St Columba's Free Church of Scotland

Report of the Trustees for the year ended 31 December 2024

The Trustees present their annual report and financial statements of the charity for the year ended 31 December 2024. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), and UK Generally Accepted Accounting Practice.

Objectives and Activities

St Columba's Free Church of Scotland is a city-centre church in Edinburgh committed to the gospel of Jesus Christ. Our vision is to seek a city-wide movement of the gospel by helping people find and follow Jesus, love God and one another, and seek the peace of the city. We are members of the Free Church of Scotland, which currently has approximately 115 churches across Scotland, England, and North America. Dating from 1843, but with its roots in the Scottish Reformation, it owes its distinctive title to its historical struggle to remain 'free' from state interference in its internal affairs. It has close and active relations with many other Reformed churches of Jesus Christ throughout the world. St Columba's was first opened as "Free St Johns" in April of 1845 under the ministry of Thomas Guthrie. The congregation is within the Presbytery of Edinburgh & Perth.

In 2024, St Columba's charity also included 2 church plants: Esk Valley and Winchburgh Community churches. The Free Church of Scotland central church Board of Trustees holds title to the church building at Johnston Terrace on behalf of both the Free Church of Scotland General Assembly and the St Columba's congregation. The Ministers of Esk Valley Church and Winchburgh Community Church lived in rented manses. The Minister of St Columba's Free Church lived in property owned by the congregation.

Grant Making Policy

The church makes grants from its income to individuals and organisations that are generally known to the Trustees and the church. The beneficiaries are involved in activities or ministries compatible with the church's objectives.

Review of our Achievement and Performance

2024 was a year of change. [REDACTED] resigned as minister on 28 January 2024 to take up a role as church planter at Hope Church Leith. [REDACTED] was inducted as minister on 14 March 2024. The congregation continued its commitment to support the Free Church of Scotland both spiritually and financially, and we are ever thankful for the generosity of the people of St Columba's.

Membership by profession of the congregation at the end of 2024 was 206 (including Esk Valley (40) and Winchburgh (6)) with an average attendance at St Columba's on a Sunday morning of approximately 200. Esk Valley and Winchburgh continued to grow and develop under the formal oversight of the St Columba's Kirk Session.

St Columba's Free Church of Scotland

Report of the Trustees for the year ended 31 December 2024

On October 1, 2024, Esk Valley Church became a stand-alone congregation of the Free Church of Scotland, and it was registered as a charity with OSCR on 17 December 2024.

Over the course of the year there were 10 baptisms, including 7 infants/toddlers. We welcomed 34 people into membership at St Columba's.

We are grateful to God for the leadership team at St Columba's (elders, deacons, and Women's Pastoral Team) and the supporting staff, members and adherents in the congregation who all make up the church family that seeks to serve and glorify God in all that it does – living out and sharing the Gospel of God's grace in community together and in the city where we live.

Although Cornerstone is now a Free Church congregation in its own right, and a separate registered charity, the legal transfer of ownership of the Cornerstone Manse and Church building had not been completed by 31 December 2024. As a result, these assets are retained on the St Columba's balance sheet until the legal transfer of ownership takes place.

In Relation to Congregational Funding

Income to the General Fund of St Columba's increased by 11% when compared with the previous year mainly due to an increase in giving by the congregation.

Through the continued donations of the congregation and those connected to it:

- Our overall financial contribution to central denomination funds from General Funds decreased by 38%.
- Locally we supported Elder Memorial free Church, Free church Youth Camps and 20 Schemes.

Financial Review

Results for the Year

The financial statements for the year reported net expenditure amounting to £9,674 (2023: £151,320). Last year's deficit was largely due to donations to Sparkle Sisters and Cornerstone.

At the year end the organisation had total reserves of £1,206,351 (2023: £1,216,025) which is made up as follows:

Restricted funds of £138,633	(2023: -£25,645)
Restricted asset funds of £646,059	(2023: £835,239)
Restricted investment funds of £2,970	(2023: £2,617)
Designated asset funds of £234,554	(2023: £234,554)
Designated investment funds of £21,303	(2023: £18,770)
Unrestricted funds of £162,832	(2023: £150,490)

Investment Policy and Performance

Congregational investment funds together with those of the central denomination and other congregations are held as shared pool units, managed by the central denomination's investment managers.

