Report of the directors for the year ended 31st March 2026
(continued)

Objectives and activities

The principal objectives of the company are to identify carers, including young carers, and provide support and information. The company aims to encourage mutual support through the establishment of carer support groups; completing Adult Carer Support Plans and Young Carer Statements; to collate and disseminate information relevant to carers in Falkirk and Clackmannanshire; to raise awareness of the needs of carers; to promote services which help carers and to encourage carers to make use of existing services; to assist carers to liaise with all relevant agencies; to encourage carers to contribute to the formulation, implementation and review of local and national policies relevant to their caring role and to encourage their participation in community care planning.

The company also aims to recognise and work with former carers as appropriate; to promote good communication, collaborative working and partnerships between statutory, voluntary and community organisations which provide services to carers; to co-ordinate views of carers by identifying and raising carers' concerns with policy makers and policy providers; to promote the principle and practice of equal opportunities for all carers and to provide a befriending service for carers of all ages.

Achievements and performance

The Falkirk & Clackmannanshire Carers Centre has continued to provide targeted support for unpaid carers of all ages. Due to the continued crisis in social care and increased cost of living many carers were struggling to cope with the complexity of their caring roles, and this year again we have seen further increased demand and requests for support from carers, many of whom are continuing to provide significant amounts of care often without a break for prolonged periods of time.

The Carers Centre has continued to work closely with the Health and Social Care Partnerships (HSPCs) in Falkirk and Clackmannanshire to help increase our capacity and to support the developments of work within other organisations who also support carers and their families. We have been active partners in the development of various local strategies and policies that affect the lives of carers and those that they care for, and we continue to support a large group of carer representatives to be involved in decision making processes within the partnerships. As an organisation we are committed to continually reviewing and evaluating our service with carers. This helps us to ensure that carers can access the support, information and involvement opportunities that they tell us that they need and that matter to them.

In the last year, we have; continued our working links with FDAMH (Falkirk & District Association of Mental Health), LGBT Youth, Central Wellbeing, Scottish Families Affected by Alcohol & Drugs, providing a space within the Centre for delivery of various support for carers. We have worked closely with RISE FV, including coordinating with RISE FV to host a learning day for all staff, and we have continued working towards improving the access and supports for carers from Minority Communities. In Clackmannanshire we have strengthened the work we deliver in community settings, delivering carer get-togethers for carers and those they care for. We have focussed on strengthening the capacity and structure of the teams across the organisation.

The following highlights demonstrate the depth and importance of our work during 2025- 26:

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)

Report of the directors for the year ended 31st March 2026
(continued)

Inform

We have continued to develop our use of social media to improve access to information and support for a greater number of carers. At the end of the 25-26 period, we had 2,285 followers on Facebook, 822 on Twitter and 220 on Instagram. We are continuing to improve the website and during the period we had 20,903 global visitors to our website. Events and activities promoted via these channels included:

Carers Week, Carers Rights Day, Carer trips and activities, Christmas Prize Draw for carers and various local and national consultations including; Mental Welfare Commissioning, Getting it right for everyone, Dementia Strategy and consultations for both Falkirk and Clackmannanshire & Stirling Health and Social Care Partnerships.

3,897 carers received newsletters and e-bulletins promoting information, support and involvement opportunities for carers including short breaks information relating to Respite. Falkirk and Clackmannanshire Carers Centre came second in Scotland for the most Respite breaks sourced and provided to carers, entirely free. A real boost in our aim of developing carer aware communities across Falkirk and Clackmannanshire – great thanks to the hospitality providers for their generous donations.

Carers Voice Groups in both Falkirk and Clacks have continued to go from strength to strength and are meeting regularly with several carers representing carers views within different locality meetings, including the Integrated Joint Boards, Carers Strategy Group Falkirk, Digital support, Drug and Alcohol partnership and Minority Ethnic Carers. Additionally, funding from both the Falkirk HSCP and Young Start has increased the involvement work with young carers and young adult carers particularly concentrating on identifying and supporting carer champions within all primary Schools across the localities.

Staff attended 390 meetings with external organisations. Working in partnership helps to build a circle of support for our organisation and improves staff knowledge and awareness of community-based supports that are available for carers and the people that they care for.

