Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of health'

What the charity does: Dumfries and Galloway Mental Health Association strives to benefit the public of Dumfries and Galloway. Advancing healthcare through the provision of person-centred care and support for people with mental health needs. The organisation delivers its charitable purposes through the direct provision of mental health and housing-related support services. Working with individuals, adults and older people that may have disabilities or long-term health conditions. This includes supported accommodation, housing support, and care delivered within individuals' own homes and communities. Services are designed to promote recovery, independence, wellbeing, and social inclusion. Delivered in partnership with individuals, health and social care services, local authorities, and third-sector agencies. This collaborative approach ensures support is appropriate, tailored, and responsive, enabling people to live their best lives as independently as possible.

Beneficiaries: 'Older People', 'People with disabilities or health problems', 'Other defined groups'

Objectives: The company's objects are for the benefit of the public in Dumfries and Galloway to advance health by providing person centred care and support services ofr people whose lives are affected by their Mental Health
