Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of health'

What the charity does: We provide a raft of activities to help people self manage their long term health conditions and challenging life circumstances. Some come in person to our Centre base. others are reached through our outreach work in their own homes. We work alongside people, connect them with others to reduce isolation and help them to live healthier, happier lives.

Beneficiaries: 'People with disabilities or health problems'

Objectives: 3. The Charity's objects are :- (i) To provide and administer a Centre in Mid-Argyll to improve the condition of people with Multiple Sclerosis, their families and carers. (ii) To provide a range of services and therapies to people with Multiple Sclerosis, their families and carers. (iii) To provide information, advice and guidance to people with Multiple Sclerosis, their families and carers. (iv) To provide services, therapies, information, advice and guidance to people with health concerns other than multiple sclerosis, their families and carers, provided that in doing so no service to those with multiple sclerosis is diminished . (v) To improve education and research into health concerns for the public benefit.
