Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of health', 'the advancement of citizenship or community development', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: The objective of the charity is to support families who may be in any way affected by a family member's drug and/or alcohol misuse. We aim to make a positive difference in the lives of people looking for support through various routes such as one to one emotional support, referral to peer led support groups and being there to provide advice, guidance, signposting and assistance where appropriate. Our Spa also allows for people to access holistic therapies. We also encourage the development of individual Family Support, Bereavement and Kinship Groups. These services are delivered by a committed and caring team of Management, staff and volunteers who promote and protect the welfare of vulnerable people and their families. We ensure that our services are economic, efficient and effective whilst being open and responsive to the needs of the people using our service.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: To encourage the development of individual family support and kinship groups within the Glasgow area without distinction of political, religious or other opinions. To give support by giving information, advice and assistance in associating local services, voluntary organisations and all inhabitants and to assist those parents and family members who may be in any way affected by a loved one's drug or alcohol addiction. To secure the establishment, maintenance and management of a centre (or centres) for the

carrying out of activities of the company in furtherance of the above objects or any of them
