**Balgay Parish Church of Scotland
Trustees' Report
Year ended 31 December 2020**

The trustees present their annual report and financial statements of the charity for the year ended 31 December 2020. The financial statements have been prepared in accordance with the accounting policies set out in Note 1 on page 9 of the accounts and comply with the General Assembly Regulations for Congregational Finance, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published on 16 July 2014.

Aim and Purposes

Dundee: Balgay Parish Church of Scotland has the responsibility in promoting the whole mission of the Church, pastoral, evangelistic, social and ecumenical.

It also has the specific responsibility for the maintenance of the Church and Halls at Tullideph Road, Dundee.

Objectives and Activities

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition, and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish in Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

Services are held every Sunday, and also on special occasions (Easter, Christmas etc.). The services are supported by our organist. There is a crèche and Sunday School. A Friendship Group meet monthly throughout the winter session, and social activities are well catered for with groups for Crafts, Flower Arranging, Dancing, Supper Club and Rambling.

Achievements and Performance

The worship, witness and fellowship of the church has continued throughout a very challenging year. The year started with our normal routine of services and plans for Easter. This was thrown into disarray when we went into lockdown in March and the closure of our building. Undaunted we had to look at ways of worship and communication for what we thought would be the short term. After a short time we started You Tube videos for a service online that could be viewed at home or listen to on a dedicated phone line. Our Elders kept in touch with their districts primarily by phone. We started a newsletter which was delivered to all those with email addresses and handed in to those that needed paper copies. An informal chat time "Time for Tea" was set up on Zoom for Thursday then moved to Wednesday afternoons. The congregation and office bearers continued to work together with our Minister to maintain the good of the church and parish. Board and Session meetings had to use Zoom and this enabled the business of the church to continue. Our finances were stretched however without regular services in the building and no income from the hire of the halls. We still had our financial commitments to keep. We decided to hold services back in the church on a trial basis when we were able in September although limited to 50 people and many other restrictions for their safety in place. This proved popular and we then agreed to hold fortnightly services until we were once again in lockdown. We trialled Zoom services at the end of the year and these are

proving successful. They continued to be available on You Tube. The gifts of all members and others are valued in the life and work of the church.

We now have to look forward and we must now consider where Balgay is going and what is required to maintain its future. Although we do not know what currently lies in store for our church we must continue to carry out all our normal programmes and new initiatives when we are able to have a life without restriction. However we have to be aware of the risks facing our congregation with a falling roll, an aging congregation, restricted finances, large church repairs required and the effects of Covid 19 on us all. As well as strongly focussing on maintaining the church's worship, its pastoral work and continuing care of members, the property and fabric requires a considerable expenditure to address items of which we were aware and have appeared in our Quinquennial inspection. Fund raising had already started to support this and fund raising events which also incorporate fellowship with each other will be planned for the future. The input of all organisations plays an important role in the regular life of the congregation. The last year has challenged all our members and they have to look forward with a focus and be realistic in their support for the church, with an awareness of increasing costs and declining roll. We have to look forward to promoting and moving the church onwards in its services to the congregation, local neighbourhood and the wider world. These are very challenging times for the Church and we must be positive and have a clear vision to help achieve our goals and to care and help in God's name.

Financial Review

The principal source of income is from donations from offerings including tax recovered on Gift Aid which decreased from £51,441 to £49,812 a decrease of £1,629. During the Covid pandemic the church was closed for many months and this reflects most of the decrease in offerings. The Trustees are aware of this situation and are taking steps to rectify the situation. A large part of the Fabric repairs related to electrical repairs. Further repairs will still have to be undertaken next year.

Risk Management

The current risks to the church are the demands on our finances to maintain our buildings and the current outstanding works required. We are currently working to raise funds for these works to minimise the impact they will have on our day to day income.

Reserves Policy

The charity trustees have considered the reserves required and have taken into account their current and future liabilities. It is the Trustees policy to hold reserves of approximately two months general expenditure in General Funds including designated funds with sufficient funds being transferred to cover fabric expenditure. At the end of the year the church held unrestricted funds of £58,755 which included a loss of £6,477 for fabric purposes. The remaining balances have been designated as specified in Note 16 Movement in Funds. The restricted funds have increased from £8,211 to £8,460 and the endowment funds have increased slightly from £1,523 to £1,548.

Structure, Governance and Management

The congregation is a registered charity, number SC017449 and is administered in accordance with the terms of the Model Deed of Constitution and is subject to the Acts and Regulations of the General Assembly of the Church of Scotland.

Members of the Kirk session and the Congregational Board are the charity trustees. The Kirk Session members are the elders of the church and are chosen from those members of the

church who are considered to have the appropriate gifts and skills. The minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery. The Congregational Board is appointed from within the congregation and members of the congregation are invited to nominate individuals who are believed to have the skills and commitment to contribute to the management affairs of the church, to become members of the Board. Board members are then appointed at the Stated Annual Meeting and serve for a period of three years after which they must seek re-election at the next Stated Annual Meeting. The Congregational Board is chaired by the minister and meets five times in a year. The Kirk Session which meets five times a year is responsible for spiritual affairs within the church. Both bodies also meet as and when required for specific business.

