Structure, governance and management

Type of governing document

The Cathedral is an unincorporated association, governed by Constitution dated 9th June 1920 and revised 9th January 2016. For the purposes of charity law, the members of the Vestry are the Charity Trustees of the Cathedral of St John the Divine. The heritable property of the Cathedral is vested in the Trustees of the Diocese ("the Property Trustees") together with the Rector and Churchwardens in trust for the Cathedral. The Cathedral is a member congregation of the Diocese of Argyll and The Isles in the Scottish Episcopal Church.

The Bishop of Argyll and The Isles has pastoral oversight of all congregations within the Diocese, and all congregations are subject to Canon Law of the Scottish Episcopal Church.

Trustee recruitment and appointment

The elected members of the Vestry (the four Ordinary members, the Lay Representative, the Alternate Lay Representative and the Peoples' Warden) are elected at the Annual General Meeting. One third of the elected members retire by rotation each year; those retiring being those who have served longest since their last election. The Provost's warden is appointed by the Provost. The Vestry Secretary and Treasurer are appointed by the Vestry and there is the opportunity to co-opt additional members during the year by the Vestry where it is deemed useful to the Vestry.

The elected members must be Constituent Members of the Congregation.

Objectives and activities

Charitable purposes

The Cathedral is established for exclusively charitable purposes, primarily for the advancement of religion and to provide public benefit.

Summary of the main activities in relation to these objects

The main objectives of the Vestry are to advance the mission of the Church through worship, service, and fellowship. These objectives are carried out through mission and pastoral activities. The principal activities of the Cathedral are public worship and the spiritual development of its members.

Donations are made regularly to charitable causes that provide benefits to disadvantaged individuals and communities in Scotland, the rest of the United Kingdom and overseas. The Cathedral makes its buildings available to charities and similar public-benefit bodies for a modest fee.

Achievements and performance

Summary of the main achievements of the charity during the financial period

The Vestry has met regularly over the year to guide and lead the Cathedral in all matters pertaining to the worship and practical management of the finances and property. The Vestry continue to engage to expertise of an Accountancy firm whilst managing day to-day payments and budgeting internally. Building maintenance is managed and carried out by professionals and, where practical and safe – by volunteers.

We are heartened by the increase in membership and attendance at services with our statistics noting an increase of communions to take the total over the year to 3818. Our regular, less formal fortnightly Sunday afternoon service 'Fellowship @ 5' enables a deepening of faith by discussion. This balances our more formal Eucharist and Office of Evensong. We continue to offer monthly Episcopalian worship in the Kirk at Kilbrandon (Isle of Seil) and monthly at our dependent congregation at Ardbrecknish. We meet ecumenical leaders regularly and host a joint service at the Week of Prayer for Christian Unity. We also have a monthly lay led 'Sitting with Silence' which enables a more contemplative approach to prayer and offer weekly Compline during Advent and Lent, as well as daily services in Holy Week. Morning Prayer is said every Thursday in the Lady Chapel.

In our outreach we have hosted events during Oban’s Winter Festival and continued our support and welcome to Oban Music Society Concerts and other local groups. We host a bi-monthly Community Climate Café in the Narthex linked to Time for Change.

As a further ministry to the town, we offer a weekly Coffee space for conversation and friendship, throughout the year - enabling a warm and safe space to be available to the community during colder months. We have also entered into a contract with Hope Kitchen to use the garden below the Rectory as a place for local wellbeing – especially for those without their own gardens.

We are extending our support to other local and national charities by hosting specific fundraising events for Marie Curie and our local Lifeboat Station, Guide dogs for the Blind and others. We have also welcomed guest preachers. Our non-stipendiary Curate has now completed his curacy training and has a Diocesan Licence as an Assisting Priest. His fulltime work is now as Chaplain to HMRN but he continues to assist our dependent congregation at Ardbrecknish when available, as well the Cathedral and Kilbrandon congregation.

The Cathedral continues to work towards our part of our Vision of better accessibility in worship, both physically, pastorally and culturally- as we become more aware of the changing life-styles, language, contexts and culture of which we are now a part and with whom we need to find a better voice to engage with.

We are actively progressing the decision to make our Cathedral accessible to all, with a wheelchair lift being in the process of being installed in the Narthex entrance. We are planning an accessible toilet once the wheelchair lift is installed.

In the light of current Climate Concerns, we have been actively looking at the means to fulfil our vision by re-using and recycling where at all possible, being led in this by our Eco-Group. We are currently installing electrical heating to replace our gas boiler radiator system which has failed.