Support

Adult carer and parent carer support

During 2025-26, 2,665 adult carers received individual support by phone, email, or online through 22,086 individual contacts. Individual support for adult carers included listening and emotional support, provision of information, benefits support and help to complete an Adult Carer Support Plan (ACSP), support with accessing a variety of short break options including options for statutory support. 1,038 carers were offered or requested an ACSP and 669 ACSPs were completed with carers. 3,129 contacts were made with Falkirk carers by the Falkirk CAB (Citizens Advice Bureau) 'Help for Carers' project for financial support resulting in over £1.7 Million in welfare benefit awards for local carers.

The Telephone support team provided 618 carers with ongoing 1:1 support, signposting and referrals to external organisations– this is a specialist team for carers experiencing a period of crisis, poor mental health, or isolation due to their caring role. As well as 1:1 support the Telephone Support Team review ACSPs and complete reassessments where there has been a significant change in the caring situation for the carer or the person being cared for. Overall, 521 Adult Carer Support Plans were reviewed during the period.

The Hospital Carer Support Workers provide support to carers when they, or the person they care for, is in hospital, leaving hospital or has recently left hospital. As well as providing specialised support to carers the hospital team work with NHS staff to raise awareness of carers' rights and help them with implementing section 28 of the Carers (Scotland) Act 2016.

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)
Report of the directors for the year ended 31st March 2026
(continued)

Counselling

With Time to Live Development funding, we were able to continue to fund carer counselling support. 47 carers have benefited from 195 hours of person-centred counselling. The counselling service has expanded to include three counsellors, enabling carers to have the option of receiving their sessions in person, online or over the telephone.

Care with Confidence

The Care with Confidence (CwC) programme has continued to offer a wide range of sessions for carers via blended sessions which are accessible both online and in person. Sessions are offered to provide information and skills to carers to help them in their caring role and to improve their health and wellbeing and can be accessed during the day and in the evening. In 2025-26, 77 CwC sessions took place with 436 carer attendances.

Awareness Raising

88 awareness sessions were provided by staff within community settings. These provide information about carers' needs and rights and the support that is available from the Carers Centre and other organisations and have been offered to members of the community and professionals who work with carers. In addition, starting in November 2025 the Care with Confidence team hosted 3 Professionals Information Sessions in the Carers Centre with 19 professionals attending.

The Support Options for Carers Team

- Supported 602 carers to apply for and received a short break grant totalling £204,813, thanks to funding from the Falkirk HSCP and Shared Care Scotland.
- Continued to develop the Respite support within the local community.
- Supported carers to access 461 national and local Respite offers.
- Supported carers to access cinema tickets donated by the Hippodrome in Bo'ness
- Supported carers to access session donated by Res(e)t Float Centre
- Organised and allocated 749 football tickets across 19 matches to carers and their families in partnership with the Falkirk Foundation.
- Supported carers to access donated tours of the Rosebank Distillery
- Supported carers to access donated overnight stays at the Brucefield Estate
- Supported carers to access donated overnight stays in locations such as Nosshead lighthouse and the King Robert Hotel.
- Guitars were donated from a local charity that supports young people to participate in orchestral music. Staff allocated these guitars to Young Adult Carers.
- Secured Better Breaks funding to put on a programme of activities for young people and their families, some of which included: Growing Connections Project events, Farm Fun & Nature Craft Workshops, ASN Swimming Sessions, Soft Play Sessions, Art Workshops, family fun days and private cinema screenings.

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)

Report of the directors for the year ended 31st March 2026
(continued)

Carer 'Get Togethers'

92 'get together' opportunities were provided with 725 attendances. At the request of carers, we continued to use Community Mental Health and Wellbeing funding and funding to provide lunches for carers and the people they care for Clackmannanshire. Funding from Falkirk Health and Social Care Partnership provided lunches for carers and the people they care for in the Falkirk district.

