Trustees' Annual Report

Year ended 31 December 2024

The trustees present their report and the unaudited financial statements of the charity for the year ended 31 December 2024.

Objectives and activities

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

In St Andrew's Church, services of worship take place each Sunday at 11am, and each Wednesday at 11.00am. The sacrament of baptism is administered as requested and there are five Celebrations of Holy Communion annually at 11am services. A service is also held twice monthly on Sundays at 9.30am, with Communion being celebrated once monthly.

The Guild meets every Monday afternoon from October until April.

Memory Lane, a group for adults suffering from dementia and their supporters, meets on the first and third Thursdays of each month, and attracts clients from all sections of the community. Transport is provided where required to bring clients to meetings.

Organisations for younger people meet as follows:

Junior Church (Sunday School) meets each Sunday during the morning service.

Messy Church takes place at 3pm on the first Sunday of each month.

7th Barrhead Guides and Rainbows meet on Tuesday evenings and the Brownies meet on Thursday evenings.

1st Barrhead Boys' Brigade Company Junior and Anchor Sections meet each Thursday at 6.30 pm. The Company Section meets at 7.00pm.

3rd Barrhead Scout Group meets in the Community Hall on Friday evenings.

The Online Church continues to attract a substantial number of viewers to the Sunday services. When funeral services are held in the church, families are offered the opportunity to have these services streamed on the church website.

Achievements and performance

Our church has continued to thrive over these past 12 months. We have seen new people joining the congregation, and giving also continues to increase. This is a great encouragement and has enabled us to mitigate against the rising costs of inflation. As a Kirk Session, we remain extremely thankful for the sacrificial way in which people continue to give of their time and their money here at St Andrew's. Our Sunday services continue to attract new people. We have a firm focus on inclusion and diversity, and it has been a real joy to see such a wide range of people coming to worship with us from many different church backgrounds.

As a church we continue to be committed to missional expenditure and making the most of our resources. The greatest expression of this during 2024 was the recruitment of our new Youth and Community Worker in April. As a Kirk Session we committed significant funds to this project, along with external funding from the Church of Scotland's Seeds for Growth fund and a range of other funders. Graham Currie has been a tremendous asset to the church, enabling us to develop stronger and wider links across our community and with young people. We have held a range of community events during the holidays which were very well attended, and have been developing a range of outreach initiatives. Again, we are thankful for the support of church members who have contributed so generously to this post through monthly giving.

Another concrete sign of this commitment to change and transformation is the refurbishment of our Session Room using funds from the Benefact Trust. These works were carried out over the Summer and have resulted in a modern and welcoming multi-purpose space that is very much appreciated both by internal and external groups. The funding was given to enable a space better suited for therapeutic groupwork, and we plan to start up a bereavement support group in the coming year.

Our suite of buildings continues to be a major asset, providing a welcoming space for a wide range of community groups and generating significant revenue for the church. We are delighted to be able to continue providing free accommodation and support to 1st Barrhead Boys' Brigade, 3rd Barrhead Scouts and 7th Barrhead Guiding. All three organisations continue to be a credit to the dedication and commitment of their leaders. The Kirk Session are also conscious of the need to maintain our buildings for the longer term. It has become apparent over recent years that we are in need of a major roof renovation. Over the past year a working group was set up and initial permissions were obtained to move ahead with this project. The Kirk Session committed the sum of £100,000 from our own reserves towards this renovation, and another £100,000 was pledged by the General Trustees of the Kirk. The working group have been busy submitting a range of applications for further funding, and we are hopeful that all funds will be raised and that the work will be completed in the coming year.

The Session have continued to be committed to building deeper links with our neighbouring Church of Scotland congregations. During 2024, a Way Ahead working group was formed with representatives from the three CoS churches in Barrhead and Neilston. We look forward to seeing what future years will bring in this regard. We have also been deeply involved in ABC (Action for Barrhead Churches) events, starting up again after several years of absence. As a congregation we remain firmly committed to ecumenical working here in the town.

Members of the church are kept up to date with all that is happening in the congregation in a range of ways. In particular, our activities are widely advertised through our website (www.barrhead-standrewschurch.org.uk) and our Facebook page (www.facebook.com/barrheadstandrews). Our e-newsletter the Inside Look is also delivered weekly to over 100 individuals connected with the church, giving a range of news and information to people.

Financial review

The principal sources of income are regular weekly / monthly offerings and giving on our annual Gift Day, together with associated tax able to be recovered through the HMRC Gift Aid scheme and GASD scheme.

Some 30 households give utilising Freewill Offering envelopes and about 130 give by Banker's Standing Order. Some 25% of households who give using Freewill Offering envelopes result in a tax recovery, while 90% of households who give using banker's standing order result in a tax recovery.

At 31 December 2024, the number of members on the communion roll was 277, along with 23 adherents. In addition, there are 140 persons on a supplementary roll, because we have neither an address nor contact with them.

Based upon the number of members and adherents, the average giving per person was £7.02 per week, as against £6.80 in 2023.

The Fabric Care Group is anticipating the need for considerable spending on the church building over the next few years.

Reserves Policy

It has been the Trustees intention to ensure sufficient reserve funds are available to meet general ongoing repairs and foreseeable reasonable and necessary expenditure.

The charity trustees have considered the reserves required and have taken into account their current and future liabilities. It is the Trustees' policy to hold reserves of approximately three months expenditure including designated funds.

At the year end the church holds unrestricted reserves of £1,201,518, of which £325,000 represents Manse Asset Fund, £610,262 represents Hall Asset Fund and a further £140,701 represents other designated funds together with a balance of £125,555 in the General Fund. These are as detailed in Note 19 to these financial statements.

The church also held £69,489 of restricted funds which have been provided for the purposes specified in Note 19.

Risk Management

The Kirk Session has reviewed and considered the major risks to which the Church is exposed, covering personnel, the infrastructure, child abuse and financial aspects and is satisfied that such risks are manageable having considered the systems and processes in place.

Trustees' responsibilities in relation to the financial statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which show a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and /or other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information on the congregation's website. Legislation in the United Kingdom governing the preparing and dissemination of financial statements may differ from legislation in other jurisdictions.

The trustees' annual report was approved on 27th April 2025 and signed on behalf of the board of trustees by:

Barrhead: St Andrew's Parish Church of Scotland

Independent Examiner's Report to the Trustees of Barrhead St Andrew's Parish Church of Scotland

Year ended 31 December 2024

I report to the trustees on my examination of the financial statements of Barrhead: St Andrew's Parish Church of Scotland ('the charity') for the year ended 31 December 2024.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
 - i. to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - ii. to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 December 2024

3. Accounting policies *(continued)*

Income

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

Legacy income is recognised when receipt is probable and entitlement is established.

Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Donated Services and Facilities

Donated professional services and facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and the economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102) the general volunteer time of congregation members is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised as expenditure in the period of receipt.

Taxation

Barrhead St Andrew's Parish Church is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. The charity is not registered for VAT and resources expended therefore include irrecoverable input VAT.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the Church and a number of its halls, vested in the Church of Scotland General Trustees. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the statement of Financial Activities in the period in which the liability arises.

The charity has completed the new church halls at Ralston Road. These halls, together with the church manse are not vested in the Church of Scotland General Trustees. The halls are depreciated on a straight-line basis to write off the cost, less residual value, of the halls over their estimated useful lives.
