### **Trustees' Annual Report Year ended 31 December 2025**

The trustees present their annual report and financial statements of the charity for the year ended 31 December 2025

The financial statements have been prepared in accordance with the accounting policies set out in Note 1 to the accounts and comply with the General Assembly Regulations for Congregational Finance, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) published on 16 July 2014 (effective 1st. January 2015).

### **Objectives and Activities**

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world.

As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry.

It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

### **Worship Services and Religious Activities**

Sunday morning worship continues to take place weekly in Oldmeldrum. In 2025, the Church introduced three new worship services and meetings:

- Prayer Meeting after Sunday Service: A small group from the congregation gathers after the morning service for prayer.
- Prayer and Praise Service: Held in the evening of the first Sunday of each month, this service has seen growth in attendance from an initial 8 or 9 participants to 17 at the December service, including visitors from other churches.
- Bricks and Bites Lego Service: Taking place on the third Sunday of each month in the church hall, this creative service concludes with a simple meal. Since its inception, 4 or 5 families (17 to 23 adults and children) have attended regularly.

Communion is celebrated on the first Sunday of every second month and occasionally at other times during the year. The Church also continues with its joint Maundy Thursday service with the local Scottish Episcopal Church, alternating venues each year.

Easter morning begins with the congregation meeting in the local community gardens for prayer and praise, followed by a short walk to the hall where a simple breakfast is served. We then make our way up to the church for our Easter Sunday Service.

Our Christmas services include the "Wee Christmas" service, which is designed as a fun, lively, event for families, the evening Watchnight Service, and a Family Service on Christmas morning.

On occasion, Sunday morning worship services are moved to partner churches within the Parish Grouping. In 2025, the Church hosted a shared Palm Sunday Service, inviting all congregations from the Parish Grouping, which proved highly successful with excellent attendance. Congregation members were also invited to join Daviot for an open-air service at Daviot Woods in June, as well as a Songs of Praise service in September at Auchterless.

### **Community Worship and Special Services**

The Church maintains monthly community worship services at Wyverie Court Sheltered Housing, held each second Sunday afternoon. Other special and occasional services include:

## Meldrum and Bourtie Parish Church of Scotland

### **Trustees' Annual Report Year ended 31 December 2025**

#### **Community Worship and Special Services Cont'd**

- Stillness and Peace service, typically held early in the Christmas season.
- World Day of Prayer service. In 2025 we started to share this service with other churches in the Parish Grouping.
- Themed Messy Church services.

#### **Seasonal Events and Community Outreach**

During summer, the Church hosts a Family BBQ & Fun Day, welcoming all in our parish who wish to come along. Additional events include:

- Open Doors Project: Held on the first Thursday of each month, providing a quiet, reflective space.
- Tunes and Tea: Held weekly on Fridays at the church with the last Friday of each month being held at Wyverie Court.
- Christmas Tree Festival & Competition: Entries from all groups and businesses in the Parish are invited to create and display a themed tree in the sanctuary area of the church during Advent. Viewing and voting takes place at our Christmas Tree Festival Open Day, featuring refreshments and concluding with an informal concert and carol singing.

#### **Church Hall Activities**

The church hall remains a vibrant centre for various church activities:

- Youth Club, held on the second Friday of each month, remains popular with our young members.
- Spring and Autumn Connect Cafés, including second-hand book sales.
- Men's Breakfast, featuring diverse speakers and a full Scottish breakfast.
- Picnic to Go, providing packed lunches to families free of charge every Tuesday for six weeks during the school summer holidays.
- Bricks and Bites, which has replaced Story and Play.

Fundraising events in the hall include Quiz Nights, a four-day Charity Shop, and an Autumn Fayre with a wide range of stalls offering crafts, jams and more.

The church hall remains popular as a venue for local groups such as Guides and Rangers, Brownies, Rainbows, adult Yoga and Pilates classes and AA meetings. It is also used for private parties and community groups such as the local junior Pipe band and Aberdeenshire Care Partnership at various times throughout the year.

