Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of citizenship or community development', 'the promotion of equality and diversity', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: We believe that the best possible start in life for a child begins at home with their family. A nurturing, loving, stable family and home environment strongly determines a child's future life chances. Children whose parents are struggling to cope can miss out on vital support for their future. Home-Start depends heavily on donations to support the work we do with parents and children. We offer 1-1 home visiting support and group support.

Beneficiaries: 'Children or young people', 'People with disabilities or health problems'

Objectives: a) To safeguard, protect and preserve the good health, both mental and physical of children and parents of children b) To prevent cruelty to or maltreatment of children c) To relieve sickness, poverty and need amongst children and parents of children d) To promote the education of the public in better standards of child care Within the area of North East Aberdeenshire and its environs