Young Carers

The Young Carers Service continues to offer vital support, giving young carers the opportunities for respite through activities and with transport provided. During 2025-26, a Young Carer Statement (YCS) was offered to 198 Young Carers (YCs) and completed with 148 YCs and 106 YCS were reviewed. Through a 'good conversation', the Young Carers Worker and the YCs decide together what actions should be in the YCS. Some of the actions that YCs were supported with were - monthly groups, 1:1 support, support at school, short break grants, Young Carers received Activity Grants funded by the Time to Live Development Funding, and support to link with different community groups and support. 430 YCs accessed 1:1 support through 493 sessions. 18 group sessions were delivered with 212 attendances. Acting on feedback from young carers, the YC Team paused the group support to deliver consultation sessions. These sessions enabled young carers to be directly involved in the planning of ongoing group support. Following these consultation sessions, a new programme of young carer groups was developed.

Our continued Falkirk HSCP and National Lottery funding has helped us to continue and grow the involvement work for young carers ensuring the voice of young carers are heard both locally and nationally. The Young Carers Involvement Worker continues to be an active partner of the Falkirk HSCP and has helped to build on our relationships with Education colleagues in schools and colleges to raise awareness, introduce support options, and help with bridging the education attainment gap that young carers are more likely to fall through.

Young Adult Carers

Falkirk HSCP and Robertson trust funding enabled us to continue to provide and grow the dedicated service for young adult carers (YACs), an often forgotten and hard to reach group of carers. The YAC workers supported YACs to achieve the outcomes identified during a good conversation when developing their Adult Carer Support Plans or Young Carer Statements. Support included: groups, 1:1 support and residentials, as well as self-growth grants (funding towards clothes for interviews or new jobs, training courses). 220 YACs accessed support through the project. The YAC worker carried out 65 1:1 support sessions. 41 YAC groups were held with 215 attendances.

Involve

The Carers Voice meetings continue to give carers a forum to come together to discuss and feedback on their experiences. Carers who attend the Carers Voice meetings, come along because they have told us they are interested in making a difference and being involved in local and national decision making that may affect carers. Carers have been invited to have a say in 139 involvement opportunities, including various consultations, and in the developments of the new strategic plans.

Staff from the Carers Centre continue to support the IJB carer representatives to promote meaningful participation. Additional carer reps have been recruited and are supported by staff to attend a range of local and national planning groups. During 2025-26 staff participated in 42 planning meetings alongside carer reps.

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)

Report of the directors for the year ended 31st March 2026
(continued)

Staff wellbeing

Staff well-being has and continues to be a priority especially as several staff themselves are carers, support was provided to allow them to cope with pressures of providing complex care and support and the challenges presented for carers in the current economic climate. We have ensured that we have consistency with S&S for staff, regular team meetings, wellbeing checks ins in place, all staff have completed suicide prevention and mental health awareness training, the staff handbook and all policies have been reviewed and updated. As a result of the review a policy is now in place for staff to support carers who may be experiencing thoughts of suicide. The monthly staff bulletin is now in its second year and continues ensure staff are kept informed of plans and developments within all areas of the organisation.

FINANCIAL REVIEW

The income and existing funds have been used to fund the expenditure incurred by the organisation during the financial year to 31 March 2026. The principal sources of funding received by the organisation are currently from the Clackmannanshire & Stirling Health and Social Care Partnership, Falkirk Health and Social Care Partnership, Falkirk Council, Clackmannanshire Council, and NHS Forth Valley.

The organisation was also delighted to receive funding support from Shared Care Scotland, Carers Trust, Robertson Trust, Community Mental Health and Wellbeing funds, and the National Lottery during the financial year. Further funding was received from other sources, including substantial amounts to provide respite breaks, with a strong focus to relieve pressure and improve carer health and wellbeing in this difficult year. As a result of these income streams, the organisation was able to enhance the core services and widen the activities and support provided. Internal management of funding, as well as ongoing budgeting measures, continued to be addressed during the difficult circumstances in the period.

Funding continued to be monitored intently to ensure that the organisation could continue to operate within its means. The funding received enabled effective home working to continue, with service and core activities of the organisation continuing with little disruption.

Investment Policy

Any money not required in the short term continues to be identified and held in interest bearing accounts on a short-term basis. No other investments are held.

Reserves Policy

In view of the continued pressure on unrestricted funding availability the Board will continue to review and closely monitor the Reserves available to meet organisation requirements.