The Guild, though thriving and well attended, now meets in the centre of the village rather than in the hall.

#### **Community Engagement and Support**

The Church remains dedicated to life within the wider community, maintaining connections with both the primary school and the Academy. At Meldrum Sports, Church representatives host a stall, fostering engaging conversations over tea and biscuits. The Church actively supports the Aberdeenshire Foodbank with ongoing collections of donations and monetary support from our benevolent funds.

The quarterly Church/Community magazine remains a vital source of news for both the church members and the wider community. The magazine is distributed to every household and business in the village, and additional copies can be found at the church, the hall, the medical clinic and the dental surgery. An online version is also accessible on the church website.

#### Community Engagement and Support Cont'd

During 2025, we continued with the Community Connect Grant scheme, which is open to groups to apply for support. In 2025, we made grants totalling £6,801 from this scheme. Details of all benevolent donations can be found at Note 16 of this report.

We also hold a monthly "Kirk Book Group", which meets at member's homes and read books that inspire and encourage. The group is open to all in the Parish.

#### Pastoral Care

The Pastoral Care Team and Flower Committee are active throughout the year, maintaining contact with parishioners who are housebound, bereaved or unwell. Each Sunday, flowers from the sanctuary are distributed to those recently bereaved or ill, extending comfort and care within the community.

The legacy of £1,000 has been applied to the New Church Development Fund

## Meldrum and Bourtie Parish Church of Scotland

### **Trustees' Annual Report Year ended 31 December 2025**

#### **Financial Review Cont'd**

Of a total membership of 288 (incl. 3 adherents), 154 members now gift aid their offerings. This represents 53.47% of the membership including adherents.

The number of members and adherents who give by standing order is now 152. 14 members give through weekly freewill offering envelopes and 13 by other identifiable methods. The balance give through the open plate, or do not give. A total of 179 members donated by identifiable methods during 2025. This represents 61.8% of the membership.

Overall, the annual incoming resources rose from £120,744 in 2024 to £128,361 in 2025 while expenditure also rose from £119,376 in 2024 to £146,101 in 2025. Details of the differences can be found in Notes 1 - 6 of the financial accounts attached to this report.

Currently, based on the figures for 2024, we now meet 96% (2023 80%) of the costs of a full time equivalent minister of word and sacrament allocated to the charge. Our income base figure results in a Giving to Grow contribution for 2026 of £61,325 of which £51,104 is allocated to ministry here, while the costs of employing a minister is currently £53,120. The Consolidated Stipend Fund endowment contribution for 2026 of £24,702 will be deducted from our Giving to Grow contribution for 2026. The total endowment for 2026 will be £25,328 (2025 - £20,493).

This will help reduce our expenditure and will also add to our recorded income going forward.

The finances of the church are still not sustainable in the longer term as we are using investment income to subsidise running costs. The General Fund and Fabric Fund had to have a total of £33,500 transferred in in 2025 (2024 - £15,000). This was largely due to the investment in upgrading the bathrooms at the manse.

#### **Investment Policy and Performance**

The trustee's policy for investments is that all investments should be held in one or more of the following:

- The Church of Scotland Investors Trust
- Government Stocks (Gilts), or
- Bank Fixed Term Deposits

The Church of Scotland Investors Trust has three funds for Growth, Income and Deposits:

The Growth Fund is very largely equity based and is intended for long-term investment. The fund is operated on a unitised basis and aims to provide capital growth. Units can be purchased or sold monthly. Income is distributed gross in May and November. The Growth Fund management changed during 2025 from Newton Investment Management to a combination of Wellington Management and M & G. The transition to the new managers was completed in November 2025.

In the 12 months to 30<sup>th</sup> September 2025, under Newton's management, the Growth Fund performance was +10.8% against a benchmark of +14.5%.

The Income Fund is intended for medium term investment and aims to provide immediate high income with funds invested predominately in fixed-interest securities and operated on a unitised basis.

