Markinch Town Hall Management Committee

Chairperson's Report – AGM – Year Ended 31 March 2025

A very warm welcome to you all and thank you for coming along this evening to our Annual General Meeting. Our management committee hold regular meetings throughout the year to assist in maintaining and supporting the use of this Town Hall and I am delighted to share with you our aims and achievements since our previous meeting last year. We have focused on making some major improvements both inside and outside the property to keep the hall up to a high standard for both the community and hall users.

Our outside front windows have been upgraded and refurbished and will shortly be painting the front entrance door now that the better weather has arrived. The lower walls in the main hall were given a further coat of paint as this area receives the most damage. Our chairs and tables have been extremely well used over the years but between wear and tear and comments on the weight of the chairs, were in need of an upgrade. This was a large expense and replacement of the chairs, tables and new storage trolleys cost us around £23,000. Both the above inside and outside expenses were partially funded by a successful application for a Recovery Fund Grant where we received £20,000. Our hall users have been appreciative of these improvements and we regularly receive positive feedback for both the look of the hall and the facilities available. Whilst our old tables and chairs had been well used, we have managed to support a number of local groups and other halls by both donating and selling on all of these to continue being used.

Following Fife Council's report last year that the load bearing bar in the main hall was to be replaced, there have been a number of meetings, discussions and quotes for this replacement. Whilst this was mainly used by MAOS in the past, a number of recent lets have requested lighting etc. so it was agreed that the committee would contribute to the cost of replacing this and agreed a £5,000 contribution towards the total cost of around £11,200.00. MAOS themselves managed to secure a £5,000 grant to assist with this and their other electrical upgrades and successfully held their annual show "Anything Goes" in March this year.

With Gas and Electrical costs being our main outgoing, we have now had a "Hive" system installed so that we can more efficiently manage the heating in the hall. It would be hoped that over the year we will see a reduction in our Gas costs and hopefully we can make progress with our lighting to reduce electricity costs also.

The committee agreed to upgrade our small Christmas tree and hall decorations so a much larger tree was purchased for the stage with other decorations and this was well received by hall users.

We are delighted that the hall has continued to be extremely popular for varies types of lets including celebrity names like Karen Dunbar, Jane McCarry and we even have Taylor Swift later in the year, well almost. We have held numerous concerts, shows, parties and are holding a wedding and reception later in the year. Everything we have achieved over the past year has only been possible due to the commitment and drive of our committee, committee members and support from local Councillor to keep the hall as a community and beyond venue in Markinch. I would like to thank the committee for their contribution and hard work and know that I can rely on you all for your continued support for the year ahead.

Thank you all for coming along this evening.

8/5/25.