From Acts of the Free Church General Assembly, Act 2, 1979, governs the investment policy of the Central denomination's investments. The investments are managed on a discretionary basis by professional managers. The main objective of the portfolio is to provide income for the Church

St Columba's Free Church of Scotland

Report of the Trustees for the year ended 31 December 2024

without risking longer term return. A number of ethical restrictions are place on the investment managers in the choice of investments. The managers report regularly and normally meet at least twice a year with the Central Church's Investment Committee.

The market value of the congregation's investment portfolio at 31 December 2024 was £24,273 (2023 £21,387). The general fund investments generated an income of £590 (2023: £548) during the year. The Trustees are satisfied that the portfolio has been managed in accordance with the objectives set.

Risk Management

The Trustees are responsible for assessing the risks to which the congregation is exposed on an ongoing basis and for periodically updating and reviewing it. The Trustees assess the risk in relation to health and safety in line with the requirements of the Free Church of Scotland central church. The Trustees seek to identify and address the material risks facing the congregation and agree measures aimed at mitigating these risks. To this end, during the reporting year an extensive, commercially available risk assessment toolkit designed for churches was used.

Reserves Policy

It is the policy of the church to maintain unrestricted funds excluding fixed assets and investments totalling the equivalent of 1 month of its expenditure. Such unrestricted funds at the balance sheet date were £183,807 (2023: £175,712). The total expenditure for the church in the year to 31 December 2024 was £501,550 (2023: £973,840). The Trustees are pleased that the reserves policy is being met and that the unrestricted funds are equivalent to approximately 5 months' usual charitable expenditure, more than adequately covering the required 1 month's expenditure. There is no current requirement to increase the reserves as a result.

The Trustees also take into account that some aspects of the church's activities are funded out of restricted funds which have already been received. Restricted funds total £787,662 (2023: £812,211).

Plans for the Future

We continue to look for opportunities to plant more churches in the Edinburgh area, using the experience that we have gained over recent years.

We hope to continue to co-operate with Edinburgh Theological Seminary in the sharing of our building and continue to involve students at the Seminary in our Ministry Apprentice programme. This scheme enables St Columba's and the Church Plants to continue developing, training and discipling future church leaders.

Structure, Governance and Management

St Columba's Free Church of Scotland is established by Constitution. It is a registered Scottish Charity (No. SC016551).

The congregation is governed and administered by elected office bearers. All office bearers are volunteers except for [REDACTED] (Minister, St Columba's), [REDACTED] (Church Planter, Esk Valley Church) and [REDACTED] (Church Planter, Winchburgh). The Kirk Session, being the Minister and elected elders, has responsibility for spiritual oversight; while the Deacons' Court, composed of Kirk Session members plus elected Deacons, oversees financial and property matters.

St Columba's Free Church of Scotland

Report of the Trustees for the year ended 31 December 2024

Under Charity Law, the members of the Deacons' Court are deemed to be the Trustees of the congregation as those with responsibility for day-to-day management and control. This is distinct from the role of property (congregational) Trustees who are responsible only for holding property in trust.

Appointment of Charity Trustees

The Kirk Session exercises its discretion in determining the most appropriate method of electing new Trustees (Elders and Deacons). Any election process must involve the communicant membership of the congregation. There is no fixed term for trusteeship. Prior to their appointment, new Trustees would have served the Church for some time in various roles and would be familiar with the Church's values, its aims and objectives as well as its day-to-day operations. As part of their induction programme, new Trustees are required to understand their statutory responsibilities as well as the responsibilities of their office within the congregation as Elder or Deacon.

██████████ resigned as the minister on 28 January 2024 and ██████████ was inducted as the minister of the congregation on 14 March 2024.

██ were ordained as Deacons on 26 May 2024.

Key Management Personnel Remuneration

The key management personnel of the church comprises the Minister of St Columba's, the Church Planters of Esk Valley Church and Winchburgh Community Church and the Finance Manager. As ministers of the denomination, four of the Trustees were paid stipends by the central denomination in 2023 and 2024, and other employment-related costs are included in expenditure where appropriate. The total amount of remuneration received by key management personnel for their services to the charity was £20,176 (2023: £38,195).