As with the Growth Fund, units can be bought or sold monthly with income distributed gross in March and September.

The Income Fund is professionally managed by Royal London Asset Management, based in London.

In the 12 months to 30<sup>th</sup> September 2025, the Income Fund performance was +7.58% against a benchmark of +3.70%.

The Deposit Fund is intended for short-term investment and aims to provide a high rate of interest. Deposits are repayable on demand, with interest calculated quarterly in arrears, paid gross in May and November. The fund is invested mainly in short-term loans to banks and building societies. The Deposit Fund is professionally managed by Thomas Miller Investment Limited, based in London and Edinburgh.

The Deposit Fund interest rates are set quarterly and are currently set at 4.09% The average rate during 2025 was 4.43% The average rate during 2024 was 5.10%.

Further details of the Church of Scotland Investors Trust can be found on the Church of Scotland website.

#### Investment Policy and Performance Cont'd

No bank fixed term deposits are currently held. Due to the drop in bank interest rates, the amounts held in bank accounts has been reduced as much as practicable and the money placed with the Investors Trust Deposit Fund.

The markets have been impacted by the global situation and the ongoing war in Ukraine and remain volatile. This has affected the unit values of both the Income and Growth Funds.

At the end of 2025, the values of the units in the various funds were as follows:

	<u>31/12/2025</u>	<u>31/12/2024</u>	<u>Percentage Change</u>	<u>Projected Return</u>
COSIT – Income fund	£ 11.39	£ 11.06	+2.98	50 ppu
COSIT - Growth Fund	£ 6.88	£ 6.38	+7.84	13 ppu
Deposit Fund Interest Rate	4.09%	4.76%	-14.08%	

#### Risk Management

The principal risks facing the charity have been identified as follows:

The church membership has an ageing profile and there is a general decline in the numbers of younger people wishing to join the church. This is not unique to our organisation but is evident across the country. At a local level, this has a potential impact on the level of donations being received and the potential for the charity income to be adversely affected.

The trustees have adopted a policy for stewardship which runs on a 3-year rotation cycle based on time, talents and money to try and minimise the impact of the above. In addition, we are looking at new methods of attracting younger members to become involved with the church.

The recent high inflation and cost of living increases have put the church finances under strain and we are not currently financially sustainable.

Sustainability is the target and is essential if the church is to keep going. New strategies will be employed with a view to enabling us to move forward.

There are financial risks associated with the investments administered by the trustees. Values of investments are subject to market forces and the value may go up or down. The trustees consider that, by adopting the policies outlined in the Investment Policy and Performance section above and the regular performance monitoring of the funds in which the monies are invested by the trustees of the Church of Scotland Investors Trust, the risks are acceptable.

#### Reserves Policy

The charity trustees have considered the reserves required and have taken into account their current and future liabilities. It is the Trustees' policy to hold reserves of approximately 12 months expenditure including designated funds. This policy was re-examined in November 2022 and affirmed at that time.

At the year end the Church held unrestricted funds of £162,625 of which (-£150) had been designated for fabric. The remaining balance of £162,475 represents about 16 months expenditure which, while higher than the policy, is primarily intended to be used as part of the funding for a refurbished church and a community building. See Note 15 for details of the unrestricted funds.

The church also held £306,519 of restricted funds which have been provided for the purposes specified in Note 15.

The Barbara Thomson and Sylvester Thomson Legacies held under Endowment Funds may be utilised to assist financing a high-cost capital project in the foreseeable future – See Note 15.

#### Structure, Governance and Management

Members of the Kirk Session are the charity trustees. The Kirk Session members are the elders of the church and are chosen from those members of the church who are considered to have the appropriate gifts and skills. The minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery.

The Kirk Session meets in person approximately six times in the year and by e-mail outwith these meetings, and in addition to its responsibility for spiritual affairs within the church, is responsible for secular matters such as approval of proposals put forward by the various "Task Force" groups which are formed and disbanded as required. These "Task Forces" can include non-trustee members and report back to Session. This has been found to be a practical method of overcoming a reduced eldership.

