## Structure, Governance and Management

### Governing Document

The church is administered in accordance with the terms of a Unitary Constitution.

### Recruitment and Appointment of Trustees

All members of the Kirk Session are charity Trustees. Kirk Session members are the elders of the church and are selected from among the congregation based on their demonstrated gifts and skills. The minister, who is a named charity Trustee, was elected by the congregation and inducted by Presbytery. The treasurer, who is also a named charity Trustee, was agreed and attested by the Kirk Session.

In 2025, the roles of active elders and Trustees were formally aligned. This ensured that non-active elders were attested as elders emeritus and therefore no longer served as charity Trustees. As a result, we now fully meet the requirements of OSCR, the Scottish Charity Regulator, with all Trustees accurately recorded on its website.

### Organisational Structure

The Kirk Session, which would normally meet at least 6 times a year, is responsible for all spiritual and temporal matters. Business may be undertaken by appropriate committees. Our four main groupings are Mission and Outreach, Administration, Finance and Fabric, and Pastoral and Worship.

### Objectives

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in policy. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other churches in various ecumenical bodies in Scotland and beyond. King's Park Church is in a parish grouping with Croftfoot Parish Church with a view to a union when its ministerial position becomes vacant. Our Mission Statement is "King's Park Church sharing God's love, by reaching out to others"

### GENERAL PERFORMANCE

#### Roll

The roll at the end of December 2025 was 395.

#### Worship

Reverend Stuart Crawford was inducted to the pastoral charge of King's Park on 4 July 2024 and has since provided steady and effective leadership, ensuring that worship and community engagement remain central to the life of the congregation throughout 2025. In collaboration with the organist, he has introduced a thoughtful blend of recorded and traditional music within worship, which has been positively received. Notable worship initiatives included four weeks of informal summer church and a reflective Holy Week labyrinth. The congregation continues to benefit from the support of a full-time Pastoral Assistant, while the Kirk Session, through a smaller worship group, provides Sunday worship cover when required. High-quality audio and visual support is delivered by the audiovisual team, enabling the live streaming of services. This has significantly enhanced outreach, extending engagement both within the community and worldwide. In addition, the church's active social media presence provides timely communication with the community by promoting special services and events and sharing information from the Church of Scotland and Glasgow Presbytery. Together with the church website, these platforms ensure effective and far-reaching outreach well beyond King's Park.

#### Local Church Review

A highly successful Local Church Review was conducted by Presbytery in 2025, resulting in the agreement of a five-year action plan, with key areas for future development identified as outlined below.

- Gain a better understanding of who our neighbours are, especially those living within the parish
- Have greater financial security and stability

King's Park Church of Scotland, Glasgow

- Create spaces within the church to welcome a wider section of the community offering holistic care to those who come along
- Encourage and support new Christians develop their relationship with God through discipleship
- Develop how we worship both on a Sunday morning and at special times in the year such as advent and Holy Week
- Expand our ministry to young families and encourage their presence in the congregation
- Provide a safe space to support and mentor the male members and attenders within the congregation in their faith journey

### Pastoral Care and Community Engagement

Throughout the year, the congregation has demonstrated a strong and sustained commitment to community engagement, pastoral care, and outward-facing mission. Our Pastoral Assistant continued to care for the sick and elderly, pastoral care for individuals was addressed through the regular distribution of flowers to those who were unwell, bereaved, or housebound, alongside the continued circulation of the bi-monthly church magazine and the effective use of the church website and social media platforms to maintain communication and connection. A wide range of seasonal and community-focused initiatives, including litter picks, prayer walks, "come and see" summer activities, and the creation of a Garden of Remembrance and display of poppies, encouraged participation, visibility, and reflection across the parish.

The successful Summer Church venture provided an informal, accessible, and welcoming entry point for both regular worshippers and newcomers, strengthening relationships within the community. This was reflected in an encouraging increase in the number of baptisms during the year, together with a significant intake of new communicant members, highlighting renewed engagement with families and individuals and growth in congregational life. Intergenerational involvement continued to be a priority through Sunday School development and Messy Church celebrations at Easter and Christmas, family-friendly worship opportunities, and ongoing links with local primary and secondary schools.

Strong ecumenical and community partnerships were further evidenced through the well-attended joint service with St Oswald's, which brought congregations together in shared worship and fellowship. The celebration of a Long Service Awards Service provided an important opportunity to recognise and give thanks for the faithful commitment and contribution of members over many years. In addition, the church maintained active support for a range of partner organisations and charities, including ReachOut Trust, Lodging House Mission, Christian Aid, and local school chaplaincies. Community events, fundraising activities, concerts, and shared services throughout the year further strengthened relationships with local groups and neighbouring churches, reflecting an outward-looking congregation rooted in service, partnership, and compassionate care.

## **Points to note for the year ahead**

Like previous years, the congregation is encouraged to continue exploring ways to manage the ongoing annual financial running of the church, in order to avoid a deficit. This may be achieved through a combination of increased income, changes to costs and savings, or other appropriate measures.

The main financial challenges anticipated for the year ahead include the ongoing increase in the *Giving to Grow* contribution and the continuing issue of monthly outgoings regularly exceeding income. The Session is aware of insolvency warnings and, while the church is not currently at that stage, it is recognised that the ongoing trend of annual deficits cannot continue indefinitely, as financial reserves are falling to an unsustainably low level.