We continue our ongoing maintenance and care of the fabric of the building.

We have begun a campaign to raise money for a new electronic organ, just installed, upon the failure of our former organ. There have been many community events already in the Cathedral and wide participation across the town and beyond as we begin raising the £55,500 cost.

Our Bishop continues to support and encourage us and we are heartened and encouraged to continue our worship and mission in the heart of the community and seeking to bring God’s good news to the fore of the lives of those amongst whom we live and work.

Financial Review

Brief statement of the charity’s policy on reserves

The Vestry’s reserves policy is to maintain reserves so that cash and investment income is sufficient to meet three months normal operating costs and any other committed expenditure. The unrestricted cash balances held at 30 September 2024 were £101,778, annual unrestricted income from investments was £8,263. The vestry is satisfied that the reserves are sufficient to meet three months normal operating costs (3 months committed expenditure for 2024/25 is approximately £25,000, which excludes discretionary items.)

The stellar performance of the Scottish Episcopal Church Unit Trust Pool has continued, resulting in a significant increase in the value of our investments, which now stand at £387,973. It is the intent of the Vestry to use the increase in value to develop the mission of the Cathedral.

.....

Donated facilities and services (if any)

In carrying out its objectives the Vestry depends upon the contribution, both human and material, of many volunteers from the congregation. Activities carried out include contributions preparatory to and during worship, service on committees and through group activities, the maintenance of premises and fabric, and a variety of pastoral and social activities. These contributions are all highly valued and all members of the congregation are encouraged to, and many do, participate in them.

Other optional information

Statement of Vision

Our Vision remains to develop and enhance our witness and worship, ensuring that God’s message continues to be

proclaimed now and in the future in ways that speak both to our current congregation and reach out beyond our walls.

We believe that increasing our facilities and potential will be vital in our mission and outreach, care and worship in both the short and long-term future and thus we look forward with hope and positivity.

We believe that to live in faith with integrity, we must care for each other and protect the present and future of the world and will work towards the goals of our Episcopal principles set by our General Synod.

Our Vision is twofold

- To offer hospitality & a breadth of worship that shares the love of God and care for all humanity
- to develop our own faith in order to reach out in witness to others

Type of governing document

The Cathedral is an unincorporated association, governed by Constitution dated 9th June 1920 and revised 9th January 2016. For the purposes of charity law, the members of the Vestry are the Charity Trustees of the Cathedral of St John the Divine. The heritable property of the Cathedral is vested in the Trustees of the Diocese ("the Property Trustees") together with the Rector and Churchwardens in trust for the Cathedral. The Cathedral is a member congregation of the Diocese of Argyll and The Isles in the Scottish Episcopal Church.

The Bishop of Argyll and The Isles has pastoral oversight of all congregations within the Diocese, and all congregations are subject to Canon Law of the Scottish Episcopal Church.

Trustee recruitment and appointment

The elected members of the Vestry (the four Ordinary members, the Lay Representative, the Alternate Lay Representative and the Peoples' Warden) are elected at the Annual General Meeting. One third of the elected members retire by rotation each year; those retiring being those who have served longest since their last election. The Provost's warden is appointed by the Provost. The Vestry Secretary and Treasurer are appointed by the Vestry.

The elected members must be Constituent Members of the Congregation.

Objectives and activities

Charitable purposes

The Cathedral is established for exclusively charitable purposes, primarily for the advancement of religion and to provide public benefit.

Summary of the main activities in relation to these objects

The main objectives of the Vestry are to advance the mission of the Church through worship, service, and fellowship. These objectives are carried out through mission and pastoral activities. The principal activities of the Cathedral are public worship and the spiritual development of its members.

Donations are made regularly to charitable causes that provide benefits to disadvantaged individuals and communities in Scotland, the rest of the United Kingdom and overseas. The Cathedral makes its buildings available to charities and similar public-benefit bodies for a modest fee.

Achievements and performance

Summary of the main achievements of the charity during the financial period

The Vestry has met regularly over the year to guide and lead the Cathedral in all matters pertaining to the worship and practical management of the finances and property. The Vestry continue to engage to expertise of an Accountancy firm whilst managing day to-day payments and budgeting internally. Building maintenance is managed and carried out by professionals and, where practical and safe – by volunteers.

