Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of health', 'the advancement of citizenship or community development', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage', 'any other purpose that may reasonably be regarded as analogous to any of the preceding purposes'

What the charity does: We are a special needs school with pupils who have complex medical needs & those with autism. We provide highly structured & fun learning opportunities to enable pupils to achieve their potential as they prepare for the future. Our charity was set up to help us to achieve this by engaging therapists and organisations who specialise in working with our children. Also we can buy expensive equipment such as Big Macs which our budget wouldn't fund.

In furtherance of these objects but not otherwise, the Organisation shall seek: (i) To develop a school environmental project accessible to children and young people, especially those with complex needs. (ii) To provide information on how to access services provided by other organisations, which support children and young people with

complex special educational needs. and (iii) To do all other things as are charitable in law in order to attain these objects.
