Activities

Activities: 'It makes grants, donations, loans, gifts or pensions to individuals','It makes grants, donations or gifts to organisations','It carries out activities or services itself'

Purposes: 'the advancement of health','the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: Our No Life Half Lived strategy outlines our belief that every person with our conditions should have access to quality supported self management and community recovery. Our Community Healthcare Support Service ensures that we can provide one-to-one support tailored to the needs of each person. From our free, confidential Advice Line and community support services to our Peer Support Groups and Health Information, our services ensure that nobody has to recover alone. We also campaign for better care and services for people with chest, heart and stroke conditions and Long Covid, provide Health Defence services to help people live healthier lives and invest in services to support the future care of people with our conditions. We work with public, private and academic sector partners to develop new services and solutions to improve the lives of people living with chest, heart, stroke and Long Covid conditions.

Beneficiaries: 'Older People','People with disabilities or health problems'

Objectives: The objects of the Charity are: 3.1 The advancement of health through improving the quality of life for people in Scotland, and elsewhere, affected by chest, heart and stroke Conditions, through medical research, influencing public policy, education, advice & training and provision of healthcare and other support services. 3.2 To engage in and to undertake all other similar charitable purposes.