We are heartened by the increase in membership and attendance at services with our statistics noting an increase of communions to take the total over the year to 3806. We have also made regular, a less formal fortnightly Sunday afternoon service 'Fellowship @ 5' which enables a deepening of faith by discussion. This balances our more formal Eucharist and Office of Evensong. We continue to offer monthly Episcopalian worship in the Kirk at Kilbrandon (Isle of Seil) and monthly at our dependent congregation at Ardbrecknish. We meet ecumenical leaders regularly and host a joint service at the Week of Prayer for Christian Unity.

In our outreach we have hosted events during Oban's Winter Festival and continued our support and welcome to Oban Music Society Concerts and other local group eg the Local Mod.

As a further ministry to the town, we offer a weekly Coffee space for conversation and friendship, throughout the year - enabling a warm and safe space to be available to the community during colder months. We have also entered into a contract with Hope Kitchen to use the garden below the Rectory as a place for local wellbeing – especially for those without their own gardens.

We are extending our support to other local and national charities by hosting specific fundraising events for Marie Curie and our local Lifeboat Station, Guide dogs for the Blind and others. We have also welcomed guest preachers. Our non-stipendiary Curate, whose fulltime work is now as Chaplain to HMRN continues to assist our dependent congregation at Ardbrecknish, as well the Cathedral and Kilbrandon congregation, as he completes his Curacy Training under the supervision of the Provost.

The Cathedral continues to work towards our part of our Vision of better accessibility in worship, both physically, pastorally and culturally- as we become more aware of the changing life-styles, language, contexts and culture of which we are now a part and with whom we need to find a better voice to engage with.

We are actively progressing the decision to make our Cathedral accessible to all, with a wheelchair lift being ordered for the Narthex entrance.

In the light of current Climate Concerns, we have been actively looking at the means to fulfil our vision by re-using and recycling where at all possible, being led in this by our Eco-Group.

We are delighted in the consecration of our new Bishop, who brings new spiritual impetus to us and the Diocese, and relieves the Provost of some of the more time-consuming parts of her work as Dean, her role as Bishop's Commissary ceasing at the end of this financial year. We are heartened and encouraged to continue our worship and mission in the heart of the community and seeking to bring God's good news to the fore of the lives of those amongst whom we live and work.

Financial Review

Brief statement of the charity's policy on reserves

The Vestry's reserves policy is to maintain reserves so that cash and investment income is sufficient to meet three months normal operating costs and any other committed expenditure. The unrestricted cash balances held at 30 September 2024 were £86,715.00, annual unrestricted income from investments was £7,261.00. The vestry is satisfied that the reserves are sufficient to meet three months normal operating costs (3 months committed expenditure for 2023/24 is approximately £25,000, which excludes discretionary items.)

The stellar performance of the Scottish Episcopal Church Unit Trust Pool has continued, resulting in a significant increase in the value of our investments, which now stand at £ 403,498. It is the intent of the Vestry to use the increase in value to develop the mission of the Cathedral.

Donated facilities and services (if any)

In carrying out its objectives the Vestry depends upon the contribution, both human and material, of many volunteers from the congregation. Activities carried out include contributions preparatory to and during worship, service on committees and through group activities, the maintenance of premises and fabric, and a variety of pastoral and social activities. These contributions are all highly valued and all members of the congregation are encouraged to, and many do, participate in them.

Other optional information

Statement of Vision

Our Vision remains to develop and enhance our witness and worship, ensuring that God's message continues to be proclaimed now and in the future in ways that speak both to our current congregation and reach out beyond our walls.

We believe that increasing our facilities and potential will be vital in our mission and outreach, care and worship in both the short and long-term future and thus we look forward with hope and positivity.

We believe that to live in faith with integrity, we must care for each other and protect the present and future of the world and will work towards the goals of our Episcopal principles set by our General Synod.

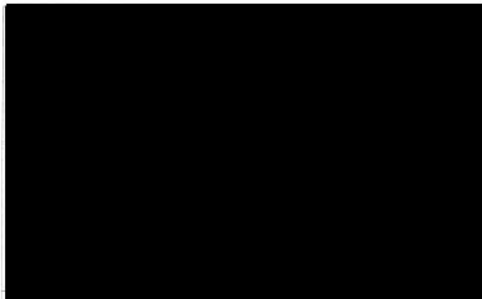

Our Vision is twofold

- To offer hospitality & a breadth of worship that shares the love of God and care for all humanity
- to develop our own faith in order to reach out in witness to others
