Structure, Governance and Management

Governing Document

Patrick Mulholland Trust is a charitable trust set up and registered on 17 June 1942, from the Estate of the late Patrick Mulholland who died on 4 March 1942.

Appointment of Trustees

Trustees are appointed in terms of the trust deed and the law of Scotland governing such appointments.

Trustee Induction and Training

The trustees have been in office for a number of years. They are accordingly thoroughly familiar with the affairs of the Trust. Trainor Alston manage the day to day affairs of the Trust. The assets of the Trust are managed by a professional firm of stockbrokers.

Risk Management

The Trust is professionally managed by the firm of solicitors who are responsible for the day to day running of the Trust's finances. They report to the Trustees on a quarterly basis and annually when a review of the year's activities is carried out.

Objectives and Activities

- a) The Trust will normally operate in Scotland.
- b) Its objectives are to relieve the financial hardship of the necessitous poor of Greenock and to relieve necessitous children anywhere.
- c) To do all things as will properly attain the above purposes.

Principal Policies to Achieve Objectives

The organisation is principally funded by investment income from capital invested in the UK stock market and Bank Deposits. The stock market portfolio is professionally managed by Rathbones Stockbrokers.

Achievement and Performance

The Trust has made donations to various charitable causes both individual and corporate during the year. These include local hospices. The charity is entirely dependent on the income (dividends and interest) generated by its own capital assets mainly stocks and shares, the portfolio of which is professionally managed. It does not receive any income from any other sources.

Financial Review

Careful investment has resulted in a steady increase in the assets of the Trust and its income generated for charitable purposes. The market value of the investments at 31 July 2025 was £514,017 (2024 - £500,321) representing an increase of 2.7% over the previous year due to market fluctuations. The gross income was £18,607 when compared with £18,214 for the previous period. Payments to beneficiaries amounted to £12,800 (2024 - £14,400). The running costs of the Trust comprise necessary professional fees which are assessed by the Auditor of Court.

Patrick Mulholland Trust
Report of the Trustees Management Committee
Year ended 31 July 2025

Plans for Future Periods

The trustees aim to continue their investment policies to maximise income for charitable purposes without compromising the integrity of the capital fund. The trustees remain committed to supporting existing and new beneficiaries within the objects and terms of the Trust deed.

Reserves Policy

It is the general policy of the Trust to disburse revenue income to its charitable purposes retaining only sufficient amounts required to maintain the reserves of the organisation at a level appropriate for the Trust's requirements.

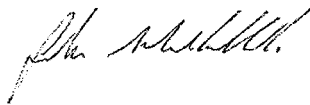

Approved by the Management Committee on 28 April 2026 and signed on its behalf by:

Report of the Independent Examiners to the Trustees of the Patrick Mulholland's Trust

I report on the financial statements of the Trust for the year ended 31 July 2025 which are set out on pages 5 to 9.

Respective responsibilities of the management committee and independent examiners

The charity's management committee are responsible for the preparation of the financial statements in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's management committee consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the financial statements as required under Section 44(1)(c) of the Act and to state whether particular matters have come to our attention.

Basis of Independent Examiner's Report

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeks explanations from the management committee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

Independent Examiner's Statement

In the course of our examination, no matter has come to my attention,

1 which gives me reasonable cause to believe that, in any material respect, the requirements:

- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
- to prepare financial statements which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

Notes to the financial statements
Year ended 31 July 2025

1 Accounting policies

The financial statements of the charity are prepared in accordance with the Charities Accounts (Scotland) Regulations 2006 and with applicable accounting standards. The financial statements are drawn up on the historical cost basis with the exception of fixed asset investments which are carried at market value.

Resources expended

Resources expended are accounted for on an accruals basis. Certain expenditure is apportioned between capital and revenue based on the estimated amount applicable to each heading.

Investments and investment income

Investments are included at the closing mid-market value at the balance sheet date. Any gains or losses on revaluation are taken to the SOFA. Investment income is accounted for in the period in which the charity is entitled to receipt.
