STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

The Carluke & District Young Farmers Club is an unincorporated charity. The Charity exists to provide a greater interest and efficiency in agriculture and to make rural life more attractive to younger members of the community by providing social amenities and means of healthy recreation. The constitution was adopted at a meeting held on 31 May 1993. The club was approved by the Inland Revenue as a charity for the purposes of section 505 ICTA 1998 on 25 October 1993. It is recognised as a Scottish charity, number SCO21892.

Recruitment and appointment of new trustees

Trustees are appointed at the Annual General Meeting of the club by the members. Trustees must comply with the fit and proper requirements before being accepted as a trustee. The members also appoint members to committees at the AGM.

Risk management

The trustees recognise the need to safeguard the club's assets and to this end have a policy of only investing in risk free deposit accounts with UK banks.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

This was another successful and busy year for Carluke Young Farmers, with a promising influx of new members, particularly juniors. The club hosted events throughout the year including; sporting events, tug of war, new member nights, car treasure hunts and many more. We held another great UV paint party dance, dinner dance and Christmas dance this year - we hope this continues to be such a big success in future years. It was fantastic to see a great range of social events in the club calendar.

We had selected The Haven as our charity to support this year. We held a charity mud run, quiz night and coffee morning all in aid of our chosen charity - The Haven. All of these events were very well supported.

We were welcomed back to Lanark Memorial Concert Hall for our annual variety concert which was a great hit with just under 50 members taking to the stage. The club continues with an excellent rate of attendance at Lanarkshire, West and National events - a big thanks must go to all our members for their support and engagement throughout the year. The number of Affiliated Members for 2024/25 was as follows:-

Membership	2024/25	2024/25
Senior	45	35
New senior	0	3
Junior	16	23

Total	71	69

FUTURE DEVELOPMENTS

The club shall continue to organise activities which meet the objectives of the club. We shall continue to use social media and the SAYFC website as means of promoting our club, acknowledging achievements, keeping in touch with members past and present, and recruiting new members.

Utilising the club social media pages to publicise our photos and results from events is a great way to show what Carluke Young Farmers is all about. It continues to be an excellent asset in terms of attracting and encouraging any potential new members.

In the forthcoming year, we shall aim to continue our successful recruitment drive, focusing on ensuring that we are offering all our members activities that they enjoy, and we will continue to add any new events which have good support to the current syllabus. We will also continue to try and work within the local community where possible to allow us to promote the benefits of Young Farmers and rural life to youngsters. We hope that by maintaining a busy syllabus that supports our aims and the members' interests keeping it fresh and the club can continue to go from strength to strength.

**Independent Examiner's Report to the Trustees of
Carluke & District Young Farmers Club**

I report on the accounts for the year ended 1 March 2026 set out on pages five to eight.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Carluke & District Young Farmers Club

Notes to the Financial Statements

Year Ended 1st March 2025

1. General information

Carluke and District Young Farmers Club is a registered charity (Scottish Charity number SCO 21892) and is not liable to income tax or corporation tax on its income under the Income and Corporations Taxes Act 1988.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities and Trustee Investment (Scotland) Act 2005 and the Charity Accounts (Scotland) Regulations 2006 (as amended).

3. Accounting policies

Basis of preparation

The club meets the definition of a public benefit entity in terms of FRS102.

The financial statements have been prepared on the historical cost basis.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the club's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires trustees to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The trustees are of the opinion that there are no matters of significant judgements, estimates or assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities in the next financial year.

Taxation

Carluke and District Young Farmers Club is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. The charity is not registered for VAT.

3. Accounting policies (continued)

Fund accounting

Funds are classified as either restricted funds or unrestricted funds, defined as follows.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objectives of the club.

Unrestricted funds are expendable at the discretion of the trustees in furtherance of the objectives of the club. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

Income

All income, including donations of goods and services is included in the statement of financial activities when the charity is entitled to the income, any performance related conditions attached have been met or are fully within the control of the charity, the income is considered probable, and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred:

- ☐ Charitable expenditure comprises those costs incurred by the club in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- ☐ Other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at the amount receivable or payable, including any related transaction costs, and subsequently measured at their settlement value.

Debtors

Debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

Creditors

Creditors are recognised where the club has a present obligation resulting from a past event that will probably result in a transfer of funds to a third party and the amount due to settle the obligation can be measured.