The congregation is a registered charity, number SC015960 and is administered in accordance with the terms of the Deed of Constitution (Unitary Form) and is subject to the Acts and Regulations of the General Assembly of the Church of Scotland.

### **Trustees' Annual Report Year ended 31 December 2025**

#### **Structure, Governance and Management Cont'd.**

#### **Trustees' Responsibilities in Relation to the Financial Statements**

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which show a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently.
- observe the method and principles in the applicable Charities SORP 2015 (FRS 102).
- make judgements and estimates that are reasonable and prudent.
- state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information on the congregation's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**Year ended 31 December 2025**

**Independent Examiner's Report to the Trustees of Meldrum & Bourtie Parish Church**  
**Year ended 31 December 2025**

I report on the accounts of the charity for the year ended 31<sup>st</sup> December 2025 which are set out on pages 10 to 25

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006.

The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

**Basis of independent examiner's statement**

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

**Independent examiner's statement**

In the course of my examination, no matter has come to my attention: -

1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
  - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## **Meldrum and Bourtie Parish Church of Scotland**

### **Trustees' Annual Report (Cont'd) Year ended 31 December 2025**

#### **Accounting Policies**

The principal accounting policies, which are considered material to the accounts, are set out below.

#### **Basis of preparation**

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities accounts (Scotland) Regulations 2006 (as amended).

The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

The financial statements are prepared in sterling, which is the functional currency of the charity.

#### **Reconciliation with previously Generally Accepted Accounting Practice**

In preparing the accounts, the trustees have considered whether, in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102, a restatement of comparative items was needed.

As the 2024 accounts were prepared using the policies required by FRS 102 and the Charities SORP FRS 102 then the trustees consider that no further restatement is required for 2025.

#### **Fund accounting**

Funds are classified as either endowment funds, restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use, which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Endowment funds are funds which have been given on the condition that the original capital sum is not reduced, but the income therefrom is used for the purpose defined in accordance with the objects of the charity.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

#### **Incoming resources**

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received, and the amount can be measured reliably.

#### **Donated services and facilities**

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102) the general volunteer time of congregation members is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised as expenditure in the period of receipt.

## **Meldrum and Bourtie Parish Church of Scotland**

### **Trustees' Annual Report (Cont'd) Year ended 31 December 2025**

#### **Accounting Policies (Cont'd)**

##### **Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

##### **Fixed Assets**

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the Churches, and manses, vested in the Church of Scotland General Trustees. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the Statement of Financial Activities in the period in which the liability arises.

The buildings included in the balance sheet consist solely of the Church Hall in Albert Road, Oldmeldrum.

All tangible fixed assets costing in excess of £5,000 having a value to the charity greater than one year, other than those acquired for specific purposes, are capitalised at cost. Buildings have not been depreciated as the trustees are of the opinion that any depreciation would be immaterial. This judgement is based on the opinion that the value of the church hall is mainly in the value of the site rather than the building itself and hence any depreciation would be minimal.

##### **Investments**

Fixed asset investments are stated at fair value at the balance sheet date. Unrealised gains and losses represent the difference between the fair value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and fair value at the end of the year.

Realised gains and losses represent the difference between the proceeds on disposal and the fair value at the start of the year or cost if purchased in the year.

In accordance with the Charities SORP (FRS 102), all investment gains and losses are reflected in the Statement of Financial Activities as part of the net income/expenditure for the year.

##### **Resources Expended**

Expenditure is recognised on an accruals basis as the liability is incurred.

##### **Taxation**

Meldrum and Bourtie Parish Church is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities.

The charity is not registered for VAT and resources expended therefore include irrecoverable input VAT.

**14. Volunteers**

In common with all congregations of the Church of Scotland the congregation benefits from the contribution made by volunteers who give their time and talents willingly for the benefit of the Church. The areas of congregational life which rely on the contribution of volunteers are many and varied and much of the activity would be unable to continue were it not for the commitment shown.
