In terms of the Charities Accounts (Scotland) Regulations 1992 the Trustees report to the Congregation as follows:-

St. Ternan’s Church, Muchalls is a Church of the Scottish Episcopal Church, in full communion with the Anglican Church.

The superior authority is the Bishop of Brechin.

Our Charitable Purpose is the Advancement of Religion. We are part of the Scottish Episcopal Church. We offer regular public worship within the broad tradition of the Episcopal Church. We seek to live out the Christian Gospel in our local community in love and service.

The present Constitution of the Church dates from 2013. It is available for inspection if required.

The Trustees of the Charity present their annual report together with the financial statements for the year ended 31st August 2024.

7. Review of the Accounts for the Year

The Accounts for the year show a deficit of £8,026 (2023 – a deficit of £9,937). This is clearly undesirable and the Trustees have been much exercised over the past months to identify and implement a number of cost savings where possible. The costs of both heating and building maintenance have increased dramatically following the invasion of Ukraine and the subsequent jump in inflation and in particular building costs. Advice is being taken from the Provincial Net Zero team as to how to further reduce our heating costs whilst safely preserving the fabric of our building. Fundraising from donations has also suffered a decline.

However, on a brighter note our three year Transitional Ministry, which is coming to an end in January 2025, has been judged so successful that arrangements are now being made for a re-licencing of our Priest, [REDACTED], our current Transitional Minister, to a Priest-in-Charge on an open ended basis for the two linked charges of St Ternan’s and St James, Stonehaven. It has been agreed between St Ternan’s, St. James, Stonehaven and the Diocese that the present arrangements for sharing the costs of this will continue, and the cost to St. Ternan’s will therefore continue to be at the same level as in previous years. When we agreed to link ourselves with St James, back in 2021, there was understandable concern that we could both lose our individual identities and more particularly our own style of services. Fortunately, this has not been the case and over the years the two churches have been able to find a friendly and productive way to work together and also to hold the occasional joint service.

8. Reserves Policy

The Trustees are mindful of the effect of continuing deficits on the remaining reserves of the charity. If the charity continues to have a deficit at the current level of £8,000pa then our reserves, (as at 31st August 2024 - £27,800), would be exhausted, assuming closure costs of no more than £7,500, within 2-3 years. Our Vestry has accepted that our reserves must not fall below £7,500 so as to allow an orderly closure in the event of cessation. Much effort is being concentrated on reducing our running costs, increasing our income streams and realising any assets not directly involved in the day to day work of the church.

9. Expenses paid to Trustees

Whilst the great majority of payments to the Trustees are for the reimbursement of costs incurred buying small items of stationery, altar supplies, catering and cleaning goods there have been a number of payments, which on further review should have been approved in advance and so minuted by the Vestry:-

- 9.1 Two small gifts, costing £60.97, were purchased on behalf of the Vestry by the Secretary, [REDACTED], and presented to two retiring members who had left the Vestry after many years of great service to our Church. Although this matter was discussed with other members of Vestry no formal minute recording approval was taken at the time. This has subsequently been rectified by a retrospective minuted approval dated 3rd November 2024.
- 9.2 A member of Vestry, [REDACTED], is being paid the sum of £15.00 for a fortnightly cleaning of our various toilet and kitchen facilities. This was agreed upon in 2012 as being more cost effective than employing outside cleaners. Since 19th November 2023 [REDACTED] has become a Trustee and the prior practice of claiming this amount on expense forms was ceased from 31st August and for the current year replaced by the submission of invoices.
- 9.3 On the retirement due to her leaving the North East a luncheon was held in the Church for our long standing organist [REDACTED]. The cost of the food for this lunch which was

purchased from an outside supplier was £113.44 and was claimed by our then Treasurer, [REDACTED], but again no formal minute was taken to record any prior approval by the Vestry. Again this matter has been subsequently rectified by a retrospective minuted approval dated 3rd November 2024.

In addition to the above our Transitional Minister, [REDACTED], who is also a Trustee by virtue of her position, receives a Stipend and associated housing provision from the Diocesan team. We, together with St James, Stonehaven and the Diocesan team share the costs of her Stipend and housing in a proportion agreed between the three parties before this arrangement commenced. During the year under review the costs borne by St. Ternan's for our share of the Stipend, housing and sundry travel costs was £12,692 and are reported in the accounts under the heading Transitional Ministry.

10. Budgetary Control

The practice of preparing annual budgets prior to the commencement of a new financial year had fallen into disuse up to and including the year under review. On the appointment of a new Treasurer a forecast for the remainder of the year was established so as to guide the Vestry in its decision making. Subsequently from September 2024 a detailed agreed budget has been put in place.

11. Transactions between the Charity, Charity Trustees or Connected Persons

Apart from a moral obligation to pay Quota to the Diocese together with our agreed share of [REDACTED] Stipend, housing costs and sundry travel costs referenced in Note 9 above, there are no material transactions with any other connected or associated body.

12. Responsibility of the Trustees regarding the Accounts

It should be noted that it is the responsibility of the Trustees to prepare financial statements, which give sufficient detail to enable an appreciation of the transactions of the Church during the financial year. The Trustees are responsible for keeping proper accounting records, which, on request, must reflect the current financial position of the Church at that time. This must be done to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) regulations 2006. They are also responsible for safeguarding the assets of the Church and must take reasonable steps for the prevention and/or detection of fraud or other irregularities.
