management**

There is a clear plan to continue to build up our reserves and review our insurance policies. We have a Health and Safety Officer appointed to deal with physical risks to members of the congregation using our facilities. The Finance Committee meet regularly to monitor the annual budget. They also assess the need to run a Stewardship campaign should the income fall – although the congregation is reminded at least annually of the need to consider raising levels of giving to compensate for any loss in donations. Currently they see no uncertainties or risks facing the congregation.

#### **Reserves Policy**

The Kirk has restricted, designated and unrestricted funds.

Restricted and designated funds are the Flower Fund, Manse Rental Fund, Homeless Fund and Appeal Fund. The Manse Rental Fund is used for maintenance of the Kirk, Manse, Flat and Hall. The Appeal Fund is for renovations to the Kirk.

Unrestricted funds consist of a General Music Fund which includes amounts for repair and maintenance of the Kirk's organs and pianos and to fund enhancements to music within the Kirk as a whole, including improvements in support of our major programme of concerts and similar activities aimed at making the Church more accessible and welcoming to visitors as well as the Congregation.

The General Fund receives any unrestricted legacies left to the Kirk, together with other such donations including those specified for particular projects, and, while providing a day-to-day reserve in support of the General Fund, applies such capital to "memorial" projects approved by the Kirk Session.

#### **Structure, Governance and Management**

The congregation is a registered charity, number SC015251 and is administered in accordance with the terms of the Model Deed of Constitution (or Deed of Constitution (Unitary Form)) and is subject to the Acts and Regulations of the General Assembly of the Church of Scotland.

Members of the Kirk Session are the charity trustees. The Kirk Session members are the elders of the church and are chosen from those members of the church who are considered to have the appropriate gifts and skills. The minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery. Certain responsibilities are delegated to the Finance Committee and the Property Committee as appropriate. The Kirk Session which meets five times a year is responsible for spiritual affairs within the church.

REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 DECEMBER 2024**

**Statement of Trustees' Responsibilities**

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity statement of recommended practice;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for the prevention and detection of fraud and other irregularities.

CANONGATE PARISH CHURCH

REPORT OF THE INDEPENDENT EXAMINER  
FOR THE YEAR ENDED 31 DECEMBER 2024**

I report on the accounts of the charity for the year ended 31 December 2024 which are set out on pages 6-15.

**Respective responsibilities of Trustees and Examiner**

The charity Trustees are responsible for the preparation of accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity Trustees consider that the audit requirement of Regulation 10 (1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

**Basis of Independent Examiner's statement**

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

**Independent Examiner's statement**

In the course of my examination no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:

to keep accounting records in accordance with Section 44 (1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and

to prepare accounts which accord with those records and comply with Regulation 8 of the 2006 Accounts Regulations have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

**CANONGATE KIRK,  
CANONGATE PARISH CHURCH  
(CHURCH OF SCOTLAND)  
YEAR ENDED 31 DECEMBER 2024**

**Accounting policies**

The principal accounting policies, which have been applied consistently in the current and preceding year in dealing with items which are considered material to the accounts, are set out below.

**Basis of preparation**

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

**Fund accounting**

Funds are classified as either restricted funds or unrestricted funds defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. The designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

**Incoming resources**

Income is recognised when the charity has entitlement to the funds; any performance conditions attached to the item of income have been met; it is probable that the income will be received; and the amount can be measured reliably.

Grant income is recognised in full in the statement of financial activities in the year in which it is earned.

**Donated services and facilities**

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and the economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102) the general volunteer time of congregational members is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised as expenditure in the period of receipt.

**Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

**Fixed assets**

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the Church and manse, vested in the Church of Scotland General Trustees. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the statement of financial activities in the period in which the liability arises.

**Investments**

Fixed asset investments are stated at market value at the balance sheet date. Unrealised gains and losses represent the difference between the market value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and the market value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the market value at the start of the year or cost if purchased in the year.

**CANONGATE KIRK,  
CANONGATE PARISH CHURCH  
(CHURCH OF SCOTLAND)  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024**

**Financial Instruments**

Other than fixed asset investments the charity only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable.

Trade debtors and trade creditors are measured at the undiscounted amount of the cash or other consideration expected to be paid or received.

**Stocks**

Stock represents items for resale and are stated at cost at the balance sheet date.

**Taxation**

The church is recognised as a charity for the purpose of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. The Church is not registered for VAT and resources expended therefore include irrecoverable input VAT except those that qualified for listed places of worship grant scheme for which the charity reclaims when due.

**Critical accounting estimates and judgements**

No significant judgements have had to be made by the trustees in preparing these financial statements.
