Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of citizenship or community development', 'the advancement of environmental protection or improvement', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: We support people in Lochaber who are living with disabilities or long-term health conditions to live more independently and feel more connected to their community. We do this by offering a free, friendly drop-in service where people can get help with benefits, forms, and advice. Our community transport service helps people get to important appointments, go shopping, or visit friends when public transport isn't an option. We also run a supported volunteering programme that helps people build confidence, learn new skills, and give back. For those over 50 or feeling isolated, we offer social groups and one-to-one support to help improve wellbeing and quality of life.

Beneficiaries: 'Children or young people', 'Older People', 'People with disabilities or health problems'

Objectives: The objects of the Company are to advance the education of, and to promote the relief of all people with disabilities in the Lochaber area.