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)

Report of the directors for the year ended 31st March 2026
(continued)

Strategic Priorities

The recognition of priority areas within our strategic plan allowed us to make considerable progress in areas of:

- Continue to develop short break opportunities, including Respite and outings.
- Developing robust information and recording systems to enhance our ability to capture outcomes for carers
- Carer involvement we now have a voluntary team of carer reps actively involved in various decision making and strategic groups.
- Carer hospital support work – support for carers when the person that they care for is in hospital
- Delivering planned consistent short break options for carers.
- Working with new systems to reduce out waiting times from months to a few weeks for Adult Carer Support Plans
- Introducing interest-based respite activity groups for Young Carers.

We continually review and evaluate the support and services that we deliver and to ensure we can continually meet the needs of local carers and staff our new priorities for 2026-2027 are to:

- Continue with the development work around carer opportunities – priority areas being widening the short break activity programmes, training staff to deliver regular wellbeing opportunities and respite growth (carer aware communities).
- Continue to develop the involvement opportunities for carers of all ages to enable them to have a voice at local and national levels of decision making relating to carers.
- Continue to offer the centre as a hub and resource for other organisations and to allow carers to access other forms of support.
- Work with a grant consultant to strengthen the funding throughout the organisation.
- Develop the tech support for carers project.
- Work in partnership with Stirling Carers Centre to provide support in Clackmannanshire
- Continue to ensure that staff wellbeing is prioritised and that staff have access to the training, equipment and support needed within their roles of supporting carers.

STRUCTURE GOVERNANCE AND MANAGEMENT

Governing documents

The organisation is a charitable company limited by guarantee, incorporated on 1 April 1998 and registered as a charity on 4 May 1995. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association.

Management

The directors of the company are also charity trustees for the purposes of charity law and under the company's Articles are known as members of the Management Committee. The members of the Management Committee shall hold office until the third Annual General Meeting (AGM) following their appointment. At such time they shall retire from office but may offer themselves for re-election.

The focus of the work of the organisation is supporting carers and therefore this is reflected in the fact that one third of the Management Committee is composed of carers or former carers who are willing to use their own experience to assist the charity. Recruitment of the Management Committee is mainly carried out by word of mouth and at awareness raising events where the work of the organisation is discussed.

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)

Report of the directors for the year ended 31st March 2026
(continued)

Efforts are made to attract individuals with a diverse mix of skills covering social work, business, health service and accounting. An application form asking for two references and supporting letter are requested from prospective members who are interviewed by the Chairperson and evaluated. The final decision is taken by the Management Committee.

Induction Process

There is a written induction process and short training sessions are arranged when new members join the Committee, which may include existing members in order to aid communication with the new members. These training sessions will be led by the Chair of the Management Committee and the Centre Manager.

Organisational Structure

The organisation has a Management Committee of up to 12 members and 2 advisors who meet bi-monthly and are responsible for the strategic direction and policy of the charity.

A scheme of delegation is in place and day to day responsibility for the provision of the services rests with the Centre Manager and Operations Manager. These individuals are responsible for ensuring that the charity delivers the services specified and that key performance indicators are met. The Managers have responsibility for the day to day operational management of the Carers Centre in Falkirk and Alloa, individual supervision of the staff team and also ensuring that the team continue to develop their skills and working practices in line with good practice.

Risk Management

Internal control risks are minimised by implementation of procedures for authorisation of all transactions and projects. These procedures are reviewed on a regular basis to ensure that they continue to meet the needs of the charity. The organisation is currently working towards the Exemplary level carer positive award. Procedures are in place to ensure compliance with health and safety of staff, volunteers, carers and other visitors to the Centre and other offices. The organisation has contracted with Peninsula Business Services for their "Business Safe" product to further ensure the required compliance standards are fully observed and maintained.

The Strategic Plan is prepared with financial overview for each current business year, and status reports are regularly presented by the Centre Manager at appropriate Management Committee Meetings. Recognising the financial challenge faced by our key funders, Centre Manager and Operations Manager regularly meet and keep fully informed of current processes, potential changes and impact on our future funding. With Carers Act now in effect, changes in funding decision processes and impact on our services remains key, requiring ongoing Board discussion.

Related Parties

The organisation is a member of a number of organisations including the Coalition of Carers in Scotland, Volunteer Development Scotland, the local Council for Voluntary Services and a network partner of Carers Trust.