Trustees' Responsibilities in Relation to the Financial Statements

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Law applicable to charities in Scotland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

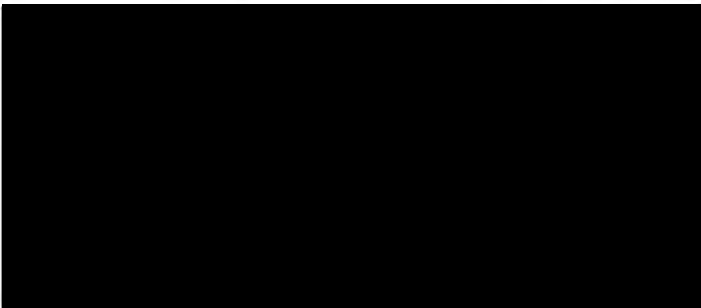

In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the method and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable it to ensure that the accounts comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information on the congregation's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the Trustees and signed on their behalf,

Report of the Independent Examiner

I report on the accounts of the charity for the year ended 31 December 2020, which are set out on pages 7 to 16 up to and including Note 17.

Respective responsibilities of trustees and examiner

The charity trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

Independent examiner's statement

In the course of my examination no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended), and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations (as amended) have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes forming part of the financial statements For the year ended 31 December 2020

Accounting Policies

The following accounting policies have been applied consistently in the current and preceding year in dealing with items which are considered material in relation to the charity's accounts.

a) Basis of preparation

The accounts have been prepared in accordance with applicable accounting standards and under the historical cost convention, modified to reflect the inclusion of investments at market value, and include the results of the charity's operations, all of which are continuing.

The charity has adopted the requirements of Statement of Recommended Practice - "Accounting and Reporting by Charities" Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

b) Fund Accounting

Funds are classified as either endowment funds, restricted funds or unrestricted funds, defined as follows:-

Endowment Funds are funds given on the condition that the original capital sum is not reduced, but that the income therefrom is used for the purpose defined in accordance with the objects of the charity.

Restricted Funds are funds subject to specific requirements as to their use, which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity.

Unrestricted Funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund (*Designated Funds*). The designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

c) Incoming Resources

All donations and gifts are included within incoming resources under either unrestricted or restricted funds according to the terms under which the donation is made and when the amount can be quantified with reasonable certainty. Donations and gifts in kind are brought into the accounts at their market value to the charity.

Donated Services and Facilities

Donated professional services and donated facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102) the general volunteer time of congregation members is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised as expenditure in the period of receipt.

d) Resources Expended

All expenditure is included on an accruals basis and is recognised when there is a legal obligation to pay. Irrecoverable VAT is charged against the relevant category of resource expended.

Charitable activities include expenditure associated with carrying out the charity's objectives.

Costs of generating funds are those costs associated with attracting voluntary income.

Governance costs include those incurred in the governance of the charity and its assets and are associated primarily with constitutional and statutory requirements.

e) Tangible Fixed Assets

The charity has the right to occupy and use for its charitable objects certain tangible fixed assets, including the church, halls and manse, vested in the Church of Scotland General Trustees. No consideration is payable for the use of these assets. Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the statement of financial activities in the period in which the liability arises.

f) Investments

Fixed asset investments are stated at market value at the balance sheet date. Unrealised gains and losses represent the difference between the market value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and market value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the market value at the start of the year or cost if purchased in the year.

g) Taxation

Dundee: Balgay Parish Church of Scotland is recognised as a charity for the purposes of applicable taxation legislation and is not, therefore, subject to taxation on its charitable activities. The charity is not registered for VAT and resources expended therefore include irrecoverable input VAT.

7 Staff Costs and Numbers

	2020	2019
	£	£
Salaries	3,406	7,861

The average number of employees during the year, calculated on the basis of a head count, was as follows

	Number	Number
Organist	0(1 resigned 4/10/20)	1
Cleaner	1	1

No employee had employee benefits in excess of £50,000

All Church of Scotland congregations contribute to the National Stipend Fund which bears the costs of all ministers' stipends and employer's contributions for national insurance, pension and housing and loan fund. Ministers' stipends are paid in accordance with the national stipend scale, which is related to years of service.

For the year under review the minimum stipend was £28,137 and the maximum stipend (in 5th and subsequent years of service) £34,577

8 Trustee Remuneration and Related Party Transactions

During the year, 1 Trustee received reimbursement of expenses incurred, totalling £ 3,292 (2019 1 Trustee - £2635)

No Trustee or a person related to a Trustee had any personal interest in any contract or transaction entered into by the charity during the year.

During the year a total of £16,443 was donated to the congregation by trustees.

15 Volunteers

In common with all congregations of the Church of Scotland, the congregation benefits from the contribution made by volunteers who give their time and talents willingly for the benefit of the Church. The areas of congregational life which rely on the contribution of volunteers are many and varied and much of the activity would be unable to continue were it not for the commitment shown.