Over both 2024 and 2023:

- The Minister at St Columba's occupied a manse provided rent and council tax free.
- The Assistant Minister at St Columba's occupied a manse provided rent and council tax free.
- The Church Planter at Esk Valley Church occupied a manse provided rent and council tax free.
- The Church Planter at Winchburgh Community Church occupied a manse provided rent and council tax free.

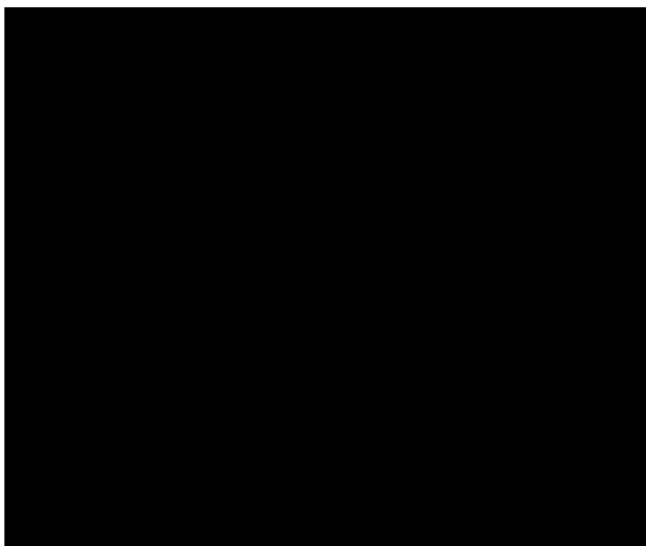

Additionally, they received benefits and expenses of £9,507. (2023: £14,983).

Trustees' Responsibility Statement

The Trustees are responsible for preparing a Trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Practice).

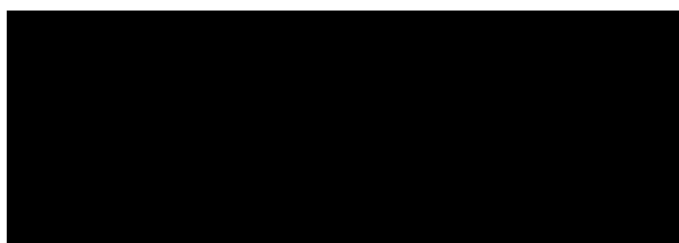

The law applicable to charities in Scotland requires the charity Trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application for resources of the charity for that period. In preparing the financial statements, the Trustees are required to:

- Select suitable accounting policies and apply them consistently
- Observe the methods and principles in the Charities SORP (FRS 102)
- Make judgements and estimates that are reasonable and prudent
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charity Accounts (Scotland) Regulations 2006 (as amended), and the provisions of the Charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the Trustees on25/9/25..... and signed on their behalf by

Independent Examiner's Report to the Trustees of St Columba's Free Church of Scotland

I report on the accounts of the charity for the year ended 31 December 2024 which are set out on pages 10 to 24.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Year ended 31 December 2024

Notes forming part of the financial statements

1. Accounting Policies

The principal accounting policies, which have been applied consistently in the current and preceding year in dealing with items which are considered material to the accounts, are set out below.

Basis of preparation

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity constitutes a public benefit entity as defined by FRS 102.

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Fund accounting

Funds are classified as either restricted funds or unrestricted funds, defined as follows:

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Unrestricted funds are expendable at the discretion of the Trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the Trustees for a particular purpose, they are *designated* as a separate fund. This designation has an administrative purpose only and does not legally restrict the Trustees' discretion to apply the fund.

Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Donated Services and facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with Charities SORP (FRS102) the general volunteer time of church members is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised as expenditure in the period of receipt.

Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Expenditure

Expenditure is recognised when a liability arises.

Fixed Assets

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the Church vested in the Free Church of Scotland central church Board of Trustees. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as expenditure in the Statement of Financial Activities in the period in which the liability arises.

