What the charity does: Aberdeen Foyer is on a mission to end youth homelessness and prevent and alleviate the impact of poverty on young people and adults across northeast Scotland. Our vision is for people to thrive, feel connected and included in their community, where everyone has a safe, decent place to call home and access to resources to live a good life. Every day we support people to discover their potential, overcome challenges, and build their own positive future. We believe there is no limit to what people can achieve in their lives. We serve and work alongside young people from age 12-25 and adults of all working ages (16-65) living in Aberdeen and Aberdeenshire who are experiencing tough life situations that make it difficult to achieve a good life and a positive future. We provide a variety of integrated programmes and services which provide wraparound support for young people and adults around 6 key areas: Housing, Employability, Learning, Education, Communities, Mental Health

Beneficiaries: 'Children or young people'

Objectives: To alleviate hardship by securing the provision of advice information and support services to enable young people on their transition from dependance to independence to secure education, training, accommodation, health and other services appropriate to their needs