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)

Report of the directors for the year ended 31st March 2026
(continued)

DIRECTORS' RESPONSIBILITIES

The directors (who are also trustees for the purposes of charity law) are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The directors are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the directors are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

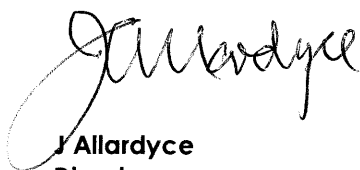

Directors and Officers Liability Insurance

During the period the charity purchased liability insurance for its directors and staff as permitted by Section 233 of the Companies Act 2006.

Auditors

A resolution will be proposed at the Annual General Meeting that bk plus be re-appointed as auditors of the charitable company for the forthcoming year.

By Order of the Board

J Allardyce
Director
10 June 2026

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)

Independent Auditor's Report to the Trustees and Members of Central Carers Association (Falkirk and Clackmannan) for the year ended 31st March 2026

Opinion

We have audited the financial statements of Central Carers Association (Falkirk and Clackmannan) (the 'charitable company') for the year ended 31st March 2026 which comprise Statement of Financial Activities, Balance Sheet, Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charitable company's members and trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31st March 2026, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)

Independent Auditor's Report to the Trustees and Members of Central Carers Association (Falkirk and Clackmannan) (continued)

Other information

The trustees are responsible for the other information. The other information comprises the information included in the directors' report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 require us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemptions in preparing the directors' report from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the statement of directors' responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)

**Independent Auditor's Report to the Trustees and Members of Central Carers
Association (Falkirk and Clackmannan) (continued)**

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with regulations made under those Acts.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud is detailed below:

- Inquired of management, and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud;
- The audit engagement team identified the risk of management override of controls as the area where the financial statements were most susceptible to material misstatement due to fraud. Audit procedures performed included but were not limited to testing manual journal entries and other adjustments, evaluating the business rationale in relation to any significant unusual transactions and challenging judgements and estimates;
- Reviewing minutes of meetings held by management and those charged with governance to identify any matters including actual or attempted fraud, litigation and noncompliance with laws and regulations;
- Inspecting expenditure incurred in the year while making sure this has been appropriately categorised in the financial statements. This included agreeing a sample from the nominal ledger to purchase invoice while also reviewing post year end transactions and invoices to confirm the completeness of the expenditure was disclosed.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)

**Independent Auditor's Report to the Trustees and Members of Central Carers
Association (Falkirk and Clackmannan) (continued)**

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charitable company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charitable company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Robert Taylor (Senior Statutory Auditor)

**For and on behalf of Dickson Middleton, Chartered Accountants and Statutory Auditors,
20 Barnton Street, Stirling. FK8 1NE.**

Dickson Middleton is eligible to act as an auditor in terms of section 1212 of the Companies Act 2006.

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)

Notes to the financial statements for the year ended 31st March 2026

1. Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), the Charities SORP (FRS102) and the Companies Act 2006. A summary of the more important accounting policies, which have been applied consistently, is set out below.

The charity meets the definition of a public benefit entity under FRS 102.

Assessment of going concern

The Directors are of the opinion that sufficient funding is in place to cover their planned activities for 2026/27. Particular funding bodies have yet to provide commitments to funding beyond this period; however, it is the considered opinion of the directors that the company has in place a business model which will enable it to continue to operate for at least a period of 12 months from the approval date of these financial statements. As a result the going concern basis of accounting has been adopted.

Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of grants, donations and gifts and is included in full when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant. Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.
- Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance. Income is deferred for grants which have claw back conditions.
- Income from charitable activities is recognised as it is earned (i.e. as the related goods and services are provided).
- Investment income is included when receivable.

Resources Expended

Expenditure is recognised on an accruals basis as the liability is incurred. Expenditure only includes VAT to the extent that it cannot be fully recovered. The following specific policies are applied to particular categories of expenditure:

- Costs of raising funds comprise the costs incurred for fundraising purposes.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and programmes for its beneficiaries and their associated support costs.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to strategic management of the charity. All costs are allocated between the expenditure categories on the basis designed to reflect the use of the resource.

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)

Notes to the financial statements for the year ended 31st March 2026
(continued)

1. Accounting policies (continued)

Pensions

The charity makes contributions to personal pensions for staff who have not opted out. These pensions are defined contribution in nature and the charity contributions are accounted for by recognising amounts payable in the year in the statement of financial activities.