St Columba's Free Church of Scotland **Year ended 31 December 2024** **Notes forming part of the financial statements**

1. Accounting Policies (cont.)

Tangible fixed assets are held at cost and depreciated on a straight line basis over the estimated useful life of the asset as follows:

Heritable property	No charge
Fixtures, fittings & equipment	25%

Buildings are maintained to such a standard that their residual value is not less than their cost or valuation, so no depreciation is charged.

Costs of assets over £1,000 (before 28/9/2017 over £100) are capitalised. A full year of depreciation is charged on the year of purchase for fixtures, fittings and equipment.

Investments

Fixed asset investments are stated at market value at the balance sheet date. Unrealised gains and losses represent the difference between the market value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and market value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the market value at the start of the year or cost if purchased in the year. Congregational investment funds, together with those of the central denomination and other congregations, are held as shared pool units, managed by the central denomination's investment manager.

Pension

Subject to the rules of auto-enrolment, staff are enrolled into the pension scheme used by the Free Church of Scotland. It is a defined contribution scheme in which the congregation makes a 10% contribution. Employees can opt to make additional contributions but there is no obligation to do so.

Taxation

St Columba's Free church of Scotland is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. The charity is not registered for VAT and expenditure therefore includes irrecoverable input VAT.

2. Related Party Transactions, Trustees' Expenses and Remuneration

In 2024 payments totalling £136,975 (2023: £219,417) were made to the central denomination, covering remittances to central funds including the Missions Board, presbytery dues, conveyancing, payments for services and goods (payroll handling fees, gift aid administration, the Free Church's Record magazine and photocopying). As ministers of the denomination, four of the Trustees were paid stipends by the central denomination in 2023 and 2024. One of the Trustees of St Columba's is a Trustee of the central denomination.

Expenses paid to Trustees and related persons amounted to £9,507 (2023: £15,833).

In 2024 and 2023 manses were provided rent and council tax free to:

The Minister at St Columba's
The Assistant Minister at St Columba's
The Church Planter at Esk Valley Church
The Church Planter at Winchburgh Church.

Remuneration paid to Trustees and related persons was as follows: £nil (2023: £2,470), £4,550 (2023: £14,005), £8,500 (2023: £nil), £1,812 and £5,155.

In 2024 donations to the charity from Trustees and related parties totalled £124,558 (2023: £103,471), of which £91,558 (2023: £103,471) was unrestricted and £33,000 (2023: £nil) was made for restricted purposes.

The Free Church of Scotland central church Board of Trustees hold title to the St Columba's church building, net book value of £nil (2023: £nil) on behalf of both the Free Church of Scotland General Assembly and the St Columba's congregation. The assets of the former Old School House, for the Cornerstone congregation, were donated to St Columba's during the year to 31 December 2014 and have a net book value of £175,000 (2023: £175,000). A manse was purchased during the year to 31 December 2018 for the Cornerstone congregation, net book value of £629,000 (2023: £629,000). Although Cornerstone became a Free Church congregation in its own right, and a separate registered charity on 11 October 2022, the legal transfer of ownership of the Cornerstone Manse and Church building had not been completed by the balance sheet date. As a result, these assets are retained on the St Columba's balance sheet until the legal transfer of ownership takes place. St Columba's Manse in Warrender Park Road was purchased from the Free Church of Scotland General Trustees in 2022. The value of the property is £800,000 (2023: £800,000).

Negative Restricted Fund Balance

At the yearend, the 'Cornerstone Building Project', a restricted fund, had a negative fund balance of £(165,471) (2023: £(165,471)). Due to the anomaly of the project being funded like a capital project, but under the SORP the expenditure was considered repairs rather than capital expenditure and therefore written off in the SOFA in the current year rather than over the term of the loan, this has resulted in a negative restricted fund at the year end. The 'Cornerstone Designated Fund' is funding the repayments of the loan over the term of the loan. Had the expenditure been treated as capital, the fund would be in surplus with the net book value of the expenditure materially more than the balance of the loan outstanding. As the loan is repaid, there will be a transfer from the designated fund to the restricted fund to clear the loan balance over the term of the loan. It is therefore considered appropriate to carry forward the negative restricted fund balance which will be released from the designated fund as the loan is repaid over the term of the loan. As noted above, it is expected that the properties and associated loans will be transferred to Cornerstone in due course as it is now an independent charity.
