Purposes: 'the advancement of the arts, heritage, culture or science'

What the charity does: Stellar Quines are an intersectional feminist theatre company for Scotland, dedicated to exploring the role theatre has to play in creating gender justice for all. Our work is fuelled by artists, audiences and communities who want to see a better future for women, non-binary people and people of other marginalised genders and we work to create opportunities for them to flourish through theatre productions, engagement programmes and practitioner development. For over 30 years we have been championing gender equality in the arts and beyond and presenting award-winning theatre productions throughout the nation.

Beneficiaries: 'Other defined groups', 'No specific group, or for the benefit of the community'

Objectives: To promote, maintain and advance the education of the public in the arts and in particular the theatre and related arts