King's Park Church of Scotland, Glasgow

To address short-term financial pressures, steps were taken in 2025 when the Session agreed that the rental property owned by the church (the former church officer's house) should be sold. This decision was not taken lightly. The sale will require payment of a levy to the Church of Scotland, along with associated selling costs, and will also result in the loss of rental income of approximately £7,000 per annum. Nevertheless, the sale is considered a necessary measure. It is anticipated that the property will be sold in 2026 and is expected to raise a net sum in the region of £90,000–£100,000, depending on the sale price achieved.

## Reserves Policy

The charity trustees have considered reserves required and have taken into account their current and future liabilities. It is the Trustees' policy to hold reserves of approximately two months' expenditure.

## Statement of Trustees' Responsibilities

The Trustees must prepare financial statements which give sufficient detail to enable an appreciation of the transactions of the church during the financial year. The Trustees are responsible for keeping proper accounting records which, on request, must reflect the financial position of the church at that time.

This must be done to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Regulations Anent Congregational Finance approved by the General Assembly of the Church of Scotland in 2016. They are also responsible for safeguarding the assets of the Church and must take reasonable steps for the prevention and/or detection of fraud and other irregularities.

Approved by the Trustees and signed on their behalf.

Lynda Young  
Session Clerk

Date: 18/3/26.

### Independent examiner's statement

In the course of my examination, no matter has come to my attention:

### **Recruitment and Appointment of Trustees**

Members of the Kirk Session are the charity Trustees. The Kirk Session members are the elders of the church and are chosen from those members of the church who are considered to have the appropriate gifts and skills. The minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery.

The position of minister has been vacant since 2019. In accordance with church law, a nominating committee was formed in 2023. They subsequently nominated [REDACTED] to preach at King's Park on Sunday 12<sup>th</sup> May 2024. The said [REDACTED] was inducted to the pastoral charge of King's Park on a five year reviewable tenure on 4<sup>th</sup> July 2024 by the Presbytery of Glasgow.

### **Organisational Structure**

The Kirk Session, which would normally meet at least 6 times a year, is responsible for all spiritual and temporal matters. Business may be undertaken by appropriate committees. Our four main groupings are Mission and Outreach, Administration, Finance and Fabric, and Pastoral and Worship.

### **Objectives and Activities**

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other churches in various ecumenical bodies in Scotland and beyond.

King's Park Church is in a parish grouping with Croftfoot Parish Church with a view to a union when its ministerial position becomes vacant.

Our Mission Statement is "King's Park Church sharing God's love, by reaching out to others"

## General Performance

The roll at the end of December 2024 was 398.

The church became vacant in June 2019 following the departure of the minister to another charge. A Locum was appointed until [REDACTED] was inducted to the pastoral charge of King's Park on 4<sup>th</sup> July 2024. We continue to employ a full time Pastoral Assistant and our worship team continue to be involved in Sunday worship when needed.

Our audiovisual team, working with a professional sound system/desk, discretely installed cameras and computer system, continue to provide audio and visual support to ensure a high-quality live service both in the sanctuary and online via Facebook with the service being uploaded onto YouTube later. This continues to be a real witness to, not only community outreach, but worldwide engagement, with approximately 12.5K people reached via Facebook and 3.8K views on our YouTube channel. As well as providing live streaming, our social media provides a quick and easy link to the community, advertising special services and events and sharing information from the Church of Scotland and Glasgow Presbytery social media pages. This, alongside our website, ensures outreach far beyond King's Park.

Flowers were distributed to members of the congregation who were unwell or bereaved.

The church magazine has continued to be distributed bi-monthly.

During Holy Week, a bare cross was placed outside, which was decorated with daffodils and we hosted 'The Passion' play by LAMPS Collective, which was streamed live on our Facebook page.

Summer Community litter pick and prayer walk.

Summer 'come and see' group, introducing all church activities to the local community.

Celebration of new minister with social evening after induction.

Harvest flowers and plants were distributed to housebound members.

Prayer elder continues to promote the importance of prayer by providing updates on prayer lists and the circulating of prayer cards.

The church continues to be part of Scotland's Churches Scheme, Sacred Scotland.

Church website continues to be a useful point of contact for many people, with continued use of Facebook, Twitter and Instagram accounts.

Points of note for year ahead

As always, the congregation should continue to explore ways to manage the ongoing annual financial running of the church to avoid a deficit, through income increases, cost changes or savings, or a combination of all, as best possible.

The main financial challenges foreseen at this time for the year ahead are the significant increases in energy costs tariffs, increased Giving to Grow contribution and the ongoing issue of monthly outgoings regularly exceeding income.

**Reserves Policy**

The charity trustees have considered reserves required and have taken into account their current and future liabilities. It is the Trustees' policy to hold reserves of approximately three months expenditure.

**Statement of Trustees' Responsibilities**

The Trustees must prepare financial statements which give sufficient detail to enable an appreciation of the transactions of the church during the financial year. The Trustees are responsible for keeping proper accounting records which, on request, must reflect the financial position of the church at that time. This must be done to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the Regulations Anent Congregational Finance approved by the General Assembly of the Church of Scotland in 2016. They are also responsible for safeguarding the assets of the Church and must take reasonable steps for the prevention and/or detection of fraud and other irregularities.

Approved by the Trustees and signed on their behalf.

## Independent Examiner's Report to the Trustees of King's Park, Glasgow Church of Scotland

I report on the accounts of the charity for year ended 31<sup>st</sup> December 2024 which are set out on pages 8 to 15.

### Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity trustees consider that the audit requirement of Regulation 10(1)(d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

### Basis of independent examiner's statement

An examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

### Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- 1 which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended), and
  - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations (as amended) have not been met, or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