Operating leases

Rentals under operating leases are included in the statement of financial activities on a straight-line basis over the lease term.

Taxation

The charity is recognised as a charity for taxation purposes. As such the charity is exempt from tax on income and gains to the extent that these are applied to charitable objects. No tax charges have arisen in the charity.

Tangible fixed assets

The cost of tangible fixed assets is their purchase cost or, if gifted, their value at the date of gift.

Depreciation

Depreciation is provided on fixed assets to write off the cost, less the estimated residual value, evenly over the years stated below.

Leasehold improvements	over the term of the lease
Fixtures, fittings and equipment	20% Straight line

Debtors

Debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid net of any discounts due.

Creditors

Creditors are recognised where the company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any discounts due.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently remeasured at their settlement value.

Fund accounting

The various reserves set aside by the charity are as follows:

- Restricted funds are subject to restrictions on their expenditure imposed by the donor or through the terms of a grant.
- Unrestricted funds are available for use at the discretion of the directors in furtherance of the general objectives of the charity.
- Designated funds are unrestricted funds earmarked by the directors for particular purposes. Current designated funds include sums tied up in fixed assets, centre funding and future project funding.

(a company limited by guarantee)

Notes to the financial statements for the year ended 31st March 2026
(continued)

15. Fund Reconciliation (continued)

Purposes of designated funds -

Funded Events

Funds accumulated from donations from individuals and organisations to benefit volunteer befrienders, young carers, carers in Clackmannanshire and carers in Falkirk respectively by financing various leisure and educational events.

Property and Equipment Funds

Reserves accumulated to make provision for future significant rent increases or potential non routine maintenance of the property at 1a Bank Street and for the replacement of office equipment and furnishings.

Community Health - Parents Group

Core funds received from statutory authorities cover only the salary of the Parents Work. This Fund allows the worker to organise a wide range of leisure and educational events involving speakers and therapists as well as external visits to a variety of venues.

Purposes of restricted funds -

Falkirk Carers Activities Groups

Funds accumulated from donations to allow the organisation of regular and one off activities including the carer's lunch, men's group and Christmas lunch.

Short Break Funds/ Time to Live

To provide respite holiday breaks of their choosing for Adult Carers to a maximum of £400 each.

Young Adult Carers Funds

Funds to complete feasibility study and develop the service for young adult carers.

Agnes Watt Trust

Funding to provide pampering sessions for adult carers and expenses related to befriending for young carers.

CIS

Funding from the Scottish Government to allow Local Authorities to provide support for carers.

Peer Support Group

Funding from Carers Trust to support a former carers group.

ScotSpirit Holiday Scheme

Funding to award carers short holidays or days out in Scotland. Working alongside Visit Scotland and tourism providers.

Winter Pressure Fund (WPF)

Funding from the Scottish Government to award carers with grants up to £500 to help them with the steep increase in the cost of living during winter 2025/2026

Falkirk and Clackmannanshire Mental Health & Wellbeing

Funding to hold activities and support sessions for carers to help sustain and improve their mental health and wellbeing.

CENTRAL CARERS ASSOCIATION (FALKIRK AND CLACKMANNAN)
(a company limited by guarantee)
Notes to the financial statements for the year ended 31st March 2026
(continued)

15. Fund Reconciliation (continued)

ICF

Funding from the Scottish Government to allow Health and Social Care Partnerships to provide support for adult carers.

Clackmannanshire Mental Health & Wellbeing

Funding to hold activities and support sessions for carers to help sustain and improve their mental health and wellbeing.

Robertson Trust – Young Adult Carer Funding

The funding from The Robertson Trust is to be used to enhance the Young Adult Carers Project. Within our application we expressed this was to cover the costs of a part-time young adult carer worker to expand the service capacity and any remaining funding would cover associated activity costs. The Young Adult Carers Project has hired a 21-hour per week part time worker who will allow us to expand our service in Clackmannanshire.

Scottish Children's Lottery

The funding from the Scottish Children's Lottery will be used to provide young carers with activities and experiences as identified by the young carers themselves. These activities will be delivered locally to carers in the Falkirk and Clackmannanshire areas, mainly during the school holidays to provide young carers a break from their caring roles during these times.
