What the charity does: Churches Action for the Homeless provides support for people to access and maintain accommodation and thrive in their homes and communities. We take a holistic view of supporting people via a variety of projects - our Outreach Service provides a crisis response across Perth & Kinross, our Community Hub provides both humanitarian support alongside group and individual support sessions and activities. Our temporary accommodation service provides self contained accommodation to those wishing to further their recovery from addiction and prepare for independent living. Our Floating Housing Support service provides tenancy sustainment support to people in their own homes. We additionally have a pre-employability service and adult learning support. Our charity shop provides low cost, high quality items and volunteering opportunities and On The Mend, our creative project, brings people together to learn new craft skills and upcycle donated items.
